at the option of the Borrower Representative, the date that the definitive agreement (or other relevant definitive documentation) for or public announcement of such Investment or acquisition or repayment, repurchase or refinancing or Incurrence of Indebtedness is entered into or the date of any notice, which may be conditional, of such repayment, repurchase or refinancing of Indebtedness is given to the holders of such Indebtedness (the "Transaction Commitment Date") may be used as the applicable date of determination, as the case may be, in each case with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of "Pro Forma Basis" or "Consolidated EBITDA". For the avoidance of doubt, if the Borrower Representative elects to use the Transaction Commitment Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the (i) Fixed Charge Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA, Four Quarter Consolidated EBITDA, Consolidated Total Assets, Consolidated Cash Interest Expense and/or Pro Forma Cost Savings of the U.S. Borrower and (ii) the applicable exchange rate utilized in calculating compliance with any dollar-based provision of this Agreement, from the Transaction Commitment Date to the date of consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, or in connection with compliance by the Borrower Parties with any other provision of the Loan Documents or any other transaction undertaken in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, is permitted to be incurred, (b) for purposes of determining compliance with any provision which requires that no Default, Event of Default or specified Default or Event of Default, as applicable, has occurred, is continuing or would result from any such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, as applicable, such condition shall be deemed satisfied so long as no Default, Event of Default or specified Default or Event of Default, as applicable, exists on the Transaction Commitment Date, (c) for purposes of determining whether the bring down of representations and warranties (or specified representations and warranties) in connection with any such Investment, acquisition or repayment, repurchase or refinancing of

Indebtedness, as applicable, are true and correct, such condition shall be deemed satisfied so long as such representation and warranties, as applicable, are true and correct in all material respects on the Transaction Commitment Date, and (d) until such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness is consummated or such definitive agreements (or other relevant definitive documentation) are terminated (or conditions in any conditional notice can no longer be met or public announcements with respect thereto are withdrawn), such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and all transactions proposed to be undertaken in connection therewith (including the incurrence of Indebtedness and Liens) will be given pro forma effect when determining compliance of other transactions (including the incurrence of Indebtedness and Liens unrelated to such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness) that are consummated after the Transaction Commitment Date and on or prior to the date of consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and any such transactions (including any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the date the definitive agreements (or other relevant definitive documentation) are entered into or public announcement is made and deemed to be outstanding thereafter for purposes of calculating any baskets or ratios under the Loan Documents after the date of such agreement and before the date of consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness.

For purposes hereof, the “Maximum Fixed Repurchase Price” of any Disqualified Stock or Preferred Stock that does not have a fixed repurchase price shall be calculated in accordance with the terms of such Disqualified Stock or Preferred Stock as if such Disqualified Stock or Preferred Stock were purchased on any date on which Consolidated Funded Indebtedness shall be required to be determined pursuant to this Agreement, and if such price is based upon, or measured by, the fair market value of such Disqualified Stock or Preferred Stock, such fair market value shall be determined reasonably and in good faith by the U.S. Borrower.

(j) For the purposes of Sections 2.05(b)(ii), 6.12, 7.03, 7.04 and 7.05, an allocation of assets to a division of a Restricted Subsidiary that is a limited liability company, or an allocation of assets to a series of a Restricted Subsidiary that is a limited liability company, shall be treated as a transfer of assets from one Restricted Subsidiary to another Restricted Subsidiary.

Section 1.03 Accounting Term

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, as in effect from time to time.

(b) If at any time any change in GAAP or the application thereof, or any election by the Borrower Representative to report in IFRS in lieu of GAAP for financial reporting purposes, would affect the computation or interpretation of any financial ratio, basket, requirement or other provision set forth in any Loan Document, and either the Borrower Representative or the Required Lenders shall so request, the Administrative Agent and the Borrower Representative shall negotiate in good faith to amend such ratio, basket, requirement or other provision to preserve the original intent thereof in light of such change in GAAP or the application thereof (subject to the approval of the Required Lenders not to be unreasonably withheld, conditioned or delayed) (provided that any change affecting the computation of the ratio set forth in Section 7.08 shall be subject solely to the approval of the Required Revolving Lenders (not to be unreasonably withheld, conditioned or delayed) and the Borrower Representative); provided that, until so amended, (i) (A) such ratio, basket, requirement or other provision shall continue to be computed or interpreted in accordance with GAAP or the application thereof prior to such change

therein and (B) the Borrower Representative shall provide to the Administrative Agent and the Lenders a written reconciliation in form and substance reasonably satisfactory to the Administrative Agent, between calculations of such ratio, basket, requirement or other provision made before and after giving effect to such change in GAAP or the application thereof or (ii) the Borrower Representative may elect to fix GAAP (for purposes of such ratio, basket, requirement or other provision) as of another later date notified in writing to the Administrative Agent from time to time.

(c) Notwithstanding anything to the contrary contained herein, all such financial statements shall be prepared, and all financial covenants contained herein or in any other Loan Document shall be calculated, in each case, without giving effect to any election under FASB ASC 825 (or any similar accounting principle) permitting a Person to value its financial liabilities at the fair value thereof.

Section 1.04 Rounding. Any financial ratios required to be maintained by the U.S. Borrower, or satisfied in order for a specific action to be permitted, under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 References to Agreements and Laws. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law. References to specific provisions (or defined terms) in the ABL Loan Documents shall be to such provisions (or defined terms) as amended or replaced (to the extent such amendment or replacement is permitted by the Loan Documents), and cross-references shall be deemed amended as necessary to refer to the same provisions that are referenced in the ABL Loan Documents as in effect on the Closing Date.

Section 1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight savings or standard, as applicable).

Section 1.07 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as specifically provided in Section 2.12 or as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Currency Equivalents Generally.

(a) Any amount specified in this Agreement (other than in Articles II, IX and X or as set forth in clause (b) of this Section 1.08) or any of the other Loan Documents to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount (the "Agent's Spot Rate of Exchange") to be determined at the rate of exchange for the purchase of Dollars with the Alternative Currency or other currency in the London foreign exchange market at or about 11:00 a.m. London time (or New York City time, as applicable) on a particular day as displayed by ICE Data Services as the "ask price" or as displayed on such other information service which publishes that rate of exchange from time to time in place of ICE Data Services (or if such service ceases to be available, the equivalent of such amount in dollars as determined by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Borrower

Representative, or, in the absence of such agreement, such rate shall instead be the arithmetic average of the spot rates of exchange of the Administrative Agent in the market where its foreign currency exchange operations in respect of such currency are then being conducted, at or about 10:00 a.m. (New York City time) on such date for the purchase of Dollars for delivery two Business Days later); provided that if any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

(b) For purposes of determining the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio, the Fixed Charge Coverage Ratio and the Consolidated Senior Secured Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (i) testing the Financial Covenant, at the Exchange Rate as of the last day of the fiscal quarter for which such measurement is being made, and (ii) calculating any Consolidated Total Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.08) and Consolidated Senior Secured Net Leverage Ratio, at the Exchange Rate as of the date of determination, and will, in the case of Indebtedness and Consolidated Funded Indebtedness, be the weighted average exchange rates used for determining Consolidated EBITDA for the relevant period; provided that if any Borrower Party has entered into any currency Swap Contracts in respect of any borrowings, the Dollar Amount of such borrowings shall be determined by first taking into account the effects of that currency Swap Contract.

(c) The Administrative Agent shall determine the Dollar Amount of each Revolving Credit Loan denominated in an Alternative Currency and L/C Obligation in respect of Letters of Credit denominated in an Alternative Currency (i) for Revolving Credit Loans, as of the first day of each Interest Period applicable thereto, (ii) upon the issuance and increase of any Letter of Credit denominated in an Alternative Currency and (iii) shall, on a semi-annual basis, promptly notify the Borrower Representative and the Revolving Credit Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate on the date of the related Borrowing request for purposes of the initial such determination for any Revolving Credit Loan.

(d) Notwithstanding anything to the contrary in this Agreement, (i) any representation or warranty that would be untrue or inaccurate, (ii) any undertaking that would be breached or (iii) any event that would constitute a Default or an Event of Default, in each case, solely as a result of fluctuations in applicable currency exchange rates, shall not be deemed to be untrue, inaccurate, breached or so constituted, as applicable, solely as a result of such fluctuations in currency exchange rates.

(e) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of a Eurocurrency Rate Loan or an RFR Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Eurocurrency Rate Loan, RFR Loan or Letter of Credit is denominated in an Alternative Currency such amount shall be the relevant Dollar Amount of such Alternative Currency (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the L/C Issuer, as the case may be.

(f) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Term SOFR Rate", "Eurocurrency Rate" or "RFR Loan" or with respect to any comparable or successor rate thereto.

Section 1.09 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated Dollar Amount of such Letter of Credit in effect at such time after giving effect to any expiration periods applicable thereto; provided, however, that (i) if any presentation of drawing documents shall have been made on or prior to the expiration date of such Letter of Credit and the applicable L/C Issuer shall not yet have honored such drawing or given notice of dishonor, the amount of such Letter of Credit that is the subject of such drawing shall be treated as still outstanding and (ii) with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the Dollar Amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.10 Pro Forma Calculations. Notwithstanding anything to the contrary herein (subject to Section 1.02(i)), the Consolidated Cash Interest Expense, Consolidated Interest Expense, the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio, the Fixed Charge Coverage Ratio, Consolidated Net Income, Consolidated EBITDA, Four Quarter Consolidated EBITDA and Consolidated Total Assets shall be calculated (including, in each case, for purposes of Sections 2.14 and 2.15) on a Pro Forma Basis with respect to each Specified Transaction occurring during the applicable four quarter period to which such calculation relates, and/or subsequent to the end of such four-quarter period (including, with respect to any proposed Investment or acquisition pursuant to Rule 2.7 of The City Code on Takeovers and Mergers (or a similar arrangement) for which committed financing is obtained or is sought to be obtained, the relevant determination or calculation may be made with respect to an event occurring or intended to occur subsequent to such four-quarter period); provided that notwithstanding the foregoing, when calculating the Consolidated First Lien Net Leverage Ratio for purposes of (i) determining the applicable percentage of Excess Cash Flow for purposes of Section 2.05(b), (ii) the Applicable Rate, (iii) the Applicable Facility Fee and (iv) determining actual compliance (and not Pro Forma Compliance or compliance on a Pro Forma Basis) with the Financial Covenant, any Specified Transaction and any related adjustment contemplated in the definition of Pro Forma Basis (and corresponding provisions of the definition of Consolidated EBITDA) that occurred subsequent to the end of the applicable four quarter period shall not be given Pro Forma Effect. Notwithstanding anything to the contrary contained herein, for purposes of calculating any leverage ratio herein in connection with the incurrence of any Indebtedness, there shall be no netting of the cash proceeds proposed to be received in connection with the incurrence of such Indebtedness.

Section 1.11 Calculation of Baskets. If any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to Four Quarter Consolidated EBITDA and/or Consolidated Total Assets for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations.

Section 1.12 Borrower Representative. Each Borrower hereby designates the U.S. Borrower as its Borrower Representative. The U.S. Borrower will be acting as agent on each Borrower's behalf for the purposes of issuing notices of Borrowing and notices of conversion/continuation of any Loans pursuant to Section 2.02 or similar notices, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, requesting Letters of Credit, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants and certifications) on behalf of the Borrowers under the Loan Documents. The U.S. Borrower hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the U.S. Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower. Each Borrower hereby releases the U.S. Borrower to the extent possible from any restrictions on representing several persons and self-dealing applicable to it under any applicable law.

Section 1.13 Joint and Several Liability and Related Matters.

(a) Notwithstanding anything set forth in any Loan Document, (i) no Canadian Collateral shall secure any Obligations of any U.S. Loan Parties or of any Restricted Subsidiary (other than the Canadian Obligations) and no guarantee provided by any Canadian Loan Party that constitutes an Excluded Subsidiary with respect to the U.S. Obligations shall guarantee any Obligations of any U.S. Borrowers or any Restricted Subsidiary (other than the Canadian Obligations), (ii) no asset that is required to be pledged by a U.S. Loan Party in support of the Canadian Obligations but that constitutes Excluded Property with respect to the U.S. Obligations may provide any credit support other than credit support for a Canadian Obligation and (iii) the U.S. Borrower (or any other Borrower with respect to U.S. Obligations) is not jointly and severally liable as a co-debtor or co-borrower for any Loans to the Canadian Borrower, and the Canadian Borrower (or any other Borrower with respect to Canadian Obligations) is not jointly and severally liable for any Loans to any U.S. Borrower.

(b) For the avoidance of doubt and notwithstanding anything to the contrary contained in this Agreement or any other Loan Document (including all Collateral Documents), (i) no Collateral of any Canadian Loan Party that constitutes an Excluded Subsidiary with respect to the U.S. Obligations shall secure, directly or indirectly, any obligation other than a Canadian Obligation, (ii) no proceeds of Collateral or other amounts received by any Agent or Lender from the Canadian Loan Parties that constitute Excluded Subsidiaries with respect to the U.S. Obligations shall be applied, directly or indirectly, as payment in respect of any Obligation other than a Canadian Obligation, and (iii) no Canadian Loan Party that constitutes an Excluded Subsidiary with respect to the U.S. Obligations shall provide any credit support or guaranty of any obligation other than a Canadian Obligation. As of the Closing Date, it is the intent of the parties hereto that the terms of the Loan Documents shall not result in any entity that is a Controlled Non-U.S. Subsidiary or FSHCO being treated as holding an obligation of a United States person (as described in Section 956 of the Code) and the terms of the Loan Documents shall be interpreted to achieve such result.

Section 1.14 Québec Matters. For purposes of any assets, liabilities or entities located in the Province of Québec and for all other purposes pursuant to which the interpretation or construction of this Agreement may be subject to the laws of the Province of Québec or a court or tribunal exercising jurisdiction in the Province of Québec, (a) “personal property” shall be deemed to include “movable property”, (b) “real property” shall be deemed to include “immovable property”, (c) “tangible property” shall be deemed to include “corporeal property”, (d) “intangible property” shall be deemed to include “incorporeal property”, (e) “security interest”, “mortgage” and “lien” shall be deemed to include a “hypothec”, “prior claim” and a resolutive clause, (f) all references to filing, registering or recording under the PPSA or UCC shall be deemed to include publication under the Civil Code of Québec, (g) all references to “perfection” of or “perfected” liens or security interest shall be deemed to include a reference to an “opposable” or “set up” lien or security interest as against third parties, (h) any “right of offset”, “right of setoff” or similar expression shall be deemed to include a “right of compensation”, (i) “goods” shall be deemed to include “corporeal movable property” other than chattel paper, documents of title, instruments, money and securities, (j) an “agent” shall be deemed to include a “mandatary”, (k) “construction liens” shall be deemed to include “legal hypothecs”, (l) “joint and several” shall be deemed to include solidary, (m) “gross negligence or willful misconduct” shall be deemed to be “intentional or gross fault”, (n) “beneficial ownership” shall be deemed to include “ownership on behalf of another as mandatary”, (o) “servitude” shall be deemed to include easement, (p) “priority” shall be deemed to include “prior claim”, (q) “survey” shall be deemed to include “certificate of location and plan” and (r) “fee simple title” shall be deemed to include “absolute ownership”. The parties hereto confirm that it is

~~Rates: LIBOR Notification~~ The interest rate on Eurocurrency Rate Loans is determined by reference to the Screen Rate, which is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the "IBA") for purposes of the IBA setting the London interbank offered rate. On March 5, 2021, the IBA stated that as a result of its not having access to input data necessary to calculate LIBOR settings on a representative basis beyond the intended cessation dates set forth in the table below, it would have to cease publication of all 35 LIBOR settings immediately after such dates:

LIBOR Currency	LIBOR Settings	Date
USD	1-week, 2-month	December 31, 2021
USD	All other settings (i.e., Overnight/Spot Next, 1-month, 3-month, 6-month and 12-month)	June 30, 2023
GBP, EUR, CHF, JPY	All settings	December 31, 2021

The IBA did not identify any successor administrator in its announcement. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate.

Upon the occurrence of a Benchmark Trigger Event, Section 3.04(b) provides a mechanism for determining an alternative rate of interest with respect to the 2021 Term Loans. The Administrative Agent will promptly notify Holdings, pursuant to Section 3.04(b), of any change to the reference rate upon which the interest rate on Eurocurrency Rate Loans with respect to the 2021 Term Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of "Eurocurrency Rate" or with respect to any alternative or successor rate thereto, or replacement rate thereof including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 3.04(b) and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 3.04(b), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the Eurocurrency Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

ARTICLE II
The Commitments and Credit Extensions

Section 2.01 The Loans.

(a) The Initial Term Borrowing. Subject to the terms and conditions set forth herein, (i) each Term B-1 Lender with an Initial Term B-1 Commitment severally agrees to make a single loan denominated in Dollars to the U.S. Borrower on the Closing Date in an amount not to exceed such Term B-1 Lender's Initial Term B-1 Commitment and (ii) each Term B-2 Lender with an Initial Term B-2 Commitment severally agrees to make a single loan denominated in Dollars to the Canadian Borrower on the Closing Date in an amount not to exceed such Term B-2 Lender's Initial Term B-2 Commitment. The Initial Term B-1 Borrowing shall consist of Initial Term B-1 Loans made simultaneously by the Term B-1 Lenders in accordance with their respective Initial Term B-1 Commitments. The Initial Term B-2 Borrowing shall consist of Initial Term B-2 Loans made simultaneously by the Term B-2 Lenders in accordance with their respective Initial Term B-2 Commitments. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14). Initial Term Loans may be Base Rate Loans or Eurocurrency Term SOFR Rate Loans as further provided herein.

(b) The Revolving Credit Borrowings. Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make loans denominated in Dollars or in one or more Alternative Currencies (each such loan, a "Revolving Credit Loan") to the U.S. Borrower from time to time on and after the Closing Date (provided that on the Closing Date, the Revolving Credit Loans will only be available in an aggregate amount equal to (x) any amount to finance any OID or upfront fees required to be paid on the Closing Date as a result of the "market flex" provisions of the Fee and Closing Payment Letter *plus* (y) \$50,000,000), on any Business Day until and excluding the Business Day preceding the Maturity Date for the Revolving Credit Facility, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's Revolving Credit Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing, (i) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility and (ii) the aggregate Pro Rata Share of the Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations shall not exceed such Lender's Revolving Credit Commitment. Within the limits of each Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the U.S. Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Credit Loans may be Base Rate Loans (in the case of Revolving Credit Loans denominated in Dollars), Term SOFR Rate Loans (in the case of Revolving Credit Loans denominated in Dollars), Eurocurrency Rate Loans (in the case of Revolving Credit Loans denominated in an Alternative Currency (other than Pounds Sterling)) or RFR Loans (in the case of Revolving Credit Loans denominated in Pounds Sterling), as further provided herein. To the extent that any portion of the Revolving Credit Facility has been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to Section 2.03) shall be allocated pro rata among the Revolving Tranches.

(c) After the Closing Date, subject to and upon the terms and conditions set forth herein, each Lender with a Term Commitment (other than an Initial Term Commitment or a 2021 Term Commitment) with respect to any Tranche of Term Loans (other than Initial Term Loans or 2021 Term Loans) severally agrees to make a Term Loan denominated in Dollars under such Tranche to the applicable Borrower in an amount not to exceed such Term Lender's Term Commitment under such Tranche on the date of incurrence thereof, which Term Loans under such Tranche shall be incurred

pursuant to a single drawing on the date set forth for such incurrence. Such Term Loans may be Base Rate Loans or Eurocurrency Term SOFR Rate Loans as further provided herein. Once repaid, Term Loans incurred hereunder may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14).

(d) Subject to the terms and conditions set forth herein and in the Second Amendment, each 2021 Term Lender with a 2021 Term Commitment severally agrees to make a single loan denominated in Dollars (the "2021 Term Loans") to the U.S. Borrower on the Second Amendment Effective Date in an amount not to exceed such 2021 Term Lender's 2021 Term Commitment. The 2021 Term Borrowing shall consist of 2021 Term Loans made simultaneously by the 2021 Term Lenders in accordance with their respective 2021 Term Commitments. Amounts borrowed under this Section 2.01(d) and subsequently repaid or prepaid may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14). 2021 Term Loans may be Base Rate Loans or Eurocurrency Term SOFR Rate Loans as further provided herein.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to another, and each continuation of Eurocurrency Term Benchmark Rate Loans or RFR Loans, shall be made upon irrevocable notice by the Borrower Representative to the Administrative Agent. Each such notice must be in writing and must be received by the Administrative Agent not later than (i) 12:00 p.m. (New York City time) three (3) Business Days prior to the requested date of any Borrowing of, conversion of Base Rate Loans to, or continuation of, Eurocurrency Term Benchmark Rate Loans, (ii) 11:00 a.m. (New York City time) on the requested date of any Borrowing of Base Rate Loans or of any conversion of Eurocurrency Term Benchmark Rate Loans to Base Rate Loans and (iii) 2:00 p.m. (London time) four (4) Business Days prior to the requested date of any Borrowing of, or continuation of, RFR Loans. Each notice pursuant to this Section 2.02(a) shall be delivered to the Administrative Agent in the form of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower Representative.

Each Borrowing of, conversion to or continuation of Eurocurrency Term Benchmark Rate Loans or RFR Loans shall be (i) in a principal amount of \$3,000,000 (or the equivalent Dollar Amount), or (ii) a whole multiple of \$1,000,000 (or the equivalent Dollar Amount) in excess thereof. Except as provided in Section 2.03(d), each Borrowing of, or conversion to, Base Rate Loans shall be (i) in a principal amount of \$1,000,000 (or the equivalent Dollar Amount), or (ii) a whole multiple of \$500,000 (or the equivalent Dollar Amount) in excess thereof.

Each Committed Loan Notice shall specify (i) the identity of the Borrower requesting a Credit Extension, (ii) whether such Borrower is requesting a Term Borrowing, a Revolving Credit Borrowing, a conversion of a Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to another, or a continuation of Eurocurrency Term Benchmark Rate Loans or RFR Loans, (iii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iv) the principal amount of Loans to be borrowed, converted or continued, (v) the Type of Loans to be borrowed or to which existing Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans are to be converted, (vi) if applicable, the duration of the Interest Period with respect thereto, and (vii) the currency in which the Revolving Credit Loans to be borrowed are to be denominated (which shall be Dollars or an Alternative Currency). If, with respect to any Eurocurrency Term Benchmark Rate Loans, the Borrower Representative fails to

specify a Type of Loan in a Committed Loan Notice or if the Borrower Representative fails to give a timely notice requesting a conversion or continuation, then the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans, or Revolving Credit Loans shall be made as, or converted to, Eurocurrency Term Benchmark Rate Loans with an Interest Period of one month (unless it is the continuation of an RFR Loan or if the currency of the Loan is specified as Pounds Sterling, in which case the applicable Revolving Credit Loan shall be made as an RFR Loan having in Interest Period of one month). Any such automatic conversion or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Term Benchmark Rate Loans or RFR Loans. If the Borrower Representative requests a Borrowing of, conversion to, or continuation of Eurocurrency Term Benchmark Rate Loans or RFR Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its Pro Rata Share of the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans, and if no timely notice of a conversion or continuation of Eurocurrency Term Benchmark Rate Loan or RFR Loans, as applicable, is provided by the Borrower Representative, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Eurocurrency Term Benchmark Rate Loans or RFR Loans, as applicable, with an Interest Period of one month as described in Section 2.02(a). In the case of a Term Borrowing or a Revolving Credit Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 3:00 p.m. (New York City time) in the case of Loans denominated in Dollars, and not later than the applicable time specified by the Administrative Agent in the case of any Revolving Credit Loan denominated in an Alternative Currency, in each case, on the Business Day specified in the applicable Committed Loan Notice. Each Lender may, at its option, make any Loan available to any Borrower by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of any Borrower to repay such Loan in accordance with the terms of this Agreement. Upon satisfaction of the applicable conditions set forth in Section 4.02 (or, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of such Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by such Borrower; provided, however, that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower Representative, there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, and second, to the applicable Borrower as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Term Benchmark Rate Loan or RFR Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Term Benchmark Rate Loan or RFR Loan unless the applicable Borrower pays the amount due under Section 3.06 in connection therewith. During the existence of an Event of Default, at the election of the Administrative Agent or the Required Lenders, no Loans may be requested as, converted to or continued as Eurocurrency Term Benchmark Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower Representative and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Term Benchmark Rate Loans upon determination of such interest rate. The Administrative Agent shall promptly upon the amount of any RFR Interest Payment becoming determinable notify (i) (such notification to be made no later than three applicable RFR Business Days prior to the due date for such RFR Interest Payment) the

Borrower Representative of the amount of that RFR Interest Payment; (ii) each relevant Lender of the proportion of that RFR Interest Payment which relates to that Lender's Pro Rata Share of the relevant RFR Loan; and (iii) the relevant Lenders and the Borrower Representative of each applicable rate of interest and the amount of interest for each day relating to the determination of that RFR Interest Payment (including a breakdown of such rate and amount of interest as between the Applicable Rate and the Daily Simple RFR for such date and any other information that the Borrower Representative may reasonably request in relation to the calculation of such rate and amount or the determination of that RFR Interest Payment). The determination of the Eurocurrency Term Benchmark Rate by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to another, and all continuations of Term Loans or Revolving Credit Loans of the same Type, there shall not be more than ten Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing, which for the avoidance of doubt does not limit such Lender's obligations under Section 2.17.

Section 2.03 Letters of Credit.

(a) The Letter of Credit Commitment. (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon (among other things) the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or an Alternative Currency for the account of the U.S. Borrower or any Restricted Subsidiary (provided that the U.S. Borrower hereby irrevocably agrees to reimburse the applicable L/C Issuer for amounts drawn on any Letters of Credit issued for the account of the U.S. Borrower or any Restricted Subsidiary on a joint and several basis with such Restricted Subsidiary and shall be a co-applicant for each such Letter of Credit issued for the account of a Restricted Subsidiary, but in no event shall the Canadian Borrower, any Controlled Non-U.S. Subsidiary, any FSHCO or any direct or indirect Subsidiary of a Controlled Non-U.S. Subsidiary be responsible for any amounts drawn on any Letters of Credit issued for the account of the U.S. Borrower or a U.S. Subsidiary) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(c), and (2) to honor drafts under the Letters of Credit; and (B) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued for the account of the U.S. Borrower or any Restricted Subsidiary; provided that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit, if as of the date of such L/C Credit Extension (w) the Total Revolving Credit Outstandings in respect of any Revolving Tranche would exceed such Revolving Tranche (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility, (y) the aggregate Pro Rata Share of the Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations would exceed such Lender's Revolving Credit Commitment or (z) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit; provided further that no L/C Issuer identified on Schedule 1.01(f) shall have any obligation to make a L/C Credit Extension if, after giving effect thereto, the L/C Obligations in respect of Letters of Credit issued by such L/C Issuer would exceed the amount set forth opposite such L/C Issuer's name on Schedule 1.01(f). Within the foregoing limits, and subject to the terms and conditions hereof, the U.S. Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the U.S. Borrower may, during the foregoing period, obtain

Letters of Credit to replace Letters of Credit that have expired or been terminated or that have been drawn upon and reimbursed. All Letters of Credit shall be denominated in Dollars or an Alternative Currency; provided that each L/C Issuer's obligation to issue Letters of Credit in any Alternative Currency shall be subject to the currency limitations set forth on Schedule 1.01(f). Notwithstanding anything to the contrary herein, none of Jefferies Finance LLC, Nomura Corporate Funding Americas, LLC or any of their respective Affiliates shall be required to issue any Letter of Credit in any Alternative Currency.

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit (and, in the case of clause (B) and (C) unless the applicable requisite consents specified therein have been obtained, no L/C Issuer shall issue any Letter of Credit) if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which, in each case, such L/C Issuer in good faith deems material to it;

(B) subject to Section 2.03(c)(iii), the expiry date of such requested Letter of Credit would occur after the earlier of (x) three Business Days prior to the scheduled Maturity Date then in effect for the Revolving Credit Facility (or, if such day is not a Business Day, the next preceding Business Day) and (y) more than 12 months after the date of issuance or last renewal, unless the applicable L/C Issuer, in its sole discretion, have approved such expiry date.

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (i) all the Revolving Credit Lenders and the applicable L/C Issuer have approved such expiry date and/or (ii) the applicable L/C Issuer has approved such expiry date and such requested Letter of Credit has been Cash Collateralized by the applicant requesting such Letter of Credit in accordance with Section 2.16 at least three Business Days prior to the Letter of Credit Expiration Date;

(D) the issuance of such Letter of Credit would violate one or more generally applicable policies of such L/C Issuer in place at the time of such request;

(E) such Letter of Credit is in an initial stated amount of less than \$5,000 (or the equivalent Dollar Amount) or such lesser amount as is acceptable to the applicable L/C Issuer in its sole discretion;

(F) such Letter of Credit is denominated in a currency other than Dollars or an Alternative Currency;

(G) if the proceeds of any Letter of Credit would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or any dealing or investment in or with any country or territory that, at the time of such funding, is a Sanctioned Country, in each case, in violation of Sanctions Laws and Regulations or (ii) in any manner that would result in a violation of any Sanctions Laws and Regulations by any party to this Agreement;

(H) such L/C Issuer does not as of the issuance date of such requested Letter of Credit issue Letters of Credit in the requested currency; or

(I) any Revolving Credit Lender is at that time a Defaulting Lender, unless the applicable L/C Issuer has entered into arrangements, including reallocation of the Defaulting Lender's Pro Rata Share of the outstanding L/C Obligations pursuant to Section 2.17(a)(iv) or the delivery of Cash Collateral in accordance with Section 2.16 with the U.S. Borrower or such Lender to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has actual or potential Fronting Exposure under such Tranche.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) Each L/C Issuer shall act on behalf of the Revolving Credit Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included each L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to each L/C Issuer.

(b) The foregoing benefits and immunities shall not excuse any L/C Issuer from liability to the U.S. Borrower to the extent of any direct damages (as opposed to indirect, special, consequential, punitive or exemplary damages claims which are hereby waived by the U.S. Borrower to the extent permitted by applicable law) suffered by the U.S. Borrower that are caused by such L/C Issuer's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment.

(c) Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower Representative delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of an irrevocable Letter of Credit Application, including agreed-upon draft language for such Letter of Credit reasonably acceptable to the applicable L/C Issuer (it being understood that such draft language for each such Letter of Credit must be in English or, if agreed to in the sole discretion of the applicable L/C Issuer, accompanied by an English translation certified by the Borrower Representative to be a true and correct English translation), appropriately completed and signed by a Responsible Officer of the Borrower Representative. Such Letter of Credit Application must be received by the applicable L/C Issuer and the Administrative Agent not later than 2:00 p.m. (New York City time) at least five Business Days (or such shorter period as such L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably

satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day not later than 30 days prior to the Maturity Date of the Revolving Credit Facility, unless the Administrative Agent and the applicable L/C Issuer otherwise agree); (B) the amount thereof and the currency in which such Letter of Credit is to be denominated; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate or other documents to be presented by such beneficiary in case of any drawing thereunder; (G) the Person for whose account the requested Letter of Credit is to be issued (which must be a Borrower Party); and (H) such other matters as the applicable L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the applicable L/C Issuer may reasonably request.

(ii) Promptly following delivery of any Letter of Credit Application to the applicable L/C Issuer, the applicable L/C Issuer will confirm with the Administrative Agent that the Administrative Agent has received a copy of such Letter of Credit Application and, if the Administrative Agent has not received a copy of such Letter of Credit Application, then the applicable L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by such L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the U.S. Borrower or any Restricted Subsidiary (as designated in the Letter of Credit Application) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable L/C Issuer a risk participation in such Letter of Credit in an amount equal to such Lender's Pro Rata Share of the Revolving Credit Facility multiplied by the amount of such Letter of Credit.

(iii) If the Borrower Representative on behalf of the Borrower Party so requests in any applicable Letter of Credit Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic renewal provisions (each, an "Auto-Renewal Letter of Credit"); provided that any such Auto-Renewal Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, the Borrower Representative shall not be required to make a specific request to such L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Revolving Credit Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that such L/C Issuer shall not permit any such renewal if such L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise).

(iv) Promptly upon request thereof by the Borrower Representative or the Administrative Agent and after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also (A) deliver to the Borrower Representative, the Borrower Party and the Administrative Agent a true and complete copy of such Letter of Credit or amendment and (B) the Administrative Agent in turn will notify each Revolving Credit Lender of such issuance or amendment and the amount of such Revolving Credit Lender's Pro Rata Share therein.

(v) Notwithstanding anything to the contrary set forth above, the issuance of any Letters of Credit by any L/C Issuer under this Agreement shall be subject to such reasonable additional letter of credit issuance procedures and requirements as may be required by such L/C Issuer's internal letter of credit issuance policies and procedures, in its sole discretion, as in effect at the time of such issuance, including requirements with respect to the prior receipt by such L/C Issuer of customary "know your customer" information regarding a prospective account party or applicant that is not a Borrower hereunder, as well as regarding any beneficiaries of a requested Letter of Credit. Additionally, if (a) the beneficiary of a Letter of Credit issued hereunder is an issuer of a letter of credit not governed by this Agreement for the account of the U.S. Borrower or any Restricted Subsidiary (an "Other LC"), and (b) such Letter of Credit is issued to provide credit support for such Other LC, no amendments may be made to such Other LC without the consent of the applicable L/C Issuer hereunder.

(d) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any drawing under such Letter of Credit, the applicable L/C Issuer shall, within the period determined by applicable Law or rules specified in such Letter of Credit, examine drawing document(s). After such examination of drawing document(s), the applicable L/C Issuer shall notify the Borrower Representative of the date and the amount of a draft presented under any Letter of Credit and paid by such L/C Issuer. Each L/C Issuer shall notify the Borrower Representative of the date of any payment by such L/C Issuer under a Letter of Credit (each such date, an "Honor Date"), and the U.S. Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing no later than on the next succeeding Business Day (and any reimbursement made on such next Business Day shall be taken into account in computing interest and fees in respect of any such Letter of Credit) after the Borrower Representative shall have received notice of such payment with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed prior to 3:00 p.m. (New York time) in the case of drawings in Dollars or an Alternative Currency, in each case, on the applicable Honor Date, from and including the date paid or disbursed to but excluding the date such L/C Issuer was reimbursed by the U.S. Borrower therefor at a rate per annum equal to the Base Rate as in effect from time to time plus the Applicable Rate as in effect from time to time for Revolving Credit Loans that are maintained as Base Rate Loans. If the U.S. Borrower fails to so reimburse such L/C Issuer on such next Business Day, the L/C Issuer will notify the Administrative Agent thereof and the Administrative Agent shall promptly notify each Revolving Credit Lender under the applicable Revolving Tranche of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Revolving Credit Lender's Pro Rata Share thereof. In such event, in the case of an Unreimbursed Amount, the Borrower Representative shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans in Dollars or the applicable Alternative Currency, as applicable, to be disbursed on such date in an amount equal to, and denominated in the same currency as, the Unreimbursed Amount, in accordance with the requirements of Section 2.02 but without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, Term SOFR Rate Loans, Eurocurrency Rate Loans or RFR Loans, as the case may be, but subject to the amount of the unused portion of the Revolving Credit Commitments under such Revolving Tranche and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by a L/C Issuer or the Administrative Agent pursuant to this Section 2.03(d)(i) may be given by telephone if promptly confirmed in writing; provided that the lack of such a prompt confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender (including each Lender acting as a L/C Issuer) under the applicable Revolving Tranche shall upon any notice pursuant to Section 2.03(d)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable L/C Issuer, at the Administrative Agent's Office in an amount equal to, and in Dollars, its applicable Pro Rata Share of the Unreimbursed Amount not later than 3:00 p.m. (New York Time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(d)(iii), each Revolving Credit Lender under such Revolving Tranche that so makes funds available shall be deemed to have made a Base Rate Revolving Credit Loan under such Revolving Tranche to the U.S. Borrower in such amount. The Administrative Agent shall promptly remit the funds so received to the applicable L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied (other than the condition in Section 4.02(c), which shall be deemed to be satisfied) or for any other reason, the U.S. Borrower shall be deemed to have incurred from the applicable L/C Issuer a L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate then applicable to Base Rate Revolving Credit Loans. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the applicable L/C Issuer pursuant to Section 2.03(d)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute a L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender under the applicable Revolving Tranche funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(d) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's applicable Pro Rata Share of such amount shall be solely for the account of such L/C Issuer.

(v) Each applicable Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(d), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such L/C Issuer, the U.S. Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(d) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower Representative of a Committed Loan Notice). No such making of a L/C Advance shall relieve or otherwise impair the obligation of the U.S. Borrower to reimburse the applicable L/C Issuer for the amount of any payment made by the applicable L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(d) by the time specified in Section 2.03(d)(ii), then, without limiting the other provisions of this Agreement, such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the Federal Funds Rate from time to time in effect and a rate reasonably determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender

pays such principal amount, the amount so paid (less interest and fees) shall constitute such Lender's Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the applicable L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(d)(vi) shall be conclusive absent manifest error.

(e) Repayment of Participations.

(i) If, at any time after a L/C Issuer has made a payment under any Letter of Credit issued by it and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(d), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the U.S. Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its applicable Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of a L/C Issuer pursuant to Section 2.03(d)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its applicable Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(f) Obligations Absolute. The obligation of the U.S. Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the U.S. Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the applicable L/C Issuer under such Letter of Credit against presentation of a draft, certificate or other drawing document that does not comply with the terms of such Letter of Credit; or any payment made by the applicable L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, administrator, administrative receiver, judicial manager, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of the U.S. Borrower in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a legal or equitable discharge of, or provide a right of setoff against the U.S. Borrower's obligations hereunder.

The Borrower Representative shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to them and, in the event of any claim of noncompliance with the instructions of the Borrower Representative or other irregularity, the Borrower Representative will promptly notify the applicable L/C Issuer. The Borrower Representative shall be conclusively deemed to have waived any such claim against any L/C Issuer and its correspondents unless such notice is given as aforesaid.

(g) Role of L/C Issuer. Each Lender and the U.S. Borrower agree that, in paying any drawing under a Letter of Credit, the applicable L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and other documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the applicable L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of the applicable L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Credit Lenders or the Required Revolving Lenders, as applicable; (ii) any action taken or omitted in the absence of bad faith, gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The U.S. Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the U.S. Borrower from pursuing such rights and remedies as they may have against the beneficiary or transferee at Law or under any other agreement. None of the applicable L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of such L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(f); provided, however, that anything in such clauses to the contrary notwithstanding, the U.S. Borrower may have a claim against such L/C Issuer, and such L/C Issuer may be liable to the U.S. Borrower, to the extent, but only to the extent, of any direct, as opposed to indirect, special, punitive, consequential or exemplary, damages suffered by the U.S. Borrower which a court of competent jurisdiction determines in a final non-appealable judgment were caused by such L/C Issuer's bad faith, willful misconduct or gross negligence. In furtherance and not in limitation of the foregoing, the applicable L/C Issuer may, in its sole discretion, either accept documents that appear on their face to be in order and make payment upon such documents, without responsibility for further investigation, regardless of any notice or information to the contrary, and such L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(h) Letter of Credit Fees. The U.S. Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its applicable Pro Rata Share, a Letter of Credit fee in Dollars which shall accrue for each Letter of Credit on the Dollar Amount thereof in an amount equal to the Applicable Rate then in effect for ~~Eurocurrency~~ Term Benchmark Rate Loans with respect to the Revolving Credit Facility multiplied by the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases automatically pursuant to the terms of such Letter of Credit); provided, however, that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Revolving Credit Lenders in accordance with the upward adjustments in their respective applicable Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(a)(iv), with the balance of such fee, if any, payable to the applicable L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears and shall be due and payable on the last Business Day of each fiscal quarter, in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) Fronting Fee and Documentary and Processing Charges Payable to a L/C Issuer. The U.S. Borrower shall pay directly to the applicable L/C Issuer for its own account a fronting fee in Dollars equal to 0.125% of the maximum daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears and based on the Dollar Amount thereof. Such fronting fee shall be due and payable on the last Business Day of each fiscal quarter beginning with the last Business Day of the first full fiscal quarter to end after the Closing Date in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the maximum daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. In addition, the U.S. Borrower shall pay directly to the applicable L/C Issuer for its own account the customary issuance, presentation, administration, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within five Business Days of demand and are nonrefundable.

(j) Conflict with Letter of Credit Application. In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) Reporting. To the extent that any Letters of Credit are issued by a L/C Issuer other than the Administrative Agent, each such L/C Issuer shall furnish to the Administrative Agent a report detailing the L/C Obligations outstanding under all Letters of Credit issued by it, such report to be in a form and at reporting intervals as shall be agreed between the Administrative Agent and such L/C Issuer; provided that in no event shall such reports be furnished at intervals less than 31 days (and in no event shall any such report be provided earlier than the fifth Business Day after the end of any calendar month in respect of a calendar month period).

(l) Provisions Related to Extended Revolving Credit Commitments. If the Maturity Date in respect of any Tranche of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other Tranches of Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to this Section 2.03) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Tranches up to an aggregate amount not to exceed the aggregate principal amount of the unused Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and to the extent any Letters of Credit are not able to be reallocated pursuant to this clause (l) and there are outstanding Revolving Credit Loans under the non-terminating Tranches, the U.S. Borrower agrees to repay all such Revolving Credit Loans (or such lesser amount as is necessary to reallocate all Letters of Credit pursuant to this clause (l)) or (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the U.S. Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.16 but only up to the amount of such Letter of Credit not so reallocated. Except to the extent of reallocations of participations pursuant to clause (i) of the immediately preceding sentence, the occurrence of a Maturity Date with respect to a given tranche of Revolving Credit Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Revolving Credit Lenders in any Letter of Credit issued before such Maturity Date.

(m) Letters of Credit Issued for Account of Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Restricted Subsidiary, or states that a Restricted Subsidiary is the “account party,” “applicant,” “customer,” “instructing party,” or the like of or for such Letter of Credit, and without derogating from any rights of the applicable L/C Issuer (whether arising by contract, at law, in equity or otherwise) against such Restricted Subsidiary in respect of such Letter of Credit, the U.S. Borrower (i) shall reimburse, indemnify and compensate the applicable L/C Issuer hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the U.S. Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Restricted Subsidiary in respect of such Letter of Credit. The U.S. Borrower hereby acknowledges that the issuance of such Letters of Credit for its Restricted Subsidiaries inures to the benefit of the U.S. Borrower, and that the U.S. Borrower’s business derives substantial benefits from the businesses of such Restricted Subsidiaries.

(n) Applicability of ISP and UCP. Unless otherwise expressly agreed in writing by the applicable L/C Issuer and the Borrower Representative when a Letter of Credit is issued by such L/C Issuer, (i) the rules of the ISP shall apply to each standby Letter of Credit and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, no L/C Issuer shall be responsible to the U.S. Borrower for, and such L/C Issuer’s rights and remedies against the U.S. Borrower shall not be impaired by, any action or inaction of such L/C Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Laws or any order of a jurisdiction where such L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the International Chamber of Commerce Banking Commission, the Bankers Association for Finance and Trade (BAFT), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such laws or practice rules.

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(a) Optional.

(i) Any Borrower may, upon notice by the Borrower Representative substantially in the form of Exhibit J to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty except as set forth in Section 2.05(a)(iii) or Section 2.05(a)(iv) below; provided that (1) such notice must be received by the Administrative Agent not later than (A) 12:00 p.m. (New York City time) three Business Days prior to any date of prepayment of Eurocurrency Term Benchmark Rate Loan, (B) 2:00 p.m. (London time) four Business Days prior to any date of prepayment of RFR Loans and (C) 11:00 a.m. (New York City time) on the date of prepayment of Base Rate Loans (or such shorter period as the Administrative Agent shall agree); (2) any prepayment of Eurocurrency Term Benchmark Rate Loans or RFR Loans shall be (x) in a principal amount of \$3,000,000 (or the equivalent Dollar Amount), or (y) a whole multiple of \$1,000,000 (or the equivalent Dollar Amount) in excess thereof; and (3) any prepayment of Base Rate Loans shall be (x) in a principal amount of \$1,000,000 (or the equivalent Dollar Amount), or (y) a whole multiple of \$500,000 (or the equivalent Dollar Amount) in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment, the Tranche of Loans to be prepaid, the Type(s) of Loans to be prepaid and, if Eurocurrency Term Benchmark Rate Loans or RFR Loans are to be prepaid, the Interest Period(s) of such Loans (except that if the class of Loans to be prepaid includes both Base Rate Loans and Eurocurrency Term Benchmark Rate Loans or RFR Loans, absent direction by the Borrower Representative, the applicable prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurocurrency Term Benchmark Rate Loans or RFR Loans, as applicable, in each case in a manner that minimizes the amount payable by the applicable Borrower in respect of such prepayment pursuant to Section 3.06). The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's ratable share of the relevant Facility). If such notice is given by the Borrower Representative, subject to clause (ii) below, the applicable Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Term Benchmark Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 2.05(a)(iii), Section 2.05(a)(iv) and Section 3.06. Each prepayment of the principal of, and interest on, any Revolving Credit Loans denominated in an Alternative Currency, shall be made in the relevant Alternative Currency. Subject to Section 2.17, each prepayment of outstanding Term Loan Tranches pursuant to this Section 2.05(a) shall be applied to the Term Loan Tranche or Term Loan Tranches designated on such notice on a pro rata basis within such Term Loan Tranche. Subject to Section 2.17, each prepayment of an outstanding Term Loan Tranche pursuant to this Section 2.05(a) shall be applied to the remaining amortization payments of such Term Loan Tranche as directed by the Borrower Representative (or, if the Borrower Representative has not made such designation, in direct order of maturity), but, in any event, on a pro rata basis to the Lenders within such Term Loan Tranche.

(ii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment under Section 2.05(a)(i) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked or extended by the Borrower Representative (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(iii) If any Borrower (A) makes a voluntary prepayment of any Initial Term Loans pursuant to this Section 2.05(a) resulting in a Repricing Event, (B) effects an amendment with respect to Initial Term Loans resulting in a Repricing Event or (C) makes a prepayment of any Initial Term Loans pursuant to Section 2.05(b)(iii) resulting in a Repricing Event, in each case prior to the six-month

anniversary of the First Amendment Effective Date, such Borrower shall pay to the Administrative Agent, for the ratable account of the applicable Term Lenders, a prepayment premium in an amount equal to 1.00% of the principal amount prepaid (or in the case of clause (B), a prepayment premium in an amount equal to 1.00% of the principal amount of affected Term Loans held by Term Lenders not consenting to such amendment).

(iv) Notwithstanding anything to the contrary contained in this Agreement, if the U.S. Borrower (A) makes a voluntary prepayment of any 2021 Term Loans pursuant to this Section 2.05(a) or (B) makes a prepayment of any 2021 Term Loans pursuant to Section 2.05(b)(iii), the U.S. Borrower shall pay to the Administrative Agent, for the ratable account of the applicable 2021 Term Lenders, (x) if such prepayment is made on or prior to the first anniversary of the Second Amendment Effective Date, a prepayment premium in an amount equal to 2.00% of the principal amount of 2021 Term Loans prepaid, or (y) if such prepayment is made on or prior to the second anniversary of the Second Amendment Effective Date but after the first anniversary of the Second Amendment Effective Date, a prepayment premium in an amount equal to 1.00% of the principal amount of 2021 Term Loans prepaid (the "2021 Term Loan Prepayment Premium"); provided no 2021 Term Loan Prepayment Premium will be required after the second anniversary of the Second Amendment Effective Date.

(b) Mandatory.

(i) For any Excess Cash Flow Period, within ten Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a) (or, if later, the date on which such financial statements and such Compliance Certificate are required to be delivered), the Borrowers shall prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the proviso below) of Excess Cash Flow for such Excess Cash Flow Period, *minus* (B) the sum of:

(1) the aggregate amount of voluntary principal prepayments of the Loans or Indebtedness that is *pari passu* in right of payment and security with the Initial Term Loans, in each case, made during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the date immediately prior to the date on which the relevant Excess Cash Flow prepayment is or would be required to be made (including prepayments at a discount to par and open market purchases, with credit given for the actual amount of the cash payment and prepayments in connection with lender replacement provisions (including pursuant to Section 3.08)) (except prepayments of Loans under any Revolving Tranche or other revolving Indebtedness that is *pari passu* in right of payment and security with the Revolving Credit Commitments that are not accompanied by a corresponding permanent commitment reduction of the Revolving Tranches), in each case other than to the extent that any such prepayment is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(2) any amount not required to be applied to such prepayment pursuant to Section 2.05(b)(viii) or (ix),

(3) the portion of the Excess Cash Flow applied (to the extent any Borrower Party is required by the terms thereof) to prepay, repay or purchase Indebtedness that is *pari passu* in right of payment and security with the Initial Term Loans (to the extent the documentation governing such Indebtedness requires such a prepayment or repurchase thereof with Excess Cash Flow, in each case in an amount not to exceed the product of (x) the amount of Excess Cash Flow and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08) and the denominator of which is the aggregate outstanding principal amount of Term Loans and all such other Indebtedness), in each case other than to the extent that any such prepayment is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(4) the amount of capital expenditures made in cash by the Borrower Parties during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the last day of the applicable Excess Cash Flow Period (or, at the Borrower Representative's option, after the end of the relevant Excess Cash Flow Period but prior to the time such Excess Cash Flow payment is due; provided that to the extent the Borrower Representative exercises such option, such amount shall not be permitted as a reduction against the subsequent Excess Cash Flow Period calculation) and in each case other than to the extent that any such capital expenditures are funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(5) the aggregate amount of cash consideration paid by the Borrower Parties (on a consolidated basis) in connection with any Investments (including, without limitation, any acquisitions and acquisitions of intellectual property) during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the last day of the applicable Excess Cash Flow Period (or, at the U.S. Borrower's option, after the end of the relevant Excess Cash Flow Period but prior to the time such Excess Cash Flow payment is due; provided that to the extent the U.S. Borrower exercises such option, such amount shall not be permitted as a reduction against the subsequent Excess Cash Flow Period calculation) and in each case other than to the extent that any such cash consideration is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(6) at the Borrower Representative's election, without duplication of amounts deducted from Excess Cash Flow pursuant to this Section 2.05(b)(i)(B)(6) in respect of prior fiscal years, the aggregate consideration required to be paid in cash by the Borrower Parties pursuant to binding contracts (the "Contract Consideration") entered into prior to or during such fiscal year relating to Investments (including, without limitation, any acquisitions and acquisitions of intellectual property) or made pursuant to Section 7.05 or capital expenditures to be consummated or made during the period of four consecutive fiscal quarters of the U.S. Borrower following the end of such fiscal year, provided that to the extent the aggregate amount of cash actually utilized to finance such Investments and capital expenditures during such period of four consecutive fiscal quarters is less than the Contract Consideration, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive fiscal quarters;

provided that such percentage in respect of any Excess Cash Flow Period shall be reduced to 25% or 0% if the Consolidated First Lien Net Leverage Ratio as of the last day of the fiscal year to which such Excess Cash Flow Period relates was equal to or less than 4.50:1.00 or 4.00:1.00, respectively (the amount described in this clause (i), the "ECF Prepayment Amount"); provided further that no prepayment shall be required with respect to any Excess Cash Flow Period unless the ECF Prepayment Amount exceeds the greater of \$50,000,000 and 11.25% of Four Quarter Consolidated EBITDA, and in such case, the ECF Prepayment Amount shall be the amount in excess thereof; provided further that, if the Consolidated First Lien Net Leverage Ratio on a Pro Forma Basis after giving effect to any Excess Cash Flow prepayment would result in the percentage in respect of the applicable Excess Cash Flow Period being reduced to 25% or 0%, then such reduced percentage applicable to the Excess Cash Flow prepayment required to be made shall apply.

(ii) If any Asset Sale or Casualty Event (or series of related Asset Sales or Casualty Events) results in the receipt by any Borrower Party of aggregate Net Cash Proceeds in excess of the greater of \$50,000,000 and 11.25% of Four Quarter Consolidated EBITDA (“Relevant Transaction”), then, except to the extent the Borrower Representative elects in a written notice to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 7.04, the Borrowers shall prepay, subject to Section 2.05(b)(viii), an aggregate principal amount of Term Loans in an amount equal to 100% (as may be adjusted pursuant to the second proviso below) of the Net Cash Proceeds received from such Relevant Transaction within 15 Business Days of receipt thereof (or within 15 Business Days after the later of the date the threshold referred to above is first exceeded and the date the relevant Net Cash Proceeds are received) by the Borrower Parties; provided that the Borrowers may use a portion of the Net Cash Proceeds received from such Relevant Transaction to prepay or repurchase any other Indebtedness that is pari passu in right of payment and security with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Relevant Transaction, to the extent not deducted in the calculation of Net Cash Proceeds, in each case in an amount not to exceed the product of (1) the amount of such Net Cash Proceeds and (2) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08) and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Article I); provided further that, so long as no Event of Default shall have occurred and be continuing or would result therefrom, such prepayment percentage shall be reduced from 100% to 50% or 0% if, on a Pro Forma Basis after giving effect to such Asset Sale or Casualty Event, as the case may be, and the use of proceeds therefrom, the Consolidated First Lien Net Leverage Ratio would be equal to or less than 4.50:1.00 or 4.00:1.00, respectively (any Net Cash Proceeds in respect of any such Asset Sale or Casualty Event not required to be applied in accordance with this Section 2.05(b) as a result of the application of this proviso shall collectively constitute “Leverage Excess Proceeds”); provided further that only the amount of Net Cash Proceeds in excess of the greater of \$50,000,000 and 11.25% of Four Quarter Consolidated EBITDA for any Asset Sale or Casualty Event (or series of related Asset Sales or Casualty Events) shall be subject to prepayment pursuant to this Section 2.05(b)(ii) and, in such case, the required prepayment shall be only the amount in excess thereof.

(iii) Upon the incurrence or issuance by any Borrower Party of any Refinancing Notes, any Specified Refinancing Term Loans or any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.01, the Borrowers shall prepay an aggregate principal amount of Term Loan Tranches in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by such Borrower Party.

(iv) Upon the incurrence by any Borrower Party of any Specified Refinancing Debt constituting revolving credit facilities, the Borrowers shall prepay an aggregate principal amount of Revolving Credit Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by such Borrower Party.

(v) If for any reason the sum of the Total Revolving Credit Outstandings or the sum of outstanding Specified Refinancing Revolving Loans at any time exceed the sum of the applicable Revolving Tranche in respect thereof (including after giving effect to any reduction in the Revolving Credit Commitments pursuant to Section 2.06), the U.S. Borrower shall immediately prepay the Loans under the applicable Revolving Tranche and/or Cash Collateralize the L/C Obligations related thereto in an aggregate amount equal to such excess; provided, however, that the U.S. Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Loans under the applicable Revolving Tranche the sum of the Total Revolving Credit Outstandings or the outstanding Specified Refinancing Revolving Loans, as the case may be, exceed the aggregate Revolving Credit Commitments or the commitments to make Specified Refinancing Revolving Loans, as the case may be, then in effect.

(vi) Subject to Section 2.17, the aggregate amount of any prepayment of Term Loans that is required pursuant to this Section 2.05(b) shall be made to each Term Loan Tranche on a pro rata basis (or, if agreed to in writing by the Majority Lenders of a Term Loan Tranche, in a manner that provides for more favorable prepayment treatment of other Term Loan Tranches, so long as each other such Term Loan Tranche receives its Pro Rata Share of any amount to be applied more favorably, except to the extent otherwise agreed by the Majority Lenders of each Term Loan Tranche receiving less than such Pro Rata Share) (other than a prepayment of (x) Term Loans or Revolving Credit Loans, as applicable, with the proceeds of Indebtedness incurred pursuant to Section 2.18, which shall be applied to the Term Loan Tranche or Revolving Tranche, as applicable, being refinanced pursuant thereto or (y) Term Loans with the proceeds of any Refinancing Notes issued to the extent permitted under Section 7.01(a), which shall be applied to the Term Loan Tranche being refinanced pursuant thereto). Amounts to be applied to a Term Loan Tranche in connection with prepayments made pursuant to this Section 2.05(b) shall be applied to interest on each such Term Loan Tranche on a pro rata basis that is accrued and payable at such time and thereafter to the remaining scheduled installments with respect to such Term Loan Tranche in direct order of maturity. Each prepayment of Term Loans under a particular Tranche of a Facility pursuant to this Section 2.05(b) shall be applied on a pro rata basis to the then outstanding Base Rate Loans and Eurocurrency Term SOFR Rate Loans under such Tranche; provided that, if there are no Declining Lenders with respect to such prepayment, then the amount thereof shall be applied first to Base Rate Loans under such Tranche to the full extent thereof before application to Eurocurrency Term SOFR Rate Loans, in each case in a manner that minimizes the amount payable by the applicable Borrower in respect of such prepayment pursuant to Section 3.06.

(vii) All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurocurrency Term Benchmark Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Term Benchmark Rate Loan pursuant to Section 3.06 and, to the extent applicable, any additional amounts required pursuant to Section 2.05(a)(iii) or Section 2.05(a)(iv). Notwithstanding any of the other provisions of this Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Term Benchmark Rate Loans is required to be made under this Section 2.05(b), other than on the last day of the Interest Period therefor, the applicable Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower Representative or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b) (it being agreed, for clarity, that interest shall continue to accrue on the Loans so prepaid until the amount so deposited is actually applied to prepay such Loans). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower Representative or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(viii) Notwithstanding any other provisions of this Section 2.05, to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Non-U.S. Subsidiary (or a U.S. Subsidiary of a Non-U.S. Subsidiary) (a "Foreign Disposition") or the Net Cash Proceeds of any Casualty Event from a Non-U.S. Subsidiary (or a U.S. Subsidiary of a Non-U.S. Subsidiary) (a "Foreign Casualty Event"), in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) are or is prohibited, restricted or delayed by applicable local law, rule or regulation (including, without limitation, financial assistance and corporate benefit restrictions and fiduciary and statutory duties of any director or officer of such Subsidiaries) from

being repatriated to the applicable Borrower or so prepaid or such repatriation or prepayment would present a material risk of liability for the applicable Subsidiary or its directors or officers (or gives rise to a material risk of breach of fiduciary or statutory duties by any director or officer), the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Non-U.S. Subsidiary.

(ix) Notwithstanding any other provisions of this Section 2.05, to the extent that the U.S. Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition or any Foreign Casualty Event, in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i), would result in adverse tax consequences, the Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Non-U.S. Subsidiary.

(x) the U.S. Borrower shall not be required to monitor any Payment Block and/or reserve cash for future repatriation after the Borrower Representative has notified the Administrative Agent of the existence of such Payment Block.

(c) Term Lender Opt-Out. With respect to any mandatory prepayment of Initial Term Loans, 2021 Term Loans and, unless otherwise specified in the documents therefor, other Term Loan Tranches, pursuant to Section 2.05(b)(i) or (ii), any Appropriate Lender, at its option (but solely to the extent the Borrower Representative elects for this clause (c) to be applicable to a given prepayment, other than in connection with any Refinancing Notes or any Specified Refinancing Term Loans), may elect not to accept such prepayment as provided below. The Borrower Representative may notify the Administrative Agent of any event giving rise to a prepayment under Section 2.05(b)(i) or (ii) at least ten Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under Section 2.05(b)(i) or (ii) (the "Prepayment Amount"). The Administrative Agent will promptly notify each Appropriate Lender of the contents of any such prepayment notice so received from the Borrower Representative, including the date on which such prepayment is to be made (the "Prepayment Date"). Any Appropriate Lender may (but solely to the extent the Borrower Representative elects for this clause (c) to be applicable to a given prepayment) decline to accept all (but not less than all) of its share of any such prepayment (any such Lender, a "Declining Lender") by providing written notice to the Administrative Agent no later than five Business Days after the date of such Appropriate Lender's receipt of notice from the Administrative Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Administrative Agent on or prior to such fifth Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Administrative Agent by the Borrowers and applied by the Administrative Agent ratably to prepay Term Loans under the Term Loan Tranches owing to Appropriate Lenders (other than Declining Lenders) in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Term Loans, New Term Loans or Specified Refinancing Term Loans owing to Declining Lenders shall be applied in accordance with the ABL Intercreditor Agreement and, if not otherwise required to be prepaid, retained by the Borrowers (such amounts, "Retained Declined Proceeds").

(d) All Loans shall be repaid, whether pursuant to this Section 2.05 or otherwise, in the currency in which they were made.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. Any Borrower may, upon written notice by the Borrower Representative to the Administrative Agent, terminate the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Tranche, or from time to time permanently reduce the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Tranche; provided that (i) any such notice shall be received by the Administrative Agent three Business Days (or such shorter period as the Administrative Agent shall agree) prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$500,000 (or the equivalent Dollar Amount) or any whole multiple of \$100,000 (or the equivalent Dollar Amount) in excess thereof and (iii) no Borrower shall terminate or reduce (A) the Commitments under any Tranche of the Revolving Credit Facility if, after giving effect thereto and to any concurrent prepayments hereunder, (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility or (y) the Total Revolving Credit Outstandings with respect to such Tranche would exceed the Revolving Credit Commitments under such Tranche or (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit. Any such notice of termination or reduction of commitments pursuant to this Section 2.06(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower Representative (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, (i) upon termination of the Aggregate Commitments and payment in full of all Obligations in cash and in immediately available funds (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration without any pending drawing or termination of all Letters of Credit (other than Letters of Credit that have been Cash Collateralized or as to which arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made), this Agreement shall automatically terminate and the Administrative Agent shall comply with Section 9.01(c) and Section 9.11.

(b) Mandatory.

(i) The Aggregate Commitments under a Term Loan Tranche shall be automatically and permanently reduced to zero on the date of the initial incurrence of Term Loans under such Term Loan Tranche, which in the case of the Initial Term Commitments shall be the Closing Date and in the case of the 2021 Term Commitments shall be the Second Amendment Effective Date.

(ii) Upon the incurrence by any Borrower Party of any Specified Refinancing Debt constituting revolving credit facilities, the Revolving Credit Commitments of the Lenders under the Tranche of Revolving Credit Loans being refinanced shall be automatically and permanently reduced on a ratable basis by an amount equal to 100% of the Commitments under such revolving credit facilities.

(iii) If after giving effect to any reduction or termination of Revolving Credit Commitments under this Section 2.06, the Letter of Credit Sublimit exceeds the amount of the Revolving Credit Facility at such time, the Letter of Credit Sublimit shall be automatically reduced by the amount of such excess.

(iv) The aggregate Revolving Credit Commitments with respect to any Tranche of the Revolving Credit Facility shall automatically and permanently be reduced to zero on the Maturity Date with respect to such Tranche of the Revolving Credit Facility.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the applicable Lenders of the applicable Facility of any termination or reduction of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit or the Revolving Credit Commitment under this Section 2.06. Upon any reduction of Commitments under a Facility or a Tranche thereof, the Commitment of each Lender under such Facility or Tranche thereof shall be reduced by such Lender's ratable share of the amount by which such Facility or Tranche thereof is reduced (other than the termination of the Commitment of any Lender as provided in Section 3.08). All facility fees accrued until the effective date of any termination of the Aggregate Commitments and unpaid, shall be paid on the effective date of such termination. For the avoidance of doubt, to the extent that any portion of the Revolving Credit Loans have been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, any prepayments of revolving Loans made pursuant to this Section 2.06 (other than any prepayments of revolving Loans made pursuant to Section 2.06(b)(ii)) shall be allocated ratably among the Revolving Tranches.

Section 2.07 Repayment of Loans.

(a) Initial Term B-1 Loans. The U.S. Borrower shall repay to the Administrative Agent for the ratable account of the applicable Term B-1 Lenders the aggregate principal amount of all Initial Term B-1 Loans outstanding in consecutive quarterly installments as follows (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Sections 2.05 and 2.06, or be increased as a result of any increase in the amount of Initial Term B-1 Loans pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth below for the Initial Term B-1 Loans made as of the Closing Date)):

<u>Date</u>	<u>Amount</u>
The last Business Day of the fiscal quarter ending on December 31, 2019	0.25% of the aggregate principal amount of the Initial Term B-1 Loans on the Closing Date
The last Business Day of each fiscal quarter ending prior to the Maturity Date for the Term B-1 Facility starting with the fiscal quarter ending on March 31, 2020	0.2506265664% of the aggregate principal amount of the Initial Term B-1 Loans on the First Amendment Effective Date
Maturity Date for the Term B-1 Facility	All unpaid aggregate principal amounts of any outstanding Initial Term B-1 Loans

provided, however, that (i) if the date scheduled for any principal repayment installment is not a Business Day, such principal repayment installment shall be repaid on the next preceding Business Day, and (ii) the final principal repayment installment of the Initial Term B-1 Loans shall be repaid on the Maturity Date for the Initial Term B-1 Loans and in any event shall be in an amount equal to the aggregate principal amount of all Initial Term B-1 Loans outstanding on such date.

(b) Initial Term B-2 Loans. The Canadian Borrower shall repay to the Administrative Agent for the ratable account of the applicable Term B-2 Lenders the aggregate principal amount of all Initial Term B-2 Loans outstanding in consecutive quarterly installments as follows (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Sections 2.05 and 2.06, or be increased as a result of any increase in the amount of Initial Term B-2 Loans pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth below for the Initial Term B-2 Loans made as of the Closing Date)):

<u>Date</u>	<u>Amount</u>
The last Business Day of the fiscal quarter ending on December 31, 2019	0.25% of the aggregate principal amount of the Initial Term B-2 Loans on the Closing Date
The last Business Day of each fiscal quarter ending prior to the Maturity Date for the Term B-2 Facility starting with the fiscal quarter ending on March 31, 2020	0.2506265664% of the aggregate principal amount of the Initial Term B-2 Loans on the First Amendment Effective Date
Maturity Date for the Term B-2 Facility	All unpaid aggregate principal amounts of any outstanding Initial Term B-2 Loans

provided, however, that (i) if the date scheduled for any principal repayment installment is not a Business Day, such principal repayment installment shall be repaid on the next preceding Business Day, and (ii) the final principal repayment installment of the Initial Term B-2 Loans shall be repaid on the Maturity Date for the Initial Term B-2 Loans and in any event shall be in an amount equal to the aggregate principal amount of all Initial Term B-2 Loans outstanding on such date.

(c) 2021 Term Loans. The U.S. Borrower shall repay to the Administrative Agent for the ratable account of the 2021 Term Lenders on the Maturity Date for the 2021 Term Loans the aggregate principal amount of all 2021 Term Loans outstanding on such date.

(d) Revolving Credit Loans. The U.S. Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the applicable Maturity Date for the Revolving Credit Facilities of a given Tranche the aggregate principal amount of all of its Revolving Credit Loans of such Tranche outstanding on such date.

(e) All Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

Section 2.08 Interest.

(a) Subject to the provisions of the following sentence, (i) each Term SOFR Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Adjusted Term SOFR Rate for such Interest Period plus (B) the Applicable Rate for Term SOFR Rate Loans under such Facility; (ii) each Eurocurrency Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Adjusted Eurocurrency Rate for such Interest Period plus (B) the Applicable Rate for Eurocurrency Rate Loans under such Facility; (iii) each RFR Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Daily Simple RFR for each day within such Interest Period plus (B) the Applicable Rate for RFR Loans under such Facility; and (iv) each Base Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof from the applicable borrowing date or conversion date, as the case may be, at a rate per annum equal to the sum of (A) the Base Rate plus (B) the Applicable Rate for Base Rate Loans under such Facility. During the continuance of an Event of Default under Section 8.01(a), (f) or (g), the applicable Borrower shall pay interest on all overdue Obligations hereunder, which shall include all Obligations following an acceleration pursuant to Section 8.02 (including an automatic acceleration), at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(b) Accrued interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein; provided that in the event of any repayment or prepayment of any Loan (other than Revolving Credit Loans bearing interest based on the Base Rate that are repaid or prepaid without any corresponding termination or reduction of the Revolving Credit Commitments other than as set forth in Section 2.14(e)), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(c) Interest on each Loan shall be payable in the currency in which each Loan was made.

(d) All computations of interest hereunder shall be made in accordance with Section 2.10 of this Agreement.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) Facility Fee. The U.S. Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Pro Rata Share of each Tranche of the Revolving Credit Facility, a facility fee equal to the Applicable Facility Fee multiplied by the actual daily amount of the aggregate Revolving Credit Commitments under such Tranche (whether used or unused), subject to adjustment as provided in Section 2.17. The facility fee shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Credit Facility, and shall be due and payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing with the last Business Day of the first full fiscal quarter to end following the Closing Date, and on the Maturity Date for the Revolving Credit Facility (provided that, if any Revolving Credit Loans under such Tranche or any L/C Obligations under such Tranche remain outstanding following the Maturity Date for the Revolving Credit Facility or the date on which the aggregate Revolving Credit Commitments under such Tranche shall expire or be terminated, the facility fee with respect to such Revolving Credit Loans and such L/C Obligations shall continue to accrue for so long as such Revolving Credit Loans and such L/C Obligations remain outstanding and shall be due and payable on demand). For the avoidance of doubt, the facility fee payable hereunder shall accrue and be payable in Dollars.

(b) Other Fees and Closing Payments. The applicable Borrower shall pay to the Lenders, the Arrangers, the Initial Principal Investors, the Administrative Agent and the Collateral Agent such fees and closing payments as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.10 Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate.

(a) All computations of interest for Base Rate Loans based on clause (b) in the definition of "Base Rate" and all computations of interest for RFR Loans shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year) or, in the case of interest in respect of Loans denominated in Alternative Currencies as to which generally accepted market practice differs from the foregoing, in accordance with such generally accepted market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is

repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error. The Administrative Agent shall, at the request of the Borrower Representative, deliver to the Borrower Representative a statement showing the quotations used by the Administrative Agent in determining any interest rate hereunder.

(b) If, as a result of any restatement of or other adjustment to the financial statements of the U.S. Borrower or for any other reason, the U.S. Borrower or the Lenders determine that (i) the Consolidated First Lien Net Leverage Ratio as calculated by the U.S. Borrower as of any applicable date was inaccurate and (ii) a proper calculation of such ratio would have resulted in higher interest and/or fees for any period, the U.S. Borrower shall be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the U.S. Borrower under the Bankruptcy Code of the United States, automatically and with any such demand by the Administrative Agent being excused), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This clause shall not limit the rights of the Administrative Agent, any Lender or the applicable L/C Issuer, as the case may be, under Section 2.03(d)(iii), Section 2.03(h) or (i), Section 2.08(b) or under Article VIII. Except in any case where a demand is excused as provided above, any additional interest and fees under this Section 2.10(b) shall not be due and payable until a demand is made for such payment by the Administrative Agent and accordingly, any nonpayment of such interest and fees as result of any such inaccuracy shall not constitute a Default (whether retroactively or otherwise), and none of such additional amounts shall be deemed overdue or accrue interest at the Default Rate, in each case at any time prior to the date that is five Business Days following such demand.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of United States Treasury Regulations Section 5f.103-1(c) and Proposed United States Treasury Regulations Section 1.163-5(b) (or any amended or successor version), as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the written request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which execution and delivery the Administrative Agent shall record in the Register, which, to the extent consistent with the records in the Register, shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its accounts or records pursuant to Sections 2.11(a) and (b), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the applicable Borrower to, in the case of the Register, each Lender and, in the case of such accounts or records, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such accounts or records shall not limit the obligations of the applicable Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to payments in an Alternative Currency, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 3:00 p.m. (New York City time) on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in such Alternative Currency and in immediately available funds not later than the applicable time specified by the Administrative Agent on the dates specified herein. If, for any reason, any Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the equivalent Dollar Amount. The Administrative Agent will promptly distribute to each Lender its ratable share in respect of the relevant Facility or Tranche thereof (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 3:00 p.m. (New York City time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by any Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurocurrency Term Benchmark Rate Loans or RFR Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day. A L/C Issuer can elect to receive payments in respect of Letters of Credit in Dollars rather than in an Alternative Currency.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Term Benchmark Rate Loans or RFR Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 3:00 p.m. (New York City time) on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with and at the time required by Section 2.02(b) and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if any Lender does not in fact make its share of the applicable Borrowing available to the Administrative Agent, then such Lender and such Borrower severally agree to pay to the Administrative Agent forthwith on demand an amount equal to such applicable share in immediately available funds with interest thereon, for each day from and including the date such amount is made available to such Borrower by the

Administrative Agent to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by any Borrower, the interest rate applicable to Base Rate Loans under the applicable Facility. If both such Borrower and such Lender pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid (less interest and fees) shall constitute such Lender's Loan included in such Borrowing. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make its share of any Borrowing available to the Administrative Agent.

(ii) Payments by the Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or a L/C Issuer hereunder that any Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if such Borrower do not in fact make such payment, then each of the Appropriate Lenders or the applicable L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

A notice of the Administrative Agent to any Lender or the Borrower Representative with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Loan or to fund any such participation or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or, to fund its participation or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's ratable share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. Each Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section shall not be construed to apply to (A) the application of Cash Collateral provided for in Section 2.16, (B) the assignments and participations (including by means of a Dutch Auction and open market debt repurchases) described in Section 10.07, (C) (i) the incurrence of any New Term Loans in accordance with Section 2.14, (ii) the prepayment of Revolving Credit Loans in accordance with Section 2.14(e) in connection with a Revolving Credit Commitment Increase or (iii) any Specified Refinancing Debt in accordance with Section 2.18, (D) any Extension described in Section 2.19, or (E) any applicable circumstances contemplated by Section 2.05(b), 2.14, 2.17 or 3.08.

Section 2.14 Incremental Facilities.

(a) The U.S. Borrower or the Canadian Borrower (in each case, together with any Co-Borrower) may, from time to time after the Closing Date, upon notice by the Borrower Representative to the Administrative Agent and the Person appointed by the Borrower Representative to arrange an incremental Facility (such Person (who may be (i) the Administrative Agent or (ii) any other Person appointed by the Borrower Representative after consultation with the Administrative Agent), the "Incremental Arranger") specifying the proposed Borrower (which shall be either the U.S. Borrower or the Canadian Borrower, and which may include a Co-Borrower), the proposed amount thereof and the proposed currency denomination thereof, request (i) an increase in the Commitments under any Revolving Tranche (which shall be on the same terms as, and become part of, the Revolving Tranche proposed to be increased) (each, a "Revolving Credit Commitment Increase"), (ii) an increase in any Term Loan Tranche then outstanding (which shall be on the same terms as, and become part of, the Term Loan Tranche proposed to be increased hereunder (except as otherwise provided in clause (d) below with respect to amortization)) (each, a "Term Commitment Increase"), (iii) the addition of one or more new revolving credit facilities to the Facilities, in each case, in such currency or currencies as the Borrower Representative identifies in such notice (each, a "New Revolving Facility" and, any advance made by a Lender thereunder, a "New Revolving Loan"; and the commitments thereof, the "New Revolving Commitment") and (iv) the addition of one or more new term loan facilities, in each case, in such currency or currencies as the Borrower Representative identifies in such notice (each, a "New Term Facility"; and any advance made by a Lender thereunder, a "New Term Loan"; and the commitments thereof, the "New Term Commitment" and together with the Revolving Credit Commitment Increase, the New Revolving Commitments and the Term Commitment Increase, the "New Loan Commitments") in an amount not to exceed the sum of (x) the greater of (A) \$446,000,000 and (B) 100% of Four Quarter Consolidated EBITDA (the "Cash-Capped Incremental Facility"), (y) an unlimited amount (the "Ratio-Based Incremental Facility") so long as the Maximum Leverage Requirement is satisfied and (z) an amount equal to (i) (A) all voluntary prepayments of *pari passu* Term Loans (including, for the avoidance of doubt, any New Term Loans that are *pari passu* in right of payment and security with the Initial Term Loans) made pursuant to Section 2.05(a) and (B) all repurchases of *pari passu* Term Loans (including, for the avoidance of doubt, any New Term Loans) made pursuant to the terms hereof in an amount equal to the actual amount of cash utilized for such repurchase and (ii) voluntary prepayments of Revolving Credit Loans (including, for the avoidance of doubt, any New Revolving Loans) made pursuant to Section 2.05(a) to the extent accompanied by a corresponding, permanent reduction in the Revolving Credit Commitments pursuant to Section 2.06(a), in each case, to the extent not funded with the proceeds of long term Indebtedness (excluding, for the avoidance of doubt, proceeds of any revolving credit facility (including the Revolving Credit Facility)) (the "Prepayment-Based Incremental Facility") (such sum, at any such time and subject to Section 1.02(i), the "Incremental Amount"); provided that any such request for an increase shall be in a minimum amount of the lesser of (x) \$5,000,000 or, in the case of any New Loan Commitments denominated in an Alternative Currency, the equivalent Dollar Amount, and (y) the entire amount of any increase that may be requested under this Section 2.14; provided, further, that for purposes of any New Loan Commitments established pursuant to this Section 2.14 and Incremental Equivalent Debt incurred pursuant to Section 2.15:

(A) At the applicable Borrower's option, the applicable Borrower shall be deemed to have used amounts under the Ratio-Based Incremental Facility (to the extent compliant therewith), prior to utilization of the Prepayment-Based Incremental Facility and the Cash-Capped Incremental Facility, and the applicable Borrower shall be deemed to have used the Prepayment-Based Incremental Facility prior to utilization of the Cash-Capped Incremental Facility,

(B) New Loan Commitments pursuant to this Section 2.14 and Incremental Equivalent Debt pursuant to Section 2.15 may be incurred under the Ratio-Based Incremental Facility (to the extent compliant therewith), the Cash-Capped Incremental Facility and the Prepayment-Based Incremental Facility, and proceeds from any such incurrence may be utilized in a single transaction or series of related transactions by, at the applicable Borrower's option, first calculating the incurrence under the Ratio-Based Incremental Facility (without inclusion of any amounts substantially concurrently utilized pursuant to the Cash-Capped Incremental Facility, the Prepayment-Based Incremental Facility or any amounts substantially concurrently incurred under Section 7.01 (other than any Ratio Debt incurred pursuant to Section 7.01 (including, without limitation, pursuant to clause (o) thereof)) and then calculating the incurrence under the Prepayment-Based Incremental Facility (without inclusion of any amounts utilized pursuant to the Cash-Capped Incremental Facility) and then calculating the incurrence under the Cash-Capped Incremental Facility,

(C) all or any portion of Indebtedness originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility shall automatically cease to be deemed incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and shall instead be deemed incurred under the Ratio-Based Incremental Facility from and after the first date on which the applicable Borrower would be permitted to incur all or such portion, as applicable, of the aggregate principal amount of such Indebtedness under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Cash-Capped Incremental Facility and/or the Prepayment-Based Incremental Facility, as applicable, by all or such portion, as applicable, of the aggregate principal amount of such Indebtedness); provided that, for the avoidance of doubt, any Indebtedness originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and subsequently deemed to be incurred under the Ratio-Based Incremental Facility pursuant to this clause (C) shall not be subject to the MFN Provision as a result of being deemed incurred under the Ratio-Based Incremental Facility; and

(D) solely for the purpose of calculating the Consolidated First Lien Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio or the Consolidated Total Net Leverage Ratio to determine the availability under the Ratio-Based Incremental Facility at the time of incurrence, any cash proceeds incurred pursuant to this Section 2.14 and/or Incremental Equivalent Debt being incurred at such test date in calculating such Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio shall be excluded for purposes of calculating Adjusted Cash or Cash Equivalents.

The applicable Borrower may designate any Incremental Arranger of any New Loan Commitments with such titles under the New Loan Commitments as such Borrower may deem appropriate.

(b) For the avoidance of doubt, the Borrowers will not be obligated to approach any Lender to participate in any New Loan Commitments. Any Lender approached to participate in any New Loan Commitments may elect or decline, in its sole discretion, to participate in such increase or new facility. The Borrowers may also invite additional Eligible Assignees reasonably satisfactory to the Incremental Arranger and, solely in connection with a Revolving Credit Commitment Increase or New Revolving Facility, with the consent of the Administrative Agent and each L/C Issuer (to the extent the consent of any of the foregoing would be required to assign Revolving Credit Loans to such Eligible Assignee, which consent shall not be unreasonably withheld, delayed or conditioned) to become Lenders pursuant to a joinder agreement to this Agreement. Neither the Administrative Agent nor the Collateral Agent (in their respective capacities as such) shall be required to execute, accept or acknowledge any joinder agreement pursuant to this Section 2.14 and such execution shall not be required for any such joinder agreement to be effective; provided that, with respect to any New Loan Commitments, the applicable Borrower must provide to the Administrative Agent the documentation providing for such New Loan Commitments.

(c) If (i) a Revolving Tranche or a Term Loan Tranche is increased in accordance with this Section 2.14 or (ii) a New Term Facility or New Revolving Facility is added in accordance with this Section 2.14, the Incremental Arranger and the applicable Borrower shall determine the effective date (the “Increase Effective Date”) and the final allocation of such increase, New Term Facility or New Revolving Facility among the applicable Lenders. The Incremental Arranger shall promptly notify the applicable Lenders of the final allocation of such increase, New Term Facility or New Revolving Facility and the Increase Effective Date. In connection with (i) any increase in a Term Loan Tranche or Revolving Tranche or (ii) any addition of a New Term Facility or New Revolving Facility, in each case, pursuant to this Section 2.14, this Agreement and the other Loan Documents may be amended in writing (which may be executed and delivered by the applicable Borrower and the Incremental Arranger (and the Lenders hereby authorize any such Incremental Arranger to execute and deliver any such documentation)) in order to establish the New Term Facility or New Revolving Facility or to effectuate the increases to the Term Loan Tranche or Revolving Tranche and to reflect any technical changes necessary or appropriate to give effect to such increase or new facility in accordance with its terms as set forth herein pursuant to the documentation relating to such New Term Facility or New Revolving Facility. As of the Increase Effective Date, in the case of an increase to an existing Term Loan Tranche, the amortization schedule for the Term Loan Tranche then increased set forth in Section 2.07(a) or 2.07(b) (or any other applicable amortization schedule for New Term Loans or Specified Refinancing Term Loans) shall be amended in writing (which may be executed and delivered by the applicable Borrower and the Incremental Arranger (and the Lenders hereby authorize any such Incremental Arranger to execute and deliver any such documentation)) to increase the then-remaining unpaid installments of principal by an aggregate amount equal to the additional Loans under such Term Loan Tranche being made on such date, such aggregate amount to be applied to increase such installments ratably in accordance with the amounts in effect immediately prior to the Increase Effective Date.

(d) With respect to any Revolving Credit Commitment Increase, Term Commitment Increase or addition of New Term Facility or New Revolving Facility pursuant to this Section 2.14, (i) no Event of Default (subject to Section 1.02(i)) would exist after giving effect to such increase (except in connection with any acquisition or similar Investment, where no Event of Default under Section 8.01(a), (f) or (g) shall be the standard); (ii) (A) in the case of any increase of the Revolving Tranche, (1) the final maturity shall be the same as the Maturity Date applicable to the Revolving Credit Facility, (2) no amortization or mandatory commitment reduction prior to the Maturity Date applicable to the Revolving Credit Facility shall be required and (3) the terms and documentation applicable to the Revolving Credit Facility shall apply, (B) in the case of any New Revolving Facility, (1) the final maturity shall be no earlier than the Maturity Date applicable to the Revolving Credit Facility, and (2) no amortization or mandatory commitment reduction prior to the Maturity Date applicable to the Revolving Credit Facility shall be required, (C) in the case of any increase of a Term Loan Tranche, the final maturity of the Term Loans, New Term Loans, Specified Refinancing Term Loans or Extended Term Loans increased pursuant to this Section shall be no earlier than the Latest Maturity Date for, and such additional Loans shall not have a Weighted Average Life to Maturity shorter than the longest remaining Weighted Average Life to Maturity of, any other outstanding Term Loans, New Term Loans, Specified Refinancing Term Loans or Extended Term Loans, as applicable; provided, that Extendable Bridge Loans/Interim Debt and amounts not in excess of the Inside Maturity Basket at the time of Incurrence may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and, with respect to Extendable Bridge Loans/Interim Debt and amounts not in excess of the Inside Maturity Basket at the time of Incurrence, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted

Average Life to Maturity of any then outstanding Term Loans, and (D) in the case of any New Term Facility, other than in the case of Extendable Bridge Loans/Interim Debt and amounts not in excess of the Inside Maturity Basket at the time of Incurrence, such New Term Facility shall have a final maturity no earlier than the then Latest Maturity Date of any Term Loan Tranche and the Weighted Average Life to Maturity of such New Term Facility shall be no shorter than that of any existing Term Loan Tranche; (iii) except with respect to the All-in Yield and as set forth in subclause (D) above with respect to final maturity and Weighted Average Life to Maturity, any such New Term Facility or New Revolving Facility shall have terms reasonably satisfactory to the Incremental Arranger; and (iv) to the extent reasonably requested by the Incremental Arranger and expressly set forth in the documentation relating to such New Term Facility or New Revolving Facility, the Incremental Arranger shall have received legal opinions, resolutions, officers' certificates, reaffirmation agreements and/or subsequent ranking agreements or amendment agreements to, confirmations of and/or lower ranking Collateral Documents, as applicable, consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, Section 6.14 and/or Section 6.16 with respect to Holdings and each Borrower and each material Subsidiary Guarantor that is organized in a jurisdiction for which counsel to the Administrative Agent advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion). Subject to the foregoing, the conditions precedent to each such increase or New Loan Commitment shall be solely those agreed to by the Lenders providing such increase or New Loan Commitment, as applicable, and the applicable Borrower. Notwithstanding the foregoing, (x) to the extent any terms of any Term Commitment Increase, Revolving Credit Commitment Increase, New Term Facility or New Revolving Facility are more favorable to the existing Lenders than comparable terms existing in the Loan Documents, such terms (if favorable to the existing Lenders) may be, in consultation with the Incremental Arranger, incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders (to the extent applicable to such Lender) without further amendment requirements (including, for the avoidance of doubt, at the option of the applicable Borrower, the applicable Borrower may, but shall not be required to, increase the Applicable Rate or amortization payments relating to any existing Term Facility to bring such Applicable Rate in line with the relevant Term Commitment Increase or New Term Facility to achieve fungibility with such existing Term Facility), (y) the terms of any New Revolving Facility shall be substantially identical to the Revolving Credit Facility, except for (i) terms that are applicable only after the then Latest Maturity Date of the Revolving Credit Facility or (ii) such terms as may be included subject solely as to administrative matters and subject to the Administrative Agent's consent (such consent not to be unreasonably withheld, delayed or conditioned) and (z) the terms of any New Term Facility or New Revolving Facility may be incorporated if otherwise reasonably satisfactory to the applicable Borrower, the Incremental Arranger and the Administrative Agent. To the extent any Borrower establishes a New Revolving Facility, then the Administrative Agent and such Borrower shall be permitted to amend this Agreement to require borrowings and repayments on a pro rata basis among Revolving Tranches (except for (A) payments of interest and fees at different rates on the Revolving Credit Commitments (and related outstandings), (B) repayments required upon the Maturity Date of any Revolving Credit Loan, and (C) repayments made in connection with a permanent repayment and termination of the Revolving Credit Loans or Revolving Credit Commitments of Revolving Credit Loans after the effective date of such New Revolving Facility).

(e) On the Increase Effective Date with respect to an increase to an Existing Revolving Tranche, (x) each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the increase to the Revolving Credit Commitments (each, a "Revolving Commitment Increase Lender"), and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding L/C Obligations such that, after giving effect to each such deemed assignment and assumption of

participations, the percentage of the aggregate outstanding participations hereunder in L/C Obligations will equal the Pro Rata Share of the aggregate Revolving Credit Commitments of all Revolving Credit Lenders represented by such Revolving Credit Lender's Revolving Credit Commitment and (y) if, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the Increase Effective Date be prepaid from the proceeds of Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.06. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. The additional Term Loans made under the Term Loan Tranche subject to the increases shall be made by the applicable Lenders participating therein pursuant to the procedures set forth in Sections 2.01 and 2.02 and on the date of the making of such new Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.01 and 2.02, such new Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans under such Term Loan Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender under such Term Loan Tranche will participate proportionately in each then outstanding Borrowing of Term Loans under the Term Loan Tranche.

(f) (i)(A) Any New Revolving Facility and New Term Facility, in each case, incurred by the U.S. Borrower shall rank *pari passu* in right of payment with the other Facilities, not be Guaranteed by any Person that is not a U.S. Loan Party, and be unsecured or, to the extent secured by the Collateral, secured either on a first lien "equal and ratable" basis with the other Facilities or on a "junior" basis with the other Facilities, in each case over the same (or less) U.S. Collateral that secures the Initial Term B-1 Loans (and in each case, such New Revolving Facility or New Term Facility shall be subject to the Applicable Intercreditor Arrangements that are reasonably satisfactory to the Incremental Arranger) and (B) any New Revolving Facility and New Term Facility, in each case, incurred by the Canadian Borrower shall rank *pari passu* in right of payment with the other Facilities, be Guaranteed by the Loan Parties, and be secured by the Collateral on a first lien "equal and ratable" basis with the same Collateral that secures the Initial Term B-2 Loans; provided that, if the holders of such New Revolving Facility or New Term Facility would not, upon the effectiveness of such New Revolving Facility or New Term Facility, be bound by the provisions of the Closing Date Collateral Allocation Agreement, the Administrative Agent shall, on behalf of itself and the Lenders (including the holders of such New Revolving Facility or New Term Facility), enter into a Collateral Allocation Agreement, (ii) the New Term Facility or New Revolving Facility, as applicable, shall, for purposes of prepayments, be treated substantially the same as (and in any event no more favorably than) the Term Facility or Revolving Credit Facility, as the case may be, unless the applicable Borrower otherwise elects (but in any event no more favorably than the existing Term Loans or Revolving Credit Loans, as applicable), (iii) any New Term Facility that is secured on a *pari passu* basis with the applicable Term Facility shall share ratably (or on a lesser basis) with respect to any mandatory prepayments of the Term Facility (other than mandatory prepayments resulting from a refinancing of any Facility, which may be applied exclusively to the Facility being refinanced) and (iv)(A) with respect to any syndicated floating rate New Term Facility denominated in Dollars, in the form of term loans, *pari passu* in right of payment with the Term Facility, secured on a *pari passu* basis with the Term Facility and that is incurred (x) on or prior to the date that is eighteen (18) months after the Closing Date and (y) under the Ratio-Based Incremental Facility, the applicable All-in Yield payable by the Borrower applicable to such New Term Facility shall be determined by such Borrower and the Lenders providing such New Term Facility and shall not be more than 50 basis points higher than the corresponding applicable All-in Yield payable by the Borrower for the Initial Term B-1 Loans or the Initial Term B-2 Loans, unless the applicable interest rate margin with respect to each of the Initial Term B-1 Loans and the Initial Term B-2 Loans is increased to the amount necessary so that the difference between the All-in Yield with respect to such New Term Facility and the

corresponding All-in Yield on the Initial Term B-1 Loans and the Initial Term B-2 Loans is equal to 50 basis points, and (B) with respect to any syndicated floating rate New Term Facility denominated in Dollars, in the form of term loans, *pari passu* in right of payment with the Term Facility, secured on a *pari passu* basis with the Term Facility and that is incurred (x) on or prior to the date that is six (6) months after the Second Amendment Effective Date and (y) under the Ratio-Based Incremental Facility, the applicable All-in Yield payable by the Borrower applicable to such New Term Facility shall be determined by such Borrower and the Lenders providing such New Term Facility and shall not be more than 50 basis points higher than the corresponding applicable All-in Yield payable by the Borrower for the 2021 Term Loans, unless the applicable interest rate margin with respect to 2021 Term Loans is increased to the amount necessary so that the difference between the All-in Yield with respect to such New Term Facility and the corresponding All-in Yield on the 2021 Term Loans is equal to 50 basis points (this clause (iv), the “MFN Provision”); provided that this clause (iv) shall not apply to any New Term Facility that has a final maturity later than two years after the Latest Maturity Date of the then outstanding Term Loans or is incurred in connection with an acquisition or investment permitted hereunder, or to New Term Facilities in an aggregate amount equal to or less than the greater of (x) \$334,500,000 and (y) 75% of Four Quarter Consolidated EBITDA.

(g) If the Incremental Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Arranger herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.14 (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

(h) To the extent any New Revolving Facility or New Term Facility shall be denominated in an Alternative Currency, this Agreement and the other Loan Documents shall be amended to the extent necessary or appropriate to provide for the administrative and operational provisions applicable to such Alternative Currency, in each case as are reasonably satisfactory to the Administrative Agent.

(i) To the extent any Guarantee or security granted prior to the date of incurrence under this Section 2.14 to support the Obligations and/or the Canadian Obligations in any jurisdiction requires application, registration or similar steps to be taken in such jurisdiction for any New Revolving Facility, Revolving Credit Commitment Increase, New Term Facility, and/or Term Commitment Increase which the Borrower and the lenders under such facility desire to benefit on a *pari passu* basis from such Guarantees and/or such security are not obtained prior to such incurrence, such inability to complete such application, registration, filing or equivalent perfection requirements shall not be deemed to adversely impact the *pari passu* nature of such applicable facility hereunder and the relevant provisions of this Agreement (including, without limitation, Section 2.03 and 8.04) shall be interpreted as if such applicable facility benefits from such Guarantee or security.

Section 2.15 Incremental Equivalent Debt

(a) Any U.S. Loan Party may from time to time after the Closing Date issue one or more series of senior secured, senior unsecured, senior subordinated, subordinated notes, loans or Extendable Bridge Loans/Interim Debt (which notes, loans and/or Extendable Bridge Loans/Interim Debt, if secured by the U.S. Collateral, are secured on a first lien “equal and ratable” basis with the Liens on the U.S. Collateral securing the Obligations or secured on a “junior” basis with the Liens on the U.S. Collateral securing the Obligations) and guaranteed only by U.S. Loan Parties or entities who become U.S. Loan Parties (such notes, loans and/or Extendable Bridge Loans/Interim Debt, collectively, “Incremental Equivalent Debt”) in an amount not to exceed the Incremental Amount (at the time of incurrence, subject to Section 1.02(i)); provided that (i) no Event of Default would exist after giving Pro Forma Effect to any

such request, subject to Section 1.02(i), and (ii) any such incurrence of Incremental Equivalent Debt shall be in a minimum amount of the lesser of (x) \$5,000,000 (or the equivalent Dollar Amount) and (y) the entire amount that may be requested under this Section 2.15; provided, further, that any New Loan Commitments established pursuant to Section 2.14 and Incremental Equivalent Debt issued pursuant to this Section 2.15, (A) at the applicable Borrower's option, will count, first, to reduce the amount available under the Ratio-Based Incremental Facilities (to the extent compliant therewith), second, to reduce the amount available under the Prepayment-Based Incremental Facilities and, third, to reduce the maximum amount under the Cash-Capped Incremental Facilities, (B) Incremental Equivalent Debt pursuant to this Section 2.15 may be incurred under the Ratio-Based Incremental Facilities, the Cash-Capped Incremental Facilities and the Prepayment-Based Incremental Facilities, and proceeds from any such incurrence may be utilized in a single transaction or series of related transactions, at the applicable Borrower's option, by first calculating the incurrence under the Ratio-Based Incremental Facilities (without inclusion of any amounts substantially concurrently utilized pursuant to the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility or any amounts substantially concurrently incurred under Section 7.01 (other than any Ratio Debt incurred pursuant to Section 7.01)) and then calculating the incurrence under the Prepayment-Based Incremental Facility (without inclusion of any amounts utilized pursuant to the Cash-Capped Incremental Facility) and then calculating the incurrence under the Cash-Capped Incremental Facility and (C) all or any portion of Incremental Equivalent Debt originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility shall automatically cease to be deemed incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and shall instead be deemed incurred under the Ratio-Based Incremental Facility from and after the first date on which the applicable Borrower would be permitted to incur all or such portion, as applicable, of the aggregate principal amount of such Incremental Equivalent Debt under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility, as applicable, by all or such portion, as applicable, of the aggregate principal amount of such Incremental Equivalent Debt); provided that, for the avoidance of doubt, any Indebtedness originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and subsequently deemed to be incurred under the Ratio-Based Incremental Facility pursuant to this clause (C) shall not be subject to the MFN Provision as a result of being deemed incurred under the Ratio-Based Incremental Facility. The applicable Borrower may appoint any Person as arranger of such Incremental Equivalent Debt (such Person (who may be the Administrative Agent, if it so agrees), the "Incremental Equivalent Debt Arranger").

(b) As a condition precedent to the incurrence of any Incremental Equivalent Debt pursuant to this Section 2.15, (i) such Incremental Equivalent Debt shall not be Guaranteed by any Person that is not a U.S. Loan Party or that does not become a U.S. Loan Party and shall not be secured by a lien on any assets that are not part of the U.S. Collateral, (ii) to the extent secured, such Incremental Equivalent Debt shall be subject to intercreditor arrangements that are reasonably satisfactory to the Incremental Equivalent Debt Arranger and, if such Incremental Equivalent Debt Arranger is not the Administrative Agent, the Administrative Agent, (iii) such Incremental Equivalent Debt shall have a final maturity no earlier than the then Latest Maturity Date, provided, that Extendable Bridge Loans/Interim Debt, customary escrow arrangements and Incremental Equivalent Debt in an amount not in excess of the Inside Maturity Basket may have a maturity date earlier than the Latest Maturity Date, (iv) the Weighted Average Life to Maturity of such Incremental Equivalent Debt shall not (A) be shorter than that of any then-existing Term Loan Tranche, or (B) to the extent unsecured, be subject to any amortization prior to the final maturity thereof, or be subject to any mandatory redemption or prepayment provisions or rights (except (x) customary assets sale, event of loss or similar event or change of control provisions and customary acceleration rights after an event of default, (y) special mandatory redemptions in connection with customary escrow arrangements or (z) so-called "AHYDO" payments); provided, that, with respect

to Extendable Bridge Loans/Interim Debt and Incremental Equivalent Debt in an amount not in excess of the Inside Maturity Basket at the time of Incurrence, the Weighted Average Life to Maturity thereof may be shorter than that of any then-existing Term Loan Tranche, (v) such Incremental Equivalent Debt (other than any Extendable Bridge Loans/Interim Debt) shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata (or greater than pro rata) to the Term Loans and other Incremental Equivalent Debt that is secured on a *pari passu* basis with the Obligations), (vi) with respect to any Incremental Equivalent Debt consisting of syndicated floating rate term loans that are *pari passu* in right of payment with the Term Facility, secured on a *pari passu* basis with the Term B-1 Facility, denominated in Dollars and incurred on or prior to the date that is eighteen (18) months after the Closing Date in reliance on the Ratio-Based Incremental Facility, the MFN Provision shall be applicable thereto as though such loans were a New Term Facility (provided that this clause (vi) shall not apply to any Incremental Equivalent Debt that has a final maturity later than two years after the Latest Maturity Date of the then outstanding Term Loans) and (vii) the covenants, events of default, guarantees, collateral and other terms of such Incremental Equivalent Debt are customary for similar debt securities or loans in light of then-prevailing market conditions at the time of incurrence (as determined by the applicable Borrower in good faith) (it being understood that (A) no Incremental Equivalent Debt in the form of term loans or notes shall include any financial maintenance covenants, but that customary cross-acceleration provisions may be included and (B) any negative covenants with respect to indebtedness, investments, liens or restricted payments shall be incurrence-based; provided, that any such negative covenants applicable to Extendable Bridge Loans/Interim Debt may be maintenance covenants) (provided that, at the Borrower Representative's option, delivery of a certificate of a Responsible Officer of the Borrower Representative to the Incremental Equivalent Debt Arranger in good faith at least three Business Days (or such shorter period as may be agreed by the Incremental Equivalent Debt Arranger) prior to the incurrence of such Incremental Equivalent Debt, together with a reasonably detailed description of the material terms and conditions of such Incremental Equivalent Debt or drafts of the documentation relating thereto, stating that the Borrower Representative has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (b), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Incremental Equivalent Debt Arranger provides notice to the Borrower Representative of its objection during such three Business Day period (including a reasonable description of the basis upon which it objects)). Subject to the foregoing, the conditions precedent to each such incurrence shall be agreed to by the creditors providing such Incremental Equivalent Debt and the applicable Borrower.

(c) The Lenders hereby authorize the Incremental Equivalent Debt Arranger (and the Lenders hereby authorize the Incremental Equivalent Debt Arranger to execute and deliver such amendments) to enter into amendments to this Agreement and the other Loan Documents with the applicable Borrower as may be necessary in order to secure any Incremental Equivalent Debt with the Collateral and/or to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Incremental Equivalent Debt Arranger and the applicable Borrower in connection with the incurrence of such Incremental Equivalent Debt, in each case on terms consistent with this Section 2.15. If the Incremental Equivalent Debt Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Equivalent Debt Arranger herein shall be done in consultation with the Administrative Agent and, with respect to applicable documentation (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

Section 2.16 Cash Collateral.

(a) Upon the request of the Administrative Agent or the applicable L/C Issuer (i) if the applicable L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in a L/C Borrowing or (ii) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the U.S. Borrower shall, in each case, promptly deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover 103% of the then Outstanding Amount of all L/C Obligations. At any time that there shall exist a Defaulting Lender, promptly upon the request of the Administrative Agent or the applicable L/C Issuer, the U.S. Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover 103% of all Fronting Exposure of such Defaulting Lender after giving effect to Section 2.17(a)(iv) and any Cash Collateral provided by such Defaulting Lender.

(b) All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, deposit accounts at the Administrative Agent or the Collateral Agent (or other financial institution selected by any of them). The U.S. Borrower, and to the extent provided by any Lender, such Lender, hereby grant to (and subject to the control of) the Administrative Agent and the Collateral Agent, for the benefit of the Administrative Agent, the applicable L/C Issuer and the Lenders, and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.16(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the U.S. Borrower and the relevant Defaulting Lender shall, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.16 or Section 2.03, 2.05, 2.06, 2.17, 8.02 or 8.04 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided prior to any other application of such property as may be provided for herein.

(d) Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure (after giving effect to such release) or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.07(b) (viii))) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the continuance of a Default under Section 8.01(a), (f) or (g) or an Event of Default (and following application as provided in this Section 2.16 may be otherwise applied in accordance with Section 8.04) and (y) the Person providing Cash Collateral and the applicable L/C Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

Section 2.17 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuers hereunder; third, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable L/C Issuer, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; fourth, as the U.S. Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the U.S. Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders or any L/C Issuer as a result of any non-appealable judgment of a court of competent jurisdiction obtained by any Lender or any L/C Issuer against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default pursuant to Section 8.01(a), (f) or (g) exists, to the payment of any amounts owing to the U.S. Borrower as a result of any non-appealable judgment of a court of competent jurisdiction obtained by the U.S. Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) That Defaulting Lender (x) shall not be entitled to receive any facility fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the U.S. Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv) During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.03, the Pro Rata Share of each non-Defaulting Lender under a Revolving Tranche shall be determined without giving effect to the Commitment under such Revolving Tranche of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender under a Revolving Tranche to acquire, refinance or fund participations in Letters of Credit issued under such Revolving Tranche shall not exceed the positive difference, if any, of (1) the Commitment under such Revolving Tranche of that non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans under such Revolving Tranche of that Revolving Credit Lender. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(b) If the Borrower Representative, the Administrative Agent and each L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Lenders in accordance with their ratable shares (without giving effect to the application of Section 2.17(a)(iv)) in respect of that Lender, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the U.S. Borrower while that Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

Section 2.18 Specified Refinancing Debt.

(a) The U.S. Borrower or the Canadian Borrower (in each case, together with any Co-Borrower) may, from time to time after the Closing Date, add one or more new term loan facilities and new revolving credit facilities to the Facilities (“Specified Refinancing Debt”); and the commitments in respect of such new term facilities, the “Specified Refinancing Term Commitment” and the commitments in respect of such new revolving credit facilities, the “Specified Refinancing Revolving Credit Commitment”) pursuant to procedures reasonably specified by any Person appointed by the applicable Borrower, as agent under such Specified Refinancing Debt (such Person (who may be the Administrative Agent, if it so agrees), the “Specified Refinancing Agent”) and reasonably acceptable to the applicable Borrower, to refinance (including by extending the maturity) (i) all or any portion of any Term Loan Tranches then outstanding under this Agreement, (ii) all or any portion of any Revolving Tranches then in effect under this Agreement or (iii) all or any portion of any Revolving Credit Commitment Increase, Term Commitment Increase, New Term Facility or New Revolving Facility incurred under Section 2.14, in each case pursuant to a Refinancing Amendment; provided that such Specified Refinancing Debt: (i) will rank *pari passu* in right of payment as the other Loans and Commitments hereunder; (ii)(x) in the case of Specified Refinancing Debt incurred by the U.S. Borrower, will not have obligors other than the U.S. Loan Parties or entities who shall have become U.S. Loan Parties (it being understood that the roles of such obligors as borrowers or guarantors with respect to such obligations may be interchanged) and (y) in each case, shall only be guaranteed by the Loan Parties that guaranteed the Term Loan Tranche or Revolving Tranche being refinanced; (iii) will be (x) unsecured or (y) in the case of Specified Refinancing Debt incurred by the U.S. Borrower, secured by the U.S. Collateral on a first lien “equal and ratable” basis with the Liens securing the U.S. Obligations or on a “junior” basis to the Liens securing the U.S. Obligations (in each case pursuant to intercreditor arrangements reasonably satisfactory to the Specified Refinancing Agent and, if the Specified Refinancing Agent is not the Administrative Agent, the Administrative Agent); (iv) in the case of Specified Refinancing Debt incurred by the Canadian Borrower, will be Guaranteed by the Loan Parties and secured by the Collateral on a first lien “equal and ratable” basis with the same Collateral that secures the Initial Term B-2 Loans; provided that, if the holders of such Specified Refinancing Debt would not, upon the effectiveness of such Specified Refinancing Debt, be bound by the provisions of the Closing Date Collateral Allocation Agreement, the Administrative Agent shall, on behalf of itself and the Lenders (including the holders of such Specified Refinancing Debt), enter into a Collateral Allocation

Agreement; (v) will have such pricing and optional prepayment terms as may be agreed by the applicable Borrower and the applicable Lenders thereof; (vi) (x) to the extent constituting revolving credit facilities, will not have a maturity date (or have mandatory commitment reductions or amortization) that is prior to the scheduled Maturity Date of the Revolving Tranche being refinanced and (y) to the extent constituting term loan facilities, will have a maturity date that is not prior to the date that is the scheduled Maturity Date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Term Loans being refinanced; provided, that Extendable Bridge Loans/Interim Debt and Specified Refinancing Debt in an amount not in excess of the Inside Maturity Basket at the time of Incurrence may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and, with respect to Extendable Bridge Loans/Interim Debt and Specified Refinancing Debt in an amount not in excess of the Inside Maturity Basket at the time of Incurrence, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans; (vii) any Specified Refinancing Term Loans shall share ratably in any prepayments of Term Loans pursuant to Section 2.05 (or otherwise provide for more favorable prepayment treatment for the then outstanding Term Loan Tranches than the Specified Refinancing Term Loans); (viii) each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to Section 2.03) and participations in Letters of Credit pursuant to Section 2.03 shall be allocated pro rata among the Revolving Tranches; (ix) subject to clauses (v) and (vi) above, will have terms and conditions (other than pricing and optional prepayment and redemption terms) that are customary for similar debt securities in light of then-prevailing market conditions at the time of incurrence or issuance (as determined by the applicable Borrower in good faith) (it being understood that no Specified Refinancing Debt in the form of term loans shall include any financial maintenance covenants) (provided that, at the Borrower Representative's option, delivery of a certificate of a Responsible Officer of the Borrower Representative to the Specified Refinancing Agent in good faith at least three Business Days (or such shorter period as may be agreed by the Specified Refinancing Agent) prior to the incurrence of such Specified Refinancing Debt, together with a reasonably detailed description of the material terms and conditions of such Specified Refinancing Debt or drafts of the documentation relating thereto, stating that the Borrower Representative has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (a), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Specified Refinancing Agent provides notice to the Borrower Representative of its objection during such three Business Day period (including a reasonable description of the basis upon which it objects)); and (x) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans being so refinanced (or less than the pro rata prepayment of outstanding Loans made by any Term Lenders or the Revolving Credit Lenders, as applicable, that will be lenders of the Specified Refinancing Debt, as approved by such Term Lenders or the Revolving Credit Lenders, as applicable; provided that in the case of Revolving Credit Loans, a corresponding amount of Revolving Credit Commitments shall be permanently reduced), in each case pursuant to Section 2.05 and 2.06, as applicable, and the payment of fees, expenses and premiums, if any, payable in connection therewith; provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that (1) are agreed between the Borrower and the Lenders thereof and applicable only during periods after the then Latest Maturity Date in effect or (2) are incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders (to the extent applicable to such Lender) without further amendment requirements and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans being refinanced (plus an amount equal to accrued interest, fees, discounts, premiums and expenses). Any Lender approached to provide all or a portion of any Specified Refinancing Debt may elect or decline, in its sole discretion, to provide such Specified Refinancing Debt. To achieve the full amount of a requested issuance of Specified Refinancing Debt, and subject to the approval of the Administrative Agent and each L/C Issuer in the case of Specified Refinancing Revolving Credit Commitments, the applicable Borrower may also invite additional Eligible Assignees to become

Lenders in respect of such Specified Refinancing Debt pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Specified Refinancing Agent. For the avoidance of doubt, any allocations of Specified Refinancing Debt shall be made at the applicable Borrower's sole discretion, and the applicable Borrower will not be obligated to allocate any Specified Refinancing Debt to any Lender.

(b) The effectiveness of any Refinancing Amendment shall be subject to conditions as are mutually agreed with the participating Lenders providing such Specified Refinancing Debt and to the extent reasonably requested by the Specified Refinancing Agent, receipt by the Specified Refinancing Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements with respect to the Borrowers and the Guarantors, including any supplements or amendments to the Collateral Documents providing for such Specified Refinancing Debt to be secured thereby, consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, 6.14 and/or Section 6.16 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion). The Lenders hereby authorize the Specified Refinancing Agent to enter into amendments to this Agreement and the other Loan Documents with the applicable Borrower as may be necessary in order to establish new Tranches of Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Specified Refinancing Agent and the applicable Borrower in connection with the establishment of such new Tranches, in each case on terms consistent with and/or to effect the provisions of this Section 2.18.

(c) Each class of Specified Refinancing Debt incurred under this Section 2.18 shall be in an aggregate principal amount that is (x) not less than \$5,000,000 (or the equivalent Dollar Amount) and (y) an integral multiple of \$1,000,000 (or the equivalent Dollar Amount) in excess thereof. Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the U.S. Borrower in respect of a Revolving Tranche pursuant to any revolving credit facility established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit under the Revolving Credit Commitments.

(d) The Specified Refinancing Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as separate "Facilities" hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the applicable Borrower, the Specified Refinancing Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Specified Refinancing Agent and the Borrower Representative, to effect the provisions of or consistent with this Section 2.18. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each L/C Issuer, participations in Letters of Credit expiring on or after the scheduled Maturity Date in respect of a Revolving Tranche shall be reallocated from Lenders holding Revolving Credit Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding extended revolving commitments, be deemed to be participation interests in respect of such extended revolving commitments and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly. If the Specified Refinancing Agent is not the Administrative Agent, the actions authorized to be taken by the Specified Refinancing Agent herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.18 (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

(e) To the extent any Guarantee or security granted prior to the date of incurrence under this Section 2.18 to support the Obligations and/or the Canadian Obligations in any jurisdiction requires application, registration, filing or equivalent perfection requirements to be taken in such jurisdiction for any Specified Refinancing Debt which the Borrower and the lenders under such facility desire to benefit on a *pari passu* basis from such Guarantees and/or such security are not obtained prior to such incurrence, such inability to complete such application, registration, filing or equivalent perfection requirements shall not be deemed to adversely impact the *pari passu* nature of such Specified Refinancing Debt hereunder and the relevant provisions of this Agreement (including, without limitation, Section 2.03 and 8.04) shall be interpreted as if such Specified Refinancing Debt benefit from such Guarantee or security.

Section 2.19 Extension of Term Loans and Revolving Credit Commitments

(a) Any Borrower may at any time and from time to time request that all or a portion of the (i) Term Loans of one or more Tranches existing at the time of such request (each, an “Existing Term Tranche”, and the Term Loans of such Tranche, the “Existing Term Loans”) or (ii) Revolving Credit Commitments of one or more Tranches existing at the time of such request (each, an “Existing Revolving Tranche” and together with the Existing Term Tranches, each an “Existing Tranche”, and the Revolving Credit Commitments of such Existing Revolving Tranche, the “Existing Revolving Loans”, and together with the Existing Term Loans, the “Existing Loans”), in each case, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Tranche (any such Existing Tranche which has been so extended, an “Extended Term Tranche” or “Extended Revolving Tranche”, as applicable, and each an “Extended Tranche”, and the Term Loans or Revolving Credit Commitments, as applicable, of such Extended Tranches, the “Extended Term Loans” or “Extended Revolving Commitments”, as applicable, and collectively, the “Extended Loans”) and to provide for other terms consistent with this Section 2.19; provided that (i) any such request shall be made by such Borrower to certain Lenders specified by such Borrower with Term Loans or Revolving Credit Commitments, as applicable, with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the Term Loans or on the aggregate Revolving Credit Commitments) and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the applicable Borrower in its sole discretion. In order to establish any Extended Tranche, the Borrower Representative shall provide a notice to the Administrative Agent (in such capacity, the “Extended Loans Agent”) (who shall provide a copy of such notice to each of the requested Lenders of the applicable Existing Tranche) (an “Extension Request”) setting forth the proposed terms of the Extended Tranche to be established, which terms shall be substantially similar to those applicable to the Existing Tranche from which they are to be extended (the “Specified Existing Tranche”), except (x) all or any of the final maturity dates of such Extended Tranches shall be delayed to later dates than the final maturity dates of the Specified Existing Tranche, (y) (A) the interest margins with respect to the Extended Tranche may be higher or lower than the interest margins for the Specified Existing Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A) and (z) in the case of an Extended Term Tranche, so long as the Weighted Average Life to Maturity of such Extended Tranche would be no shorter than the remaining Weighted Average Life to Maturity of the Specified Existing Tranche, amortization rates with respect to the Extended Term Tranche may be higher or lower than the amortization rates for the Specified Existing Tranche, in each case to the extent provided in the applicable Extension Amendment; provided that, notwithstanding anything to the contrary in this Section 2.19 or otherwise, assignments and participations of Extended Tranches shall be

governed by the same or, at the applicable Borrower's discretion, more restrictive assignment and participation provisions applicable to Initial Term Loans or Revolving Credit Commitments, as applicable, set forth in Section 10.07. No requested Lender shall have any obligation to agree to have any of its Existing Loans converted into an Extended Tranche pursuant to any Extension Request. Any Extended Tranche shall constitute a separate Tranche of Loans from the Specified Existing Tranches and from any other Existing Tranches (together with any other Extended Tranches so established on such date). On the Extension Date applicable to any applicable Revolving Tranche under the Revolving Credit Facility, the U.S. Borrower shall prepay the Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders) outstanding on such Extension Date applicable to the relevant Revolving Tranche (and pay any additional amounts required pursuant to Section 3.06) to the extent necessary to keep the outstanding Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders), as the case may be, applicable to the non-extending Revolving Credit Lenders under such Revolving Tranche in accordance with any revised Pro Rata Share of a Revolving Credit Lender in respect of the extended Revolving Credit Facility arising from any non ratable Extension to the Revolving Credit Commitments under this Section 2.19.

(b) The Borrower Representative shall provide the applicable Extension Request at least ten Business Days (or such shorter period as the Extended Loans Agent may agree in its sole discretion) prior to the date on which Lenders under the applicable Existing Tranche or Existing Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Tranche converted into an Extended Tranche shall notify the Extended Loans Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Tranche that it has elected to convert into an Extended Tranche. In the event that the aggregate amount of the Specified Existing Tranche subject to Extension Elections exceeds the amount of Extended Tranches requested pursuant to the Extension Request, the Specified Existing Tranches subject to Extension Elections shall be converted to Extended Tranches on a pro rata basis based on the amount of Specified Existing Tranches included in each such Extension Election. In connection with any extension of Loans pursuant to this Section 2.19 (each, an "Extension"), the Borrower Representative and Extended Loans Agent shall agree to such procedures regarding timing, rounding, lender revocation and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, in each case acting reasonably to accomplish the purposes of this Section 2.19. The Borrower Representative may amend, revoke or replace an Extension Request pursuant to procedures reasonably acceptable to the Extended Loans Agent at any time prior to the date (the "Extension Request Deadline") on which Lenders under the applicable Existing Term Tranche or Existing Term Tranches are requested to respond to the Extension Request.

(c) Extended Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to provisions related to maturity, interest margins or fees referenced in clauses (x) and (y) of Section 2.19(a), or, in the case of Extended Term Tranches, amortization rates referenced in clause (z) of Section 2.19(a), and which, in each case, except to the extent expressly contemplated by the last sentence of this Section 2.19(c) and notwithstanding anything to the contrary set forth in Section 10.01, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Tranches established thereby) executed by the Loan Parties, the Extended Loans Agent, and the Extending Lenders. Subject to the requirements of this Section 2.19 and without limiting the generality or applicability of Section 10.01 to any Section 2.19 Additional Amendments (as defined below), any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.19 Additional Amendment") to this Agreement and the other Loan Documents; provided that such Section 2.19 Additional Amendments do not become effective prior to the time that such Section 2.19 Additional Amendments have been consented to (including, without limitation, pursuant to consents applicable to holders of any Extended Tranches provided for in

any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.19 Additional Amendments to become effective in accordance with Section 10.01; provided, further, that no Extension Amendment may provide for (i) any Extended Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the applicable Existing Tranches or be guaranteed by any Person other than the Guarantors that guarantee the applicable Existing Tranche and (ii) so long as any Existing Term Tranches are outstanding, any mandatory prepayment provisions that do not also apply to the Existing Term Tranches (other than Existing Term Tranches secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata or otherwise more favorable basis. Notwithstanding anything to the contrary in Section 10.01, any such Extension Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the reasonable judgment of the applicable Borrower and the Extended Loans Agent, to effect the provisions of this Section 2.19; provided that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.19 Additional Amendment. The Lenders hereby authorize the Extended Loans Agent to enter into amendments to this Agreement and the other Loan Documents with the applicable Borrower as may be necessary in order to establish any Extended Loans and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Extended Loans Agent and the applicable Borrower in connection with the establishment of such Extended Loans, in each case on terms consistent with and/or to effect the provisions of this Section 2.19.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Tranche is converted to extend the related scheduled maturity date(s) in accordance with clause (a) above (an "Extension Date"), in the case of the Specified Existing Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Tranche so converted by such Lender on such date, and such Extended Tranches shall be established as a separate Tranche from the Specified Existing Tranche and from any other Existing Tranches (together with any other Extended Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any requested Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the applicable Borrower may, on notice to the Extended Loans Agent and the Non-Extending Lender, replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07 (with the assignment fee and any other costs and expenses to be paid by the applicable Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Extended Loans Agent nor any Lender shall have any obligation to the applicable Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Loans on the terms set forth in such Extension Amendment; provided, further, that all obligations of the applicable Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Assumption. In connection with any such replacement under this Section 2.19, if the Non-Extending Lender does not execute and deliver to the Extended Loans Agent a duly completed Assignment and Assumption by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Assumption and (B) the date as of which all obligations of the applicable Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Assumption as of such date and the applicable Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower Representative, any Non-Extending Lender may elect to have all or a portion of its Existing Loans deemed to be an Extended Loan under the applicable Extended Tranche on any date (each date a “Designation Date”) prior to the maturity date of such Extended Tranche; provided that such Lender shall have provided written notice to the Borrower Representative and the Extended Loans Agent at least ten (10) Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion); provided, further, that no greater amount shall be paid by or on behalf of the applicable Borrower or any of its Affiliates to any such Non-Extending Lender as consideration for its extension into such Extended Tranche than was paid to any Extending Lender as consideration for its Extension into such Extended Tranche. Following a Designation Date, the Existing Loans held by such Lender so elected to be extended will be deemed to be Extended Loans of the applicable Extended Tranche, and any Existing Loans held by such Lender not elected to be extended, if any, shall continue to be “Existing Loans” of the applicable Tranche.

(g) With respect to all Extensions consummated by any Borrower pursuant to this Section 2.19, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Sections 2.05(a) and (b) and (ii) no Extension Request is required to be in any minimum amount or any minimum increment; provided that the Borrower Representative may at its election specify as a condition (a “Minimum Extension Condition”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower Representative’s sole discretion and may be waived by the Borrower Representative) of Existing Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.19 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.05(a) and (b) and 2.07) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.19.

Section 2.20 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a “Permitted Debt Exchange Offer”) made from time to time by the U.S. Borrower, the U.S. Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Debt Exchange Notes (each such exchange a “Permitted Debt Exchange”) with any Lender (other than any Lender that, if requested by the U.S. Borrower, is unable to certify that it is either a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an institutional “accredited investor” (as defined in Rule 501 under the Securities Act)), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and Refinancing Expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the U.S. Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by

the U.S. Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the U.S. Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of such Term Loans offered to be exchanged by the U.S. Borrower pursuant to such Permitted Debt Exchange Offer, then the U.S. Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the U.S. Borrower and the Exchange Agent and (vi) any applicable Minimum Tender Condition (as defined below) shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the U.S. Borrower pursuant to this Section 2.20, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.05(a) or (b), and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$5,000,000 (or the equivalent Dollar Amount) in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii) the Borrower Representative may at its election specify as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower Representative's discretion) of Term Loans of any or all applicable classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower Representative and the Exchange Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.20 and without conflict with Section 2.20(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower Representative and the Exchange Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The U.S. Borrower shall be responsible for compliance with, and hereby agree to comply with, all applicable securities and other laws and regulations in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Exchange Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the U.S. Borrower's compliance with such laws and regulations in connection with any Permitted Debt Exchange (other than the U.S. Borrower's reliance on any certificate delivered pursuant to Section 2.20(a) above for which the such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended, and/or other applicable securities laws and regulations.

(e) If the Exchange Agent is not the Administrative Agent, the actions authorized to be taken by the Exchange Agent herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.20, any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

Section 2.21 Additional Alternative Currencies.

(a) The U.S. Borrower may from time to time request that Revolving Credit Loans be made and/or Letters of Credit be issued in a currency other than those specifically listed in the definition of "Alternative Currency"; provided that such requested currency is a lawful currency that is readily available and freely transferable and convertible into Dollars. In the case of any such request with respect to the making of Revolving Credit Loans, such request shall be subject to the approval of the Administrative Agent and the Revolving Credit Lenders; and, in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Administrative Agent and the applicable L/C Issuer.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m. ten Business Days prior to the date of the desired Borrowing (or such other time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the relevant L/C Issuer, in its or their sole discretion). In the case of any such request pertaining to Revolving Credit Loans, the Administrative Agent shall promptly notify each Revolving Credit Lender thereof and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the relevant L/C Issuer. Each such Revolving Credit Lender (in the case of any such request pertaining to Revolving Credit Loans) or the L/C Issuer (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., five Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Revolving Credit Loans or the issuance of Letters of Credit, as the case may be, in the requested currency.

(c) Any failure by any Revolving Credit Lender or any L/C Issuer, as the case may be, to respond to such request within the time period specified in the preceding paragraph (b) shall be deemed to be a refusal by such Revolving Credit Lender or L/C Issuer, as the case may be, to permit Revolving Credit Loans to be made or Letters of Credit to be issued in such requested currency. If the Administrative Agent and all the Revolving Credit Lenders that would be obligated to make Revolving Credit Loans denominated in such requested currency consent to making Revolving Credit Loans in such requested currency, the Administrative Agent shall so notify the Borrower Representative and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Borrowings of Revolving Credit Loans; and if the Administrative Agent and the relevant L/C Issuer consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify the Borrower Representative and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Letter of Credit issuances. If the Administrative Agent shall fail to obtain the requisite consent to any request for an additional currency under this Section 2.21, the Administrative Agent shall promptly so notify the Borrower Representative.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a) Any and all payments by or on account of any obligation of the U.S. Loan Parties (with respect to the U.S. Obligations) and the Canadian Loan Parties (with respect to the Canadian Obligations) or any other Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the

deduction or withholding of any Tax from or in respect of any such payment, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, the sum payable by the applicable Loan Party shall be increased as necessary so that after all such deductions or withholdings for Indemnified Taxes have been made (including such deductions and withholdings for Indemnified Taxes applicable to additional sums payable under this Section 3.01) the Administrative Agent (for amounts paid to the Administrative Agent in its own right) or Lender receives an amount equal to the sum it would have received had no such deduction or withholding for Indemnified Taxes been made.

(b) In addition but without duplication, the U.S. Loan Parties (with respect to U.S. Obligations) and the Canadian Loan Parties (with respect to the Canadian Obligations) shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Without duplication of amounts paid pursuant to this Section 3.01(a), the U.S. Loan Parties (with respect to the U.S. Obligations) and the Canadian Loan Parties (with respect to the Canadian Obligations) shall jointly and severally indemnify each Recipient, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The relevant Recipient shall notify the applicable Borrower of the imposition of any Indemnified Tax reasonably promptly after becoming aware of the imposition of such Tax. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(m) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Within 30 days after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall promptly repay to such indemnified party the amount paid over pursuant to this clause (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) or Section 3.05 with respect to such Lender it will, if requested by the Borrower Representative, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 3.01 or Section 3.05, including to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no economic, legal or regulatory disadvantage; and provided further that nothing in this Section 3.01(g) shall affect or postpone any of the Obligations and/or the Canadian Obligations of any Borrower or the rights of such Lender pursuant to Sections 3.01(a) and (c) and Section 3.05. The applicable Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender as a result of a request by such Borrower under this Section 3.01(g).

(h) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower Representative or the Administrative Agent as will enable the applicable Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(h)(ii)(A), (ii)(B), (ii)(D) and (ii)(E) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the case of U.S. Obligations,

(A) any Lender that is a U.S. Person shall deliver to the U.S. Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the U.S. Borrower or the Administrative Agent) copies of executed IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Non-U.S. Lender shall deliver to the U.S. Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the U.S. Borrower or the Administrative Agent), whichever of the following is applicable:

(a) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Loan Document, copies of executed IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(b) copies of executed IRS Form W-8ECI (or any successor form);

(c) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Non-U.S. Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the U.S. Borrower within the meaning of Section 881(c)(3)(B) of the Code, a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code and that no payments in connection with any Loan Document are effectively connected with such Lender’s conduct of a U.S. trade or business (a “U.S. Tax Compliance Certificate”) and (y) copies of executed IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable (or any successor form); or

(d) to the extent a Non-U.S. Lender is not the beneficial owner (e.g., where the Non-U.S. Lender is a partnership or a participating Lender), copies of executed IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender shall provide a certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the U.S. Borrower or the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the U.S. Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the U.S. Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(D) each Recipient shall deliver to the U.S. Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the U.S. Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the U.S. Borrower or the Administrative Agent as may be necessary for the U.S. Borrower and the Administrative Agent to (i) comply with their obligations under FATCA and (ii) determine whether such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(E) the Administrative Agent, and any successor or supplemental Administrative Agent, shall deliver to the U.S. Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which the Administrative Agent becomes the administrative agent hereunder or under any other Loan Document (and from time to time thereafter upon the reasonable request of the U.S. Borrower) executed copies of either (i) IRS Form W-9 (or any successor form) or (ii) a U.S. branch withholding certificate on IRS Form W-8IMY (or any successor form) evidencing its agreement with the U.S. Borrower to be treated as a U.S. person (with respect to amounts received on account of any Lender) and IRS Form W-8ECI (with respect to amounts received on its own account), with the effect that, in either case, the U.S. Borrower will be entitled to make payments hereunder to the Administrative Agent without withholding or deduction on account of U.S. federal withholding Tax.

Each Recipient agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall promptly update and deliver such form or certification to the Borrower Representative and the Administrative Agent or promptly notify the Borrower Representative and the Administrative Agent in writing of its legal ineligibility to do so.

Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Section 3.01(h).

(i) The agreements in this Section 3.01 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

(j) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 3.01, include any L/C Issuer, and the term "applicable law" includes FATCA.

Section 3.02. [Reserved].

Section 3.03 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Term SOFR Rate or the Eurocurrency Rate (whether denominated in Dollars or an Alternative Currency), or to determine or charge interest rates based upon the Adjusted Term SOFR Rate or the Eurocurrency Rate (whether denominated in Dollars or an Alternative Currency), or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, ~~Dollars or~~ an Alternative Currency in the applicable interbank market, then, on notice thereof

by such Lender to the Borrower Representative through the Administrative Agent, (i) any obligation of such Lender to make or continue Term SOFR Rate Loans or Eurocurrency Rate Loans, as applicable, in the affected currency or currencies or to convert Base Rate Loans to Eurocurrency Term SOFR Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans, the interest rate on which is determined by reference to the Adjusted Eurocurrency Term SOFR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Adjusted Term SOFR Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower Representative that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the applicable Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), (A) if applicable and such Lender's Eurocurrency Term SOFR Rate Loans are denominated in Dollars, prepay or convert all of such Lender's Eurocurrency Term SOFR Rate Loans to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurocurrency Term SOFR Rate component of the Base Rate) or (B) if applicable and such Lender's Eurocurrency Rate Loans are denominated in an Alternative Currency, prepay all of such Lender's Eurocurrency Rate Loans (the interest rate with respect to such Eurocurrency Rate Loans shall be determined by an alternative rate mutually acceptable to the applicable Borrower and the applicable Revolving Credit Lenders), in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly after such demand, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans. Upon any such prepayment or conversion, the applicable Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.06. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.04 Inability to Determine Rates.

(a) If the Administrative Agent reasonably determines that for any reason, adequate and reasonable means do not exist for determining the Term SOFR Rate, Eurocurrency Rate or RFR for any requested Interest Period with respect to a proposed Term SOFR Rate Loan, Eurocurrency Rate Loan or RFR Loan, as applicable, or is informed by the Required Lenders that the Term SOFR Rate, Eurocurrency Rate or RFR for any requested Interest Period with respect to a proposed Term SOFR Rate Loan, Eurocurrency Rate Loan or RFR Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to banks in the relevant interbank market for the applicable amount and the Interest Period of such Term SOFR Rate Loan, Eurocurrency Rate Loan or RFR Loan, the Administrative Agent will promptly so notify the Borrower Representative and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Rate Loans, Eurocurrency Rate Loans in the affected currency or currencies or RFR Loans, as applicable, shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Adjusted Term SOFR Rate component of the Base Rate, the utilization of the Eurocurrency Adjusted Term SOFR Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower Representative may revoke any pending request for a Borrowing of, conversion to or continuation of Term SOFR Rate Loans, Eurocurrency Rate Loans the RFR Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein, and the applicable Borrower shall not have to pay any amounts that would otherwise be due under Section 3.06 with respect to such revocation or conversion (or, in the case of a pending request for a Loan denominated in an Alternative Currency, the applicable Borrower, the Administrative Agent and the applicable Lenders may establish a mutually acceptable alternative rate).

(b) Notwithstanding anything else in this Agreement to the contrary, if at any time:

(i) (A) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that the circumstances set forth in Section 3.04(a) have arisen and such circumstances are unlikely to be temporary or (B) the circumstances set forth in Section 3.04(a) have not arisen but the supervisor or the administrator of the existing Benchmark or a Governmental Authority or an insolvency official having jurisdiction over the supervisor or administrator, or a court or an entity with similar insolvency or resolution authority over the supervisor or administrator, or the central bank for the currency of such Benchmark has made a public statement or published information stating that the administrator or supervisor (each of the foregoing, a “Relevant Administrator”) has ceased or will cease to use such Benchmark for determining interest rates for loans in Dollars; provided that, in the case of this clause (B), at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark;

(ii) a Relevant Administrator has made a public statement or published information announcing that the existing Benchmark is no longer representative;

(iii) an event has occurred that would require the existing Benchmark set forth in any non-speculative interest rate Swap Contract related to the ~~2021-Term~~ Loans to be amended by adherence to a final protocol published by, or other amendment promulgated by, the International Swaps and Derivatives Association, Inc. (“ISDA”) to facilitate the replacement of such Benchmark or if any non-speculative interest rate Swap Contract related to the ~~2021-Term~~ Loans is entered into after the ~~Second~~Third Amendment Effective Date and is subject to ISDA definitions amended after the ~~Second~~Third Amendment Effective Date that reflect a replacement of such Benchmark used in this Agreement on the ~~Second~~Third Amendment Effective Date; or

(iv) either (A) a notification is made by Holdings to the Administrative Agent or (B) a notification is made by the Administrative Agent to Holdings, and Holdings agrees in writing that such notification constitutes a Benchmark Trigger Event (as defined below), in each case, that at least five currently outstanding syndicated credit facilities denominated in Dollars, each available for review (including by way of availability through posting on DebtDomain, Intralinks, Debt X, SyndTrak Online or by similar electronic means) and identified by Holdings in such notice, contain (as a result of amendment or as originally executed) as a benchmark interest rate, in lieu of the ~~Eurocurrency Rate (or similar~~then-current Benchmark); a replacement benchmark rate (each of (i) through (iv), a “Benchmark Trigger Event”),

then (x) if a Benchmark Trigger Event pursuant to clause (i) of the definition thereof has occurred, the Benchmark Replacement Rate will replace the applicable Benchmark on the applicable Benchmark Replacement Date, with respect to the ~~2021-Term Loans~~Facilities, for all purposes hereunder and under any Loan Document in respect of ~~the~~such Benchmark, with respect to the ~~2021-Term Loans~~Facilities, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (it being understood that, in connection with the implementation of a Benchmark Replacement Rate pursuant to this clause (x), the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time (to the extent expressly provided in the definition of “Benchmark Replacement Conforming Changes”, with the consent of Holdings) and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments

implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document), and (y) if a Benchmark Trigger Event pursuant to clauses (ii) – (iv) of the definition thereof has occurred, the Administrative Agent and Holdings may establish an alternate benchmark floating rate of interest to the ~~Eurocurrency Rate (or similar interbank offered rate), with respect to the 2021 Term Loans~~ applicable Benchmark, that is a Benchmark Replacement Rate, and may enter into an amendment to this Agreement (the “Benchmark Replacement Amendment”) to reflect such Benchmark Replacement Rate and such other related changes to this Agreement with respect thereto as may be applicable in their discretion, including provisions for the Administrative Agent and Holdings to allow for the adoption (without further amendment) of a term structure and any Benchmark Replacement Conforming Changes, which amendment shall become effective within five Business Days of the date that notice of such Benchmark Replacement Rate is provided to the Lenders unless prior to the end of such five Business Day period the Administrative Agent receives a written notice from the Required Lenders stating that such Required Lenders object to such Benchmark Replacement Rate; provided further that any Benchmark Replacement Rate implemented pursuant to this Section 3.04 shall only be implemented to the extent it is commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion). ~~Notwithstanding anything to the contrary herein, the Benchmark Replacement Amendment (i) shall become effective without any further action or consent of any other party to this Agreement and (ii) may designate the timing of effectiveness of the Benchmark Replacement Rate (including pursuant to the occurrence of identified conditions);~~

(c) If a Benchmark Trigger Event pursuant to clauses (ii) – (iv) of the definition thereof has occurred and there is not a Benchmark Replacement Rate, then the Administrative Agent and Holdings may establish an alternate benchmark floating term rate of interest to the ~~Eurocurrency Rate, with respect to the 2021 Term Loans~~ applicable Benchmark that is not a Benchmark Replacement Rate, which may include a spread or method for determining a spread or other adjustments or modifications (including to make appropriate adjustments to (i) preserve pricing in effect at the time of selection of such new rate and (ii) for the duration and time for determination of such rate in relation to any applicable Interest Period), and enter into a Benchmark Replacement Amendment to reflect such alternate rate of interest, which amendment shall become effective within five Business Days of the date that notice of such alternate rate of interest is provided to the Lenders unless prior to the end of such five Business Day period the Administrative Agent receives a written notice from the ~~Majority Required Lenders of the 2021 Term Loans~~ Majority Required Lenders stating that such ~~Majority Required Lenders~~ object to such alternate rate of interest (the “Alternative Benchmark Rate”); provided that any Alternative Benchmark Rate implemented pursuant to this paragraph shall only be implemented to the extent it is commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion). For the avoidance of doubt, (x) except in the case of the 2021 Term Loans, if any such alternate rate of interest determined pursuant to this paragraph would be less than 0.00% per annum, such rate shall be deemed to be 0.00% per annum for purposes of this Agreement and (y) solely in the case of the 2021 Term Loans, if any such alternate rate of interest determined pursuant to this paragraph would be less than 1.00% per annum, such rate shall be deemed to be 1.00% per annum for purposes of this Agreement.

(d) Following the effectiveness of the Benchmark Replacement Rate or the Benchmark Replacement Amendment, if any Benchmark Trigger Event occurs with respect to the Benchmark Replacement Rate or the ~~Benchmark Replacement Rate or the~~ Alternative Benchmark Rate identified in such Benchmark Replacement Amendment (including, for the avoidance of doubt, any change in or alternative to the Benchmark Replacement Adjustment or any change in or alternative to a compounded or term methodology for calculating such benchmark), then the Administrative Agent and Holdings may

enter into an additional Benchmark Replacement Amendment to reflect another Benchmark Replacement Rate without any further action or consent of any other party to this Agreement or to reflect an Alternative Benchmark Rate; ~~in each case with respect to the 2021 Term Loans~~; which amendment, for the avoidance of doubt, shall become effective within five Business Days of the date that notice of such alternate rate of interest is provided to the Lenders ~~that hold 2021 Term Loans~~, unless prior to the end of such five Business Day period the Administrative Agent receives a written notice from the ~~Majority Required~~ Lenders ~~of the 2021 Term Loans~~ stating that such ~~Majority Required~~ Lenders object to such alternate rate of interest; provided that, with respect to any such additional Benchmark Replacement Amendment to reflect another Benchmark Replacement Rate, such ~~Majority Required~~ Lenders shall (i) not be entitled to object to any such Benchmark Replacement Rate based on SOFR or SONIA contained in such additional Benchmark Replacement Amendment and (ii) only be entitled to object to the Benchmark Replacement Adjustments with respect thereto.

(e) Notwithstanding anything herein or in any other Loan Document to the contrary, the Administrative Agent and Holdings shall cooperate in good faith and use commercially reasonable efforts to satisfy any applicable requirements under proposed or final U.S. Treasury Regulations or other Internal Revenue Service guidance such that the use of an alternative rate of interest pursuant to this Section 3.04 shall not result in a deemed exchange of any 2021 Term Loans under Section 1001 of the Code.

~~(f) To the extent an alternate benchmark is implemented with respect to any other Facilities that is inconsistent with the alternate benchmark then in effect with respect to the 2021 Term Loans, or as contemplated by the provisions of this Section 3.04, Holdings and the Administrative Agent (in consultation with the Lenders) shall undertake all actions necessary to promptly implement the alternate benchmark applicable to the 2021 Term Loans, so that the same benchmark replacement provisions are in effect for all Facilities:~~

Section 3.05 Increased Cost and Reduced Return; Capital Adequacy and Liquidity Requirements.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the ~~Eurocurrency~~ Term Benchmark Rate or (as the case may be) issuing or participating in Letters of Credit, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including Taxes on or in respect of its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, but excluding for purposes of this Section 3.05(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes indemnifiable under Section 3.01 and (ii) Excluded Taxes), then within 15 days after demand of such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the applicable Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy and liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of materially reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and liquidity and such Lender's desired return on capital), then within

15 days after demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the applicable Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The applicable Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves or liquidity with respect to liabilities or assets consisting of or including Eurocurrency Term Benchmark Rate funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Term Benchmark Rate Loan equal to the actual costs of such reserves or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any liquidity requirement, reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Term Benchmark Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Borrower Representative shall have received at least 15 days' prior written notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 15 days from receipt of such written notice.

(d) For purposes of this Section 3.05, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (other than foreign regulatory authorities in Switzerland), in each case pursuant to Basel III, shall, in each case, be deemed to have gone into effect after the date hereof, regardless of the date enacted, adopted or issued.

Section 3.06 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the applicable Borrower shall promptly compensate such Lender for and hold such Lender harmless from any actual loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Term Benchmark Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by any Borrower (for a reason other than the failure of such Lender to make a Loan or pursuant to a conditional notice) to prepay, borrow, continue or convert any Eurocurrency Term Benchmark Rate Loan on the date or in the amount notified by the Borrower Representative;

(c) any failure by any Borrower to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment of any Loan or drawing under any Letter of Credit (or interest due thereon) in a different currency from such Loan or Letter of Credit drawing; or

(d) any mandatory assignment of such Lender's ~~Eurocurrency~~Term Benchmark Rate Loans pursuant to Section 3.08 on a day other than the last day of the Interest Period for such Loans,

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding anticipated profits). The applicable Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Section 3.07 Matters Applicable to All Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. With respect to any Lender's claim for compensation under Section 3.03, 3.04 or 3.05, the Loan Parties shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Borrower Representative of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests compensation under Section 3.05, or any Borrower is required to pay any additional amount to any Lender, any L/C Issuer, or any Governmental Authority for the account of any Lender or any L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.03, then such Lender or the L/C Issuer, as applicable, will, if requested by the Borrower Representative and at the applicable Borrower's expense, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as applicable, in the future and (ii) would not, in the judgment of such Lender or such L/C Issuer, as applicable, be inconsistent with the internal policies of, or otherwise be disadvantageous in any material legal, economic or regulatory respect to such Lender or its Lending Office or such L/C Issuer. The provisions of this clause (b) shall not affect or postpone any Obligations of the applicable Borrower or rights of such Lender pursuant to Section 3.05.

(c) If any Lender requests compensation by any Borrower under Section 3.05, such Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another ~~Eurocurrency~~Term Benchmark Rate Loans, or to convert Base Rate Loans into ~~Eurocurrency~~Term SOFR Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.07(e) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(d) If the obligation of any Lender to make or continue from one Interest Period to another any ~~Eurocurrency~~Term Benchmark Rate Loan, or to convert Base Rate Loans into ~~Eurocurrency~~Term SOFR Rate Loans shall be suspended pursuant to Section 3.07(c) hereof, such Lender's ~~Eurocurrency~~Term Benchmark Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such ~~Eurocurrency~~Term Benchmark Rate Loans (or, in the case of an immediate conversion required by Section 3.03, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Term Benchmark Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Term Benchmark Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Term Benchmark Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Term Benchmark Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to any Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to the conversion of such Lender's Eurocurrency Term Benchmark Rate Loans pursuant to this Section 3.07 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Term Benchmark Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Term Benchmark Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Term Benchmark Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

(f) A Lender shall not be entitled to any compensation pursuant to the foregoing sections to the extent such Lender is not imposing such charges or requesting such compensation from borrowers (similarly situated to the applicable Borrower hereunder) under comparable syndicated credit facilities.

Section 3.08 Replacement of Lenders Under Certain Circumstances.

(a) If at any time (i) any Borrower becomes obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.05 (other than with respect to Other Taxes) as a result of any condition described in such Sections or any Lender ceases to make Term SOFR Rate Loans, Eurocurrency Rate Loans or RFR Loans as a result of any condition described in Section 3.03 or 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.08) (collectively, a "Replaceable Lender"), then the Borrower Representative may, on three Business Days' prior written notice from the Borrower Representative to the Administrative Agent and such Lender (for the avoidance of doubt, such notice shall be deemed provided on the same day that an amendment or waiver is posted to the Lenders for consent), either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the applicable Borrower in such instance unless waived by the Administrative Agent) all of its rights and obligations under this Agreement (or, in the case of a Non-Consenting Lender, all of its rights and obligations under this Agreement with respect to the Facility or Facilities for which its consent is required) to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the applicable Borrower to find a replacement Lender or other such Person or (ii) so long as no Default or Event of Default shall have occurred and be continuing, terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than a L/C Issuer), repay all Obligations of the applicable Borrower owing (and the amount of all accrued interest and fees in respect thereof) to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of a L/C Issuer, repay all obligations of the applicable Borrower owing to such L/C Issuer relating to the Loans and participations held by such L/C Issuer as of such termination date and cancel or backstop on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; provided that (i) in the case of any such replacement of, or termination of Commitments with respect to a Non-Consenting

Lender such replacement or termination shall be sufficient (together with all other consenting Lenders including any other replacement Lender) to cause the adoption of the applicable modification, waiver or amendment of the Loan Documents and (ii) in the case of any such replacement as a result of the applicable Borrower having become obligated to pay amounts described in Section 3.01 or 3.05, such replacement would eliminate or reduce payments pursuant to Section 3.01 or 3.05, as applicable, in the future. Any Lender being replaced pursuant to this Section 3.08(a) shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and (ii) deliver any Notes evidencing such Loans to the Borrower Representative or the Administrative Agent (for return to the applicable Borrower). Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations, (B) all Obligations relating to the Loans and participations (and the amount of all accrued interest, fees and premiums in respect thereof) so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, the assigning Lender shall deliver to the assignee Lender the applicable Note or Notes executed by the applicable Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within two Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Replaceable Lender. In connection with the replacement of any Lender pursuant to this Section 3.08(a), the applicable Borrower shall pay to such Lender such amounts as may be required pursuant to Section 3.06.

(b) Notwithstanding anything to the contrary contained above, (i) any Lender that acts as a L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of Cash Collateral into a cash collateral account in amounts and pursuant to arrangements consistent with the requirements of Section 2.16) have been made with respect to such outstanding Letter of Credit and (ii) the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Borrower Representative or the Administrative Agent has requested the Lenders to consent to a waiver of any provisions of the Loan Documents or to agree to any amendment or other modification thereto, (ii) the waiver, amendment or modification in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain class of the Loans and (iii) the Required Lenders or Majority Lenders of the applicable class, as applicable, have agreed to such waiver, amendment or modification, then any Lender who does not agree to such waiver, amendment or modification, in each case, shall be deemed a "Non-Consenting Lender"; provided, that the term "Non-Consenting Lender" shall also include any Lender that (x) rejects (or is deemed to reject) an Extension under Section 2.19, which Extension has been accepted by at least the Majority Lenders of the respective Tranche of Loans whose Loans and/or Commitments are to be extended pursuant to such Extension and (y) does not elect to become a lender in respect of any Specified Refinancing Debt pursuant to Section 2.18. For the avoidance of doubt, (A) if any applicable Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its Initial Term Loans or its Initial Term Loans are prepaid by the applicable Borrower, pursuant to Section 3.08(a), on or prior to the date that is 6 months after the First Amendment Effective

Date in connection with any such waiver, amendment or modification constituting a Repricing Event, the applicable Borrower shall pay such Non-Consenting Lender a fee equal to 1.00% of the principal amount of the Initial Term Loans so assigned or prepaid or (B) if any 2021 Term Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its 2021 Term Loans or its 2021 Term Loans are prepaid by the U.S. Borrower, pursuant to Section 3.08(a) on or prior to the second anniversary of the Second Amendment Effective Date, the U.S. Borrower shall pay such Non-Consenting Lender the 2021 Term Loan Prepayment Premium that would otherwise be payable by the U.S. Borrower in connection with a voluntary prepayment thereof.

(d) Survival. All of the Loan Parties' obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, any assignment by or replacement of a Lender and any resignation or removal of the Administrative Agent.

For purposes of determining compliance with this Section 7.01, (i) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or is entitled to be Incurred or issued as Ratio Debt, the Borrower Representative shall, in its sole discretion, at the time of Incurrence or issuance, divide, classify or reclassify, or at any later time divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this Section 7.01; provided that (A) all Indebtedness under this Agreement Incurred on or after the Closing Date shall be deemed to have been Incurred pursuant to Section 7.01(a), (B) all Indebtedness represented by the Senior Notes Incurred on the Closing Date (and all payments of interest thereon in the form of additional Indebtedness) and all Guarantees of the foregoing will be deemed to have been Incurred pursuant to Section 7.01(b)(x) and (C) all Indebtedness under the ABL Credit Agreement incurred on or after the Closing Date will be deemed to have been incurred pursuant to Section 7.01(b)(y), and the Borrower Representative shall not be permitted to reclassify all or any portion of Indebtedness Incurred pursuant to Section 7.01(a), 7.01(b)(x) or 7.01(b)(y), as applicable and (ii) in the event that the Borrower Representative shall classify Indebtedness Incurred on the date of determination as Incurred in part as Ratio Debt or as having been incurred under the Ratio-Based Incremental Facility and in part pursuant to one or more other clauses of this Section 7.01, Consolidated Funded Indebtedness shall not include any such Indebtedness Incurred pursuant to one or more such other clauses of this Section 7.01, and shall not give effect to any discharge of any Indebtedness from the proceeds of any such Indebtedness being disregarded for purposes of the calculation of the Consolidated Funded Indebtedness on such date of determination that otherwise would be included in Consolidated Funded Indebtedness. Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Stock or Preferred Stock in the form of additional shares of Disqualified Stock or Preferred Stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness, Disqualified Stock or Preferred Stock outstanding solely as a

result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness will not be deemed to be an Incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock for purposes of this Section 7.01. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 7.01.

The principal amount or liquidation preference, as applicable, of any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, if Incurred or issued in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing.

Section 7.02 Limitations on Liens. Directly or indirectly, create, incur, assume or suffer to exist any Lien upon any property or assets of any kind (real or personal, tangible or intangible) of any Borrower or any Restricted Subsidiary, whether now owned or hereafter acquired (each, a "Subject Lien") that secures obligations under any Indebtedness unless:

(a) in the case of Subject Liens on any Collateral, such Subject Lien is a Permitted Lien; and

(b) in the case of any other asset or property, any Subject Lien if (i) the Obligations are equally and ratably secured with (or on a senior basis to, in the case such Subject Lien secures any Junior Financing) the obligations secured by such Subject Lien or (ii) such Subject Lien is a Permitted Lien.

Any Lien created for the benefit of the Secured Parties pursuant to the preceding clause (b) shall provide by its terms that such Lien shall be automatically and unconditionally be released and discharged upon the release and discharge of the Subject Lien that gave rise to the obligation to so secure the Obligations.

No reference herein to Liens permitted hereunder (including Permitted Liens), including any statement or provision as to the acceptability of any Liens (including Permitted Liens), shall in any way constitute or be construed as to provide for an implied subordination of any rights of the Agents, the Lenders or other Secured Parties hereunder or arising under any of the other Loan Documents in favor of such Liens.

As of the Closing Date, all of the U.S. Borrower’s Subsidiaries will be Restricted Subsidiaries. The U.S. Borrower will not permit any Restricted Subsidiary to become an Unrestricted Subsidiary, or any Unrestricted Subsidiary to become a Restricted Subsidiary, except pursuant to the definition of “Unrestricted Subsidiary”. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in this Agreement.

For purposes of this Section 7.05, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of “Permitted Investments,” the Borrower Representative may divide and classify such Investment or Restricted Payment (or a portion thereof) in any manner that complies with this Section 7.05 and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification; provided that any Restricted Payments made in reliance on clause (24) above shall not be permitted to be reclassified as made pursuant to any other provision described above and shall be deemed at all times to have been made in reliance on clause (24).

(12) any encumbrance or restriction contained in secured Indebtedness otherwise permitted to be Incurred pursuant to Sections 7.01 and 7.02 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;

For purposes of determining compliance with this Section 7.06, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the U.S. Borrower or a Restricted Subsidiary to other Indebtedness Incurred by the U.S. Borrower or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Section 8.01 Events of Default. Any of the following shall constitute an “Event of Default”:

(a) Non-Payment. Any Borrower or any other Loan Party fails to pay (i) when due and as required to be paid herein, any amount of principal of any Loan, or (ii) within five Business Days after the same becomes due and payable, any interest on any Loan or on any L/C Obligation, or (iii) within ten Business Days after the same becomes due and payable, any fee due hereunder, or any other amount payable hereunder or with respect to any other Loan Document; or

(c) Other Defaults. Any Loan Party fails to perform or observe any covenant or agreement (other than those specified in Section 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for 30 days after notice thereof by the Administrative Agent to the Borrower Representative; or

(d) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of any Borrower or any other Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect or misleading in any material respect (or in any respect if such representation or warranty is already qualified by materiality) when made or deemed made and, to the extent capable of being cured, such representation, warranty, certification or statement of fact is not corrected or clarified within 30 days after it was initially made (provided that (i) such grace period shall not apply to Specified Representations and (ii) the failure of any representation or warranty to be true and correct on the Closing Date will not constitute a Default or an Event of Default except to the extent such representation or warranty constitutes a Specified Representation); or

(e) Cross-Default. Any Loan Party or any Restricted Subsidiary (A) fails to make any payment beyond the applicable grace period with respect thereto, if any (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than Indebtedness hereunder and intercompany Indebtedness) having an aggregate outstanding principal amount equal to or greater than the Threshold Amount; (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than a default or an event of default in respect of the observance of or compliance with any financial maintenance covenant, which is addressed by clause (C) below), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) after the expiration of any applicable grace or cure period therefor to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), in each case, prior to its Stated Maturity; provided that this clause (e)(B) shall not apply to (x) secured Indebtedness that becomes due as a result of the sale or transfer or other Disposition (including a Casualty Event) of the property or assets securing such Indebtedness permitted hereunder and under the documents providing for such Indebtedness and such Indebtedness is repaid when required under the documents providing for such Indebtedness, (y) events of default, termination events or any other similar event under the documents governing Swap Contracts for so long as such event of default, termination event or other similar event does not result in the occurrence of an early termination date or any acceleration or prepayment of any

amounts or other Indebtedness payable thereunder or (z) Indebtedness that upon the happening of any such default or event automatically converts into Equity Interests (other than Disqualified Stock or, in the case of a Restricted Subsidiary, Disqualified Stock or Preferred Stock) in accordance with its terms; provided further, that such failure is unremedied and is not validly waived by the holders of such Indebtedness in accordance with the terms of the documents governing such Indebtedness prior to any termination of the Revolving Credit Commitments or acceleration of the Loans pursuant to Section 8.02 or (C) fails to observe or perform any other agreement or condition relating to any such Indebtedness containing or otherwise requiring observance or compliance with a financial maintenance covenant and the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) have caused such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its Stated Maturity ("Acceleration"); provided however that if such holder or holders (or a trustee or an agent on behalf of such holder or holders or beneficiary or beneficiaries) irrevocably rescind such Acceleration, the Event of Default with respect to this clause (e) shall automatically cease from and after such date; provided, further, that in the case of the ABL Facility, any such default or event with respect to the ABL Credit Agreement will not constitute an Event of Default under clause (e)(B) of this Section 8.01 unless the agent and/or lenders thereunder have terminated the commitments in respect of, or demanded repayment of, or otherwise accelerated, any of the Indebtedness or other obligations thereunder; or

(f) Insolvency Proceedings, Etc. Holdings, any Borrower or any Material Subsidiary institutes, resolves to institute or consents to the institution of any proceeding under any Debtor Relief Law, a winding-up, an administration, a dissolution, or a composition or makes an assignment for the benefit of creditors or any other action is commenced (by way of voluntary arrangement, scheme of arrangement or otherwise); or appoints, resolves to appoint, applies for or consents to the appointment of any receiver, administrator, administrative receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, receiver and manager, controller, monitor or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, administrative receiver, receiver and manager, controller, monitor or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for 60 days; or any proceeding under any Debtor Relief Law (including, without limitation, for the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, administrative receiver, receiver and manager, controller, monitor or similar officer) relating to any such Person or to all or substantially all of its property is instituted without the consent of such Person and continues undismissed or unstayed for 60 days, or an order for relief is entered in any such proceeding; or

does not deny coverage or (ii) an enforceable indemnity to the extent that such Loan Party or Restricted Subsidiary shall have made a claim for indemnification and the applicable indemnifying party shall not have disputed such claim) and there is a period of 60 consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal, bond or otherwise, is not in effect; or

(i) One or more ERISA Events occur or there is or arises an Unfunded Pension Liability (taking into account only Plans with positive Unfunded Pension Liability) which ERISA Event or Events or Unfunded Pension Liability or Unfunded Pension Liabilities results or would reasonably be expected to result in liability of any Loan Party in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA which has resulted or could reasonably be expected to result in liability of any Loan Party in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect or (iii) with respect to a Foreign Plan, a termination, withdrawal, imposition of a Lien, noncompliance with applicable Law or plan terms or the occurrence of any other Foreign Benefit Event that would reasonably be expected to result in a Material Adverse Effect; or

(j) Invalidity of Certain Loan Documents. Any material provision of any Collateral Document and/or any Guaranty (in each case, subject to the Legal Reservations and the Perfection Exceptions), at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.03 or Section 7.04) or satisfaction in full of all the Obligations (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements, Secured Hedge Agreements, and Letters of Credit that have been Cash Collateralized or as to which arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) ceases to be in full force and effect (except that any such failure to be in full force and effect with respect to the documents referred to in clause (vii) of the definition of "Loan Documents" shall constitute an Event of Default only if the Borrower Representative receives notice thereof and the Borrowers fails to remedy the relevant failure in all material respects within 15 days of receiving said notice); or any Loan Party contests in writing the validity or enforceability of any provision of this Agreement, any Collateral Document and/or any Guaranty; or any Loan Party denies in writing that it has any or further liability or obligation under any Collateral Document or Guaranty (other than as a result of repayment in full of the Obligations (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements, Secured Hedge Agreements and Letters of Credit that have been Cash Collateralized or as to which arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made) and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Collateral Document or Guaranty or the perfected first priority Liens, or with respect to the ABL Priority Collateral (subject to the terms of the ABL Intercreditor Agreement), the perfected second priority Liens, created thereby (except as otherwise expressly provided in this Agreement or the Collateral Documents); or

(k) Change of Control. There occurs any Change of Control.

Notwithstanding anything to the contrary in this Agreement, (i) no Event of Default or breach of any representation or warranty in Article V or any covenant in Article VI or VII shall constitute a Default or Event of Default if such Event of Default or breach of such representation or warranty in Article V or such covenant in Article VI or VII would not have occurred but for a fluctuation (or other adverse change) in Exchange Rates and (ii) the parties hereto acknowledge and agree that remedies exercised against Canadian Loan Parties that constitute Excluded Subsidiaries with respect to the U.S. Obligations are not for the benefit of any obligation other than a Canadian Obligation.

Section 8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing (including any Event of Default arising by virtue of the termination and declaration contemplated by the proviso to Section 8.01(b)), the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders (and, if a Financial Covenant Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Revolving Lenders only, and in such case, without limiting the proviso to Section 8.01(b), only with respect to the Revolving Credit Facility, any Letters of Credit, L/C Credit Extensions and L/C Obligations), take any or all of the following actions:

(a) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;

(c) require that the U.S. Borrower to Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and/or

(d) exercise on behalf of itself, the L/C Issuers and the Lenders all rights and remedies available to it, the L/C Issuers and the Lenders under the Loan Documents, under any document evidencing Indebtedness in respect of which the Facilities have been designated as "Designated Senior Debt" (or any comparable term) and/or under applicable Law;

provided, however, that upon the occurrence of any Event of Default under Section 8.01(f) or (g) with respect to any Borrower or any other Loan Party, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the U.S. Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, in the event that the U.S. Borrower fails to comply with the requirements of the Financial Covenant at any time when the U.S. Borrower is required to comply with such Financial Covenant pursuant to the terms thereof, then from the end of the most recently ended fiscal quarter of the U.S. Borrower until the expiration of the fifteenth Business Day subsequent to the date the relevant Compliance Certificate is required to be delivered pursuant to Section 6.02(a) (the last day of such period being the "Anticipated Cure Deadline"), Holdings shall have the right (the "Cure Right") to issue common Capital Stock (or preferred equity or convertible preferred equity reasonably acceptable to the Administrative Agent) for cash and contribute the proceeds therefrom in the form of common Capital Stock (or preferred equity or convertible preferred equity reasonably acceptable to the Administrative Agent) to the U.S. Borrower or obtain a contribution to its equity (which shall be in the form of common equity or otherwise in a form reasonably acceptable to the Administrative Agent) ("Cure Equity"), and upon the receipt by the U.S.

Borrower of such cash (the "Cure Amount"), pursuant to the exercise by the Borrower Representative of such Cure Right, the calculation of Consolidated EBITDA as used in the Financial Covenant shall be recalculated giving effect to the following pro forma adjustments:

(i) Consolidated EBITDA for such fiscal quarter (and for any subsequent period that includes such fiscal quarter) shall be increased, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs (including the determination of amounts available under Section 7.05) or determining the Applicable Facility Fee or Applicable Rate, provided that, in determining the Applicable Facility Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing), by an amount equal to the Cure Amount; provided that (1) the receipt by the U.S. Borrower of the Cure Amount pursuant to the Cure Right shall be deemed to have no other effect on a consolidated basis under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs or determining the Applicable Facility Fee or Applicable Rate, provided that, in determining the Applicable Facility Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing) and (2) no Cure Amount shall reduce Indebtedness on a Pro Forma Basis for the fiscal quarter for which the Cure Right was exercised for purposes of calculating the Financial Covenant (whether as a result of a prepayment of the Loans or via netting of such Cure Amount); and

(ii) if, after giving effect to the foregoing recalculations, the U.S. Borrower shall then be in compliance with the requirements of the Financial Covenant, the U.S. Borrower shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred (and any other Default as a result thereof, including the failure to meet any condition requiring no Default or Event of Default based solely on the basis of any actual or purported Event of Default under the Financial Covenant) shall be deemed cured for the purposes of this Agreement; and

(iii) upon receipt by the Administrative Agent of written notice, on or prior to the Anticipated Cure Deadline, that the Borrower Representative intends to exercise the Cure Right in respect of a fiscal quarter, the Lenders (i) shall not be permitted to accelerate Loans held by them, to terminate the Revolving Credit Commitments held by them or to exercise remedies against the Collateral on the basis of a failure to comply with the requirements of the Financial Covenant, unless such failure is not cured pursuant to the exercise of the Cure Right on or prior to the Anticipated Cure Deadline and (ii) shall not be obligated to make any Credit Extension under the Revolving Credit Facility until such Cure Amount has been received by the U.S. Borrower.

(b) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in respect of which the Cure Right is not exercised, (ii) there can be no more than five fiscal quarters in respect of which the Cure Right is exercised during the term of the Facilities and (iii) for purposes of this Section 8.03, the Cure Amount utilized shall be no greater than the minimum amount required to remedy the applicable failure to comply with the Financial Covenant.

Section 8.04 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after an actual or deemed entry of an order for relief with respect to any Borrower under any Debtor Relief Law), any amounts received on account of the Obligations shall, subject to the provisions of Sections 2.16 and 2.17, be applied by the Administrative Agent in the following order:

(a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 10.04, Section 10.05 and amounts payable under Article III and amounts owing in respect of (x) the preservation of Collateral or the Collateral Agent's security interest in the Collateral or (y) with respect to enforcing the rights of the Secured Parties under the Loan Documents) payable to the Administrative Agent and the Collateral Agent in their respective capacity as such;

(b) second, to payment in full of Unfunded Advances/Participations (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent and the L/C Issuers pro rata in accordance with the amounts of Unfunded Advances/Participations owed to them on the date of any such distribution);

(c) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and Letter of Credit fees) payable to the Lenders and the L/C Issuers (including fees, disbursements and other charges of counsel payable under Sections 10.04 and 10.05) arising under the Loan Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause (c) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit fees and interest on the Loans and L/C Borrowings, ratably among the Lenders and the L/C Issuers in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, (i) to payment of that portion of the Obligations constituting unpaid principal of the Loans and the L/C Borrowings, that portion of the Obligations of the Loan Parties then owing in respect of regularly scheduled payments or termination payments (whether as a result of the occurrence of any event of default or other termination event) under the Secured Hedge Agreements and that portion of the Obligations of the Loan Parties then owing under the Secured Cash Management Agreements and (ii) to Cash Collateralize that portion of L/C Obligations comprising the aggregate undrawn amount of Letters of Credit to the extent not otherwise Cash Collateralized by the U.S. Borrower pursuant to Sections 2.03 and 2.16, ratably among the Lenders, the L/C Issuers, the Hedge Banks party to such Secured Hedge Agreements and the Cash Management Banks party to such Secured Cash Management Agreements in proportion to the respective amounts described in this clause (e) held by them; provided that (x) any such amounts applied pursuant to the foregoing clause (ii) shall be paid to the Administrative Agent for the ratable account of the applicable L/C Issuers to Cash Collateralize such L/C Obligations, (y) subject to Sections 2.03(d) and 2.16, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to this clause (e) shall be applied to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit without any pending drawing, the pro rata share of Cash Collateral attributable to such expired Letter of Credit shall be applied by the Administrative Agent in accordance with the priority of payments set forth in this Section 8.04;

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents or under Secured Hedge Agreements and the Secured Cash Management Agreements that are then due and payable to the Administrative Agent and the other Secured Parties, and not otherwise paid pursuant to clause (e) above, ratably based upon the respective aggregate amounts of all such Obligations and/or the Canadian Obligations then owing to the Administrative Agent and the other Secured Parties; and

(g) last, after all of the Obligations have been paid in full (other than contingent indemnification obligations not yet due and owing), to the applicable Borrower or as otherwise required by Law or the ABL Intercreditor Agreement;

provided that no amounts received from any Guarantor shall be applied to Excluded Swap Obligations of such Guarantor.

For the avoidance of doubt and notwithstanding anything to the contrary contained in this Agreement or any other Loan Document (including all Collateral Documents), no payments made by or amounts received or recovered from any Canadian Loan Party that constitutes an Excluded Subsidiary with respect to the U.S. Obligations shall be applied, directly or indirectly, to any obligation other than a Canadian Obligation.

If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired without any pending drawing, such remaining amount shall be applied to the other Obligations, if any, in accordance with the priority of payments set forth above. Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application of payments described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX for itself and its Affiliates as if a "Lender" party hereto.

It is understood and agreed by each Loan Party and each Secured Party that the Administrative Agent and Collateral Agent shall have no liability for any determinations made by it in this Section 8.04, in each case except to the extent resulting from the gross negligence, bad faith or willful misconduct of, or material breach of the Loan Documents by, the Administrative Agent or the Collateral Agent, as applicable (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Loan Party and each Secured Party also agrees that the Administrative Agent and the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

ARTICLE IX Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender and L/C Issuer hereby irrevocably appoints Credit Suisse and its successors and permitted assigns to act on its behalf as Administrative Agent hereunder and under the other Loan Documents (subject to the provisions in Section 9.09), and designates and authorizes the Administrative Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto. The Administrative Agent may perform any of its duties through its officers, directors, agents, employees, or affiliates. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions. Notwithstanding any provision to the

contrary contained elsewhere herein or in any other Loan Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties; additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby. The Administrative Agent is authorized by the Lenders and other Secured Parties to enter into any Collateral Allocation Agreement (including the Closing Date Collateral Allocation Agreement), the provisions of this Article IX shall apply to the Administrative Agent under each Collateral Allocation Agreement (including the Closing Date Collateral Allocation Agreement) and each Collateral Allocation Agreement (including the Closing Date Collateral Allocation Agreement) will be binding upon the Lenders and the other Secured Parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article IX and in the definition of “Agent-Related Person” included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) and Section 10.04 as if set forth in full herein with respect thereto and all references to Administrative Agent in this Article IX shall, where applicable, be read as including a reference to the Collateral Agent. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize (i) the Administrative Agent and Collateral Agent, as applicable, to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party and (ii) the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver, and to perform its obligations under, any and all documents (including releases, payoff letters and similar documents) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any intercreditor agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement).

(d) Without limiting the provisions of this Section 9.01, each Lender, acting for itself and on behalf of all other present and future Secured Parties, hereby irrevocably appoints and authorizes the Collateral Agent (and any successor acting as Collateral Agent) to act as the hypothecary representative (within the meaning of Article 2692 of the Civil Code of Québec) in order to hold, for the benefit of all present and future Secured Parties, any hypothec granted under the laws of the Province of Québec as security for the Canadian Obligations, and to exercise such rights and duties as are conferred upon the hypothecary representative under any such deed of hypothec and applicable laws (with the power to delegate any such rights or duties on such terms and conditions as it may determine from time to time). The Collateral Agent, in its capacity as hypothecary representative as aforesaid, shall benefit from and be subject to all provisions hereof with respect to the Collateral Agent, including, without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lenders. Any person who becomes a Secured Party shall be deemed to have consented to and confirmed the Collateral Agent as the Person acting as hypothecary representative as aforesaid and to have ratified, as of the date it becomes a Secured Party, all actions taken by the Collateral Agent in such capacity. The substitution of the Collateral Agent pursuant to the provisions of this Article IX shall also constitute the substitution of such Collateral Agent as hypothecary representative.

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by the Administrative Agent, as determined by a final non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.03 Liability of Agents.

(a) No Agent-Related Person shall be (i) liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence, bad faith, willful misconduct or material breach of the Loan Documents in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction), (ii) liable for any action taken or not taken by it (A) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (B) in the absence of its own gross negligence, bad faith, willful misconduct or material breach of the Loan Documents as determined by the final, non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein, (iii) responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or

any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, (iv) responsible for or have any duty to ascertain or inquire into the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder, (v) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral or (vi) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into monitor or enforce, compliance with the provisions relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information, to, or the restriction on any exercise of rights or remedies of, any Disqualified Institution.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), neither the Administrative Agent nor the Collateral Agent, as applicable, shall be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each L/C Issuer; provided, however, that neither the Administrative Agent nor the Collateral Agent, as applicable, shall be required to take any action that (i) the Administrative Agent or the Collateral Agent, as applicable, in good faith believes exposes it to liability unless the Administrative Agent or the Collateral Agent, as applicable, receives an indemnification satisfactory to it from the Lenders and the L/C Issuers with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of Law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of Law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent or the Collateral Agent, as applicable, may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Neither the Administrative Agent nor the Collateral Agent, as applicable, shall have any duty to disclose, except as expressly set forth herein and in the other Loan Documents, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent or the Collateral Agent, as applicable, to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution.

Section 9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, Internet or intranet website posting or other distribution statement or other document or conversation reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons. Each Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with, and rely upon (and be fully protected in relying upon), advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Sections 4.01 and 4.02, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date, specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower Representative referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders or the Required Revolving Lenders, as applicable, in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any loss, cost or expense suffered by any Borrower, any Subsidiary, any Lender or any L/C Issuer as a result of any determination of the outstanding Revolving Credit Commitments, any of the component amounts thereof or any portion thereof attributable to each Lender or L/C Issuer, or any Exchange Rate or Dollar-equivalent in the absence of its own gross negligence, bad faith, willful misconduct or material breach of the Loan Documents in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person. Each Lender, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall, on a ratable basis based on such Lender's Pro Rata Share of all the Facilities, indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), and hold harmless each Agent-Related Person in each case from and against any and all Indemnified Liabilities incurred by such Agent-Related Person (including, for the avoidance of doubt, any such Agent-Related Person in its capacity as L/C Issuer); provided, however, that no Lender shall be liable for any Indemnified Liabilities incurred by an Agent-Related Person to the extent such Indemnified Liabilities are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence, bad faith or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence, bad faith or willful misconduct for purposes of this Section 9.07; provided, further, that to the extent any L/C Issuer is entitled to indemnification under this Section 9.07 solely in its capacity and role as a L/C Issuer, only the Revolving Credit Lenders shall be required to indemnify such L/C Issuer under this Section 9.07 (which indemnity shall be provided by such Lenders based upon their respective Pro Rata Share of the Revolving Credit Facility). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 shall apply whether or not any

such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrowers; provided that such reimbursement by the Lenders shall not affect the Borrowers' continuing reimbursement obligations with respect thereto; provided further, that failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation or removal of the Administrative Agent.

Section 9.08 Agents in Their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent or a L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent or a L/C Issuer, and the terms "Lender" and "Lenders" include such Agent in its individual capacity (unless otherwise expressly indicated or unless the context otherwise requires).

Section 9.09 Successor Agents.

(a) The Administrative Agent or Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to Borrower Representative and the Lenders; provided that, if at the time of such resignation, there is a successor Administrative Agent or Collateral Agent, as applicable, satisfactory to each of the resigning Agent, the incoming Agent and the Borrower Representative, each, in its sole discretion, then the resigning Agent, the incoming Agent and the Borrower Representative may agree to waive or shorten the 30 day notice period. If the Administrative Agent or Collateral Agent or a controlling Affiliate of the Administrative Agent or the Collateral Agent is subject to an Agent-Related Distress Event, the Borrower Representative may remove such Agent from such role upon ten (10) days' written notice to the Lenders. Upon receipt of any such notice of resignation or removal, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be subject to the consent of the Borrower Representative at all times other than during the existence of an Event of Default under Section 8.01(a), (f), or (g) (which consent of the Borrower Representative shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation or removal, as applicable, of the Administrative Agent or Collateral Agent, as applicable, the Administrative Agent or Collateral Agent (other than to the extent subject to an Agent-Related Distress Event or if the Administrative Agent is being removed as a result of it being a Disqualified Institution), as applicable, may appoint, after consulting with the Lenders and the Borrower Representative, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor administrative agent or such successor collateral agent, as

applicable, and the retiring Administrative Agent's or Collateral Agent's appointment, powers and duties as the Administrative Agent or Collateral Agent, as applicable, shall be terminated. After the retiring Administrative Agent's or Collateral Agent's resignation or removal hereunder as the Administrative Agent or Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or Collateral Agent by the date which is 30 days following the retiring Administrative Agent's or Collateral Agent's notice of resignation or removal, the retiring Administrative Agent's or Collateral Agent's resignation or removal shall nevertheless thereupon become effective and (i) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed, for the avoidance of doubt any agency fees for the account of the retiring agent shall cease to accrue from (and shall be payable on) the date that a successor Agent is appointed), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.09 and (iii) the Lenders shall perform all of the duties of the Administrative Agent or Collateral Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent or Collateral Agent, as applicable, shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Collateral Agent. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor or upon the expiration of the 30-day period following the retiring Administrative Agent's or Collateral Agent's notice of resignation or removal without a successor agent having been appointed, the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents other than as specifically set forth in clause (i) above of this Section 9.09(a) but the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable. At any time the Administrative Agent or Collateral Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Administrative Agent or Collateral Agent may be removed as the Administrative Agent or Collateral Agent hereunder at the request of the Borrower Representative and the Required Lenders.

(b) Any resignation by or removal of Credit Suisse as Administrative Agent and/or Collateral Agent pursuant to this Section 9.09 shall also constitute its resignation or removal as a L/C Issuer, in which case the resigning or removed L/C Issuer (x) shall not be required to issue any further Letters of Credit and (y) shall maintain all of its rights as L/C Issuer with respect to any Letters of Credit issued by it, prior to the date of such resignation or removal. Upon the acceptance of a successor's appointment as Administrative Agent and/or Collateral Agent hereunder or upon the expiration of the 30-day period following the retiring Administrative Agent's and/or Collateral Agent's notice of resignation or removal without a successor agent having been appointed, (i) such successor (if any) shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C

Issuer, (ii) the retiring L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents and (iii) the successor L/C Issuer (if any) shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make (or the U.S. Borrower shall enter into) other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, administrative receivership, judicial management, insolvency, liquidation, bankruptcy, reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel to the extent provided for herein and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(h) and (i), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any administrator, administrative receiver, custodian, receiver, assignee, trustee, judicial manager, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts, in each case, due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. Except with respect to the exercise of setoff rights in accordance with Section 10.09 or with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, on behalf of the Secured Parties in accordance with the terms thereof. Each of the Lenders (including in their capacities as potential or actual Hedge Banks party to a Secured Hedge Agreement and potential or actual Cash Management Banks party to a Secured Cash Management Agreement) and each L/C Issuer irrevocably authorize the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent shall to the extent requested by the

Borrower Representative or, solely in the case of clause (d) below, to the extent provided for under this Agreement:

(a) release any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations and/or, in the case of any Lien on any Canadian Collateral, all Canadian Obligations, as applicable (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration without any pending drawing or termination of all Letters of Credit (other than Letters of Credit that have been, in each case, Cash Collateralized or as to which arrangements satisfactory to the L/C Issuer that issued such Letters of Credit have been made), (ii) that is sold, disposed of or distributed or to be sold, disposed of or distributed as part of or in connection with any transaction permitted hereunder or under any other Loan Document, in each case to a Person that is not a Loan Party, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders, (iv) that constitutes Excluded Property as a result of an occurrence not prohibited hereunder or (v) owned by a Subsidiary Guarantor or Co-Borrower upon release of such Subsidiary Guarantor or Co-Borrower from its obligations under its Guaranty or hereunder, as applicable, pursuant to clause (c) below;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document to the holder of any Permitted Lien on such property that is permitted by clauses (1), (4), (5), (6) (only with regard to Section 7.01(d)), (9), (11) (solely with respect to cash deposits), (16), (17) (other than with respect to self-insurance arrangements), (18) (solely to the extent constituting Excluded Property), (19), (21), (23) (solely to the extent relating to a lien of the type allowed pursuant to clauses (9) and (11) (solely with respect to cash deposits) of the definition thereof), (25) (solely to the extent relating to a lien of the type allowed pursuant to clause (6) of the definition of "Permitted Liens" and securing obligations under Indebtedness of the type allowed pursuant to Section 7.01(d)), (26) (solely to the extent the Lien of the Collateral Agent on such property is not, pursuant to such agreements, permitted to be senior to or *pari passu* with such Liens), (29) (solely with respect to cash deposits), (34), (39) (only for so long as required to be secured for such letter of intent or investment), (45), (46) and (47) of the definition thereof;

(c) release any Guarantor or any Co-Borrower from its obligations under the applicable Guaranty or hereunder, as applicable, if in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary or otherwise becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; provided that no such release shall occur if such Guarantor or Co-Borrower continues to be a guarantor or co-borrower, as applicable, in respect of any Specified Refinancing Debt, any Refinancing Notes, the Senior Notes, the ABL Facility, any Incremental Equivalent Debt or, to the extent incurred by a Loan Party (other than Holdings), any other Indebtedness, in each case, with an aggregate outstanding principal amount in excess of \$150,000,000; and

(d) establish intercreditor arrangements as expressly contemplated by this Agreement (including, for the avoidance of doubt, the ABL Intercreditor Agreement).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral

Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11. Additionally, upon reasonable request of the Borrower Representative, the Collateral Agent will return possessory Collateral held by it that is released from the security interests created by the Collateral Documents pursuant to this Section 9.11; provided that in each case of this Section 9.11, upon the Collateral Agent's reasonable request, the Borrower Representative shall have delivered to the Administrative Agent and Collateral Agent a certificate of a Responsible Officer of the Borrower Representative certifying that any such transaction has been consummated in compliance with the Credit Agreement and the other Loan Documents and that such release is permitted hereby; provided, that in the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by any Borrower, upon reasonable request of Borrower Representative, the Collateral Agent shall provide a loss affidavit to Borrower Representative, in the form customarily provided by the Collateral Agent in such circumstances.

Section 9.12 Other Agents; Arranger and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "documentation agent," "joint lead arranger," or "joint bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such; provided that each Arranger shall be entitled to any express rights given to that Arranger under any Loan Document. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Secured Cash Management Agreements or Secured Hedge Agreement, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent under the Loan Documents, and shall be deemed to have appointed the Collateral Agent to serve as collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

Section 9.14 Appointment of Supplemental Agents, Incremental Arrangers, Incremental Equivalent Debt Arrangers and Specified Refinancing Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or the Collateral Agent

deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and the Collateral Agent are hereby authorized to appoint an additional individual or institution selected by them in their sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent, as applicable (any such additional individual or institution being referred to herein individually as a "Supplemental Agent" and collectively as "Supplemental Agents").

(b) In the event that the Administrative Agent or the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent or the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Administrative Agent and the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Supplemental Agent, as the context may require.

(c) Should any instrument in writing from any Borrower, Holdings or any other Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrowers or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Agent.

(d) In the event that any Borrower appoints or designates any Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent pursuant to Sections 2.14, 2.15 and 2.18, as applicable, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an agent or arranger with respect to New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, as applicable, shall be exercisable by and vest in such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to the extent, and only to the extent, necessary to enable such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to exercise such rights, powers and privileges with respect to the New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, as applicable, and to perform such duties with respect to such New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent shall run to and be enforceable by either the Administrative Agent or such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent, and

(ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent, as the context may require. Each Lender and L/C Issuer hereby irrevocably appoints any Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to act on its behalf hereunder and under the other Loan Documents pursuant to Sections 2.14, 2.15 and 2.18, as applicable, and designates and authorizes such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto.

Section 9.15 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized by the Lenders and other Secured Parties to, to the extent required by the terms of the Loan Documents, (i) enter into the ABL Intercreditor Agreement and any other intercreditor agreement expressly contemplated by this Agreement or any other Loan Document, (ii) enter into any Collateral Document, or (iii) make or consent to any filings or take any other actions in connection therewith (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and the parties hereto acknowledge that any intercreditor agreement, Collateral Document, consent, filing or other action will be binding upon them. Each Lender and other Secured Party (a) understands, acknowledges and agrees that Liens will be created on the Collateral pursuant to the ABL Loan Documents, which Liens shall be subject to the terms and conditions of the ABL Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the ABL Intercreditor Agreement or any other intercreditor agreement (if entered into) and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the ABL Intercreditor Agreement and any other intercreditor agreement expressly contemplated by this Agreement or any other Loan Document or Collateral Document (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 9.16 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold

tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

Section 9.17 Credit Bidding. Each Lender and L/C Issuer hereby irrevocably authorizes the Administrative Agent (and the Collateral Agent at the direction of the Administrative Agent), at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any other Debtor Relief Laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.01 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or

debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

ARTICLE X
Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise expressly set forth in this Agreement or the applicable Loan Document, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or by the Administrative Agent at the instruction of the Required Lenders) and the Borrowers or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent to the extent the Administrative Agent is not a Defaulting Lender (other than with respect to any amendment or waiver contemplated in clause (h) below, which shall only require the consent of the Required Revolving Lenders), and each such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender, or reinstate the Commitment of any Lender after the termination of such Commitment pursuant to Section 8.02, in each case without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of (or amendment to the terms of) any Default or Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) subject to the last paragraph of the definition of "Eurocurrency Rate", postpone any date scheduled for, or reduce the amount of, any payment of principal of, or interest on, any Loan or L/C Borrowing or any fees or other amounts payable hereunder, without the written consent of each Lender directly and adversely affected thereby (and subject to such further requirements as may be applicable thereto under Section 2.19), it being understood that the waiver of any obligation to pay interest at the Default Rate, or the amendment or waiver of any mandatory prepayment of Loans under the Term Facilities shall not constitute a postponement of any date scheduled for the payment of principal, interest or fees;

(c) reduce the principal of, or the rate of interest specified herein on, or change the currency of, any Loan or L/C Borrowing (it being understood that a waiver of any Default or Event of Default or mandatory prepayment shall not constitute a reduction or forgiveness of principal), or (subject to clause (iii) of the proviso following clause (h) below) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definitions of Consolidated First Lien Net Leverage Ratio shall not constitute a reduction in any rate of interest or any fees based thereon; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of any Borrower to pay interest at the Default Rate;

(d) amend or otherwise modify Section 6.01(c) or Section 6.02, without the consent of the majority of Lenders that have selected the "Private Side Information" or similar designation (as in effect at the time of the relevant vote); provided, however, that the amendments, modifications, waivers and consents described in this clause (d) shall not require the consent of any Lenders other than the Majority of Lenders that have selected the "Private Side Information" or similar designation (as in effect at the time of the relevant vote);

(e) change (i) any provision of this Section 10.01, or the definition of Required Lenders, or any other provision hereof specifying the number or percentage of Lenders or portion of the Loans or Commitments required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder (other than the definition specified in clause (ii) of this Section 10.01(e) or modifications in connection with repurchases of Term Loans, amendments with respect to the New Term Facilities or New Revolving Facility and amendments with respect to extensions of maturity, which shall only require the written consent of each Lender directly and adversely affected thereby), without the written consent of each Lender, or (ii) the definition of "Required Revolving Lenders," without the written consent of each Revolving Credit Lender;

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Liens on the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(g) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, or all or substantially all of the Guarantors, without the written consent of each Lender; or

(h) (i) amend or otherwise modify Section 7.08 (or for the purposes of determining compliance with the Financial Covenant, any defined terms used therein) or Section 8.03, (ii) waive or consent to any Default or Event of Default resulting from a breach of the Financial Covenant, (iii) alter the rights or remedies of the Required Revolving Lenders arising pursuant to Article VIII as a result of a breach of Section 7.08 or (iv) waive any condition precedent set forth in Section 4.02 with respect to Credit Extensions involving the Revolving Credit Facility, in each case, without the written consent of the Required Revolving Lenders (other than any Defaulting Lender); provided, however, that the amendments, modifications, waivers and consents described in this clause (h) shall not require the consent of any Lenders other than the Required Revolving Lenders;

and provided further that (i) no amendment, waiver or consent shall, unless in writing and signed by a L/C Issuer in addition to the Borrowers and the Lenders required above, affect the rights or duties of such L/C Issuer, in its capacity as such, under this Agreement or any Letter of Credit Application or other Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) [reserved]; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, the Collateral Agent in their respective capacities as such, in addition to the Borrowers and the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or the Collateral Agent, as applicable, under this Agreement or any other Loan Document; (iv) any fee letter may be amended, or the rights or privileges thereunder waived, in a writing executed only by the parties thereto and (v) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification. Notwithstanding anything to the contrary herein, any amendment, modification, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders or Affiliate Lenders (other than Debt Fund Affiliates), except that (x) no amendment, waiver or consent relating to Section 10.01(a), (b) or (c) may be effected, in each case without the consent of such Defaulting Lender or Affiliate Lender and (y) any amendment, modification, waiver or other action that by its terms adversely affects any Defaulting Lender or Affiliate Lender in its capacity as a Lender in a manner that differs in any material respect from, and is more adverse to such Defaulting

Lender or Affiliate Lender than it is to, other affected Lenders shall require the consent of such Defaulting Lender or Affiliate Lender. Notwithstanding anything to the contrary herein, (1) any waiver, amendment, modification or consent in respect of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement or any other Loan Document of Lenders holding Loans or Commitments of a particular Tranche (but not the Lenders holding Loans or Commitments of any other Tranche) may be effected by an agreement or agreements in writing entered into by the Borrowers and the requisite percentage in interest of the Lenders with respect to such Tranche that would be required to consent thereto under this Section 10.01 if such Lenders were the only Lenders hereunder at the time and (2) to the extent any Lenders under any New Revolving Facility have elected to not receive the benefit of the Financial Covenant, the New Revolving Commitments and New Revolving Loans of such Lenders shall be excluded in calculating the votes of any "Required Revolving Lenders" for purposes of Section 10.01(h), Section 8.01(b), Section 8.02 or Section 8.03.

This Section 10.01 shall be subject to any contrary provision of Section 2.14 or Section 2.18. In addition, notwithstanding anything else to the contrary contained in this Section 10.01, (a) amendments and modifications in connection with the transactions provided for by Section 2.14 or Section 2.18 that benefit existing Lenders may be effected without such Lenders' consent, (b) if the Administrative Agent and the Borrowers shall have jointly identified an obvious error or any error, ambiguity or omission, defect or inconsistency of a technical nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Borrowers shall be permitted to amend such provision and (c) the Administrative Agent and the Borrowers shall be permitted to amend any provision of any Collateral Document, the Guaranty, or enter into any new agreement or instrument, to be consistent with this Agreement and the other Loan Documents or as required by local law to give effect to any guaranty, or to give effect to or to protect any security interest for the benefit of the Secured Parties, in any property so that the security interests comply with applicable Law, and in each case, such amendments, documents and agreements shall become effective without any further action or consent of any other party to any Loan Document.

Notwithstanding anything to the contrary herein, in connection with any amendment, modification, waiver or other action requiring the consent or approval of Required Lenders, Lenders that are Debt Fund Affiliates shall not be permitted, in the aggregate, to account for more than 49.9% of the amounts actually included in determining whether the threshold in the definition of "Required Lenders" has been satisfied. The voting power of each Lender that is a Debt Fund Affiliate shall be reduced, pro rata, to the extent necessary in order to comply with the immediately preceding sentence.

Section 10.02 Notices; Electronic Communications.

(a) General. Unless otherwise expressly provided herein, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, any other Loan Party, the Administrative Agent, the Collateral Agent or a L/C Issuer, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, telecopier number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties hereto, as provided in Section 10.02(d); and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any L/C Issuer pursuant to Article II if such Lender or such L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving, or is unwilling to receive, notices under Article II by electronic communication. The Administrative Agent or the Borrower Representative may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes (with the Borrower Representative's consent), (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT-RELATED PERSONS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT-RELATED PERSON IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower Representative's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of, or material breach of the Loan Documents by, such Agent-Related Person; provided, however, that in no event shall any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, any L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of Holdings, the Borrowers, the other Guarantors, the Administrative Agent, the Collateral Agent and each L/C Issuer may change its address, telecopier, telephone number or electronic mail address for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier, telephone number or electronic mail address for notices and other communications hereunder by notice to the Borrower Representative, the Administrative Agent and each L/C Issuer. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrowers or their securities for purposes of United States federal or state securities laws.

(e) Reliance by Administrative Agent, Collateral Agent, L/C Issuer and Lenders. The Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower Representative even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof except to the extent such reliance is deemed to be gross negligence, bad faith or willful misconduct of, or material breach of the Loan Documents by, the Administrative Agent, Collateral Agent, L/C Issuer or Lender in a final non-appealable judgment of a court of competent jurisdiction. The Borrowers shall indemnify the Administrative Agent, the Collateral Agent, each L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower Representative to the extent required by Section 10.05. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies; Enforcement.

(a) No failure by any Lender, any L/C Issuer, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided hereunder and under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them, and the right to realize upon any of the Collateral or to enforce any Guarantee of the Obligations and/or the Canadian Obligations shall be vested exclusively in, and all

actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent or the Collateral Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as the Administrative Agent or the Collateral Agent) hereunder and under the other Loan Documents, (b) each L/C Issuer from exercising the rights and remedies that inure to its benefit (solely in its capacity as a L/C Issuer) hereunder and under the other Loan Documents, or (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13); and provided further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. In the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender (or any person nominated by them) may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold in any such public sale, to use and apply any of the Obligations and/or the Canadian Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such sale.

Section 10.04 Expenses. The U.S. Borrower agrees (a) to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents (including reasonable expenses incurred in connection with due diligence and travel, courier, reproduction, printing and delivery expenses), and any amendment, waiver, consent or other modification of the provisions hereof and thereof, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable, documented out-of-pocket fees, disbursements and other charges of one primary counsel to the Agents and, if reasonably necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and special counsel for each relevant specialty), and (b) to pay or reimburse the Administrative Agent, the other Agents and each Lender (including, for the avoidance of doubt, each L/C Issuer) for all reasonable documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the fees, disbursements and other charges of counsel (limited to the reasonable fees, documented out-of-pocket disbursements and other charges of one counsel to the Administrative Agent, the other Agents and the Lenders taken as a whole, and, if reasonably necessary, of one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and of special counsel for each relevant specialty and, in the event of any actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction for each Lender or group of similarly affected Lenders or Agents subject to such conflict with the consent of the U.S. Borrower). The foregoing costs and expenses shall include all reasonable search, filing, recording, title insurance and appraisal charges and fees, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within 30 days after invoiced or demand therefor (with a reasonably detailed invoice with respect thereto) (except for any such costs and expenses incurred prior to the Closing Date, which shall be paid

on the Closing Date to the extent invoiced at least five Business Days prior to the Closing Date). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If the U.S. Borrower fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of the U.S. Borrower by the Administrative Agent after any applicable grace periods have expired, in its sole discretion and the U.S. Borrower shall immediately reimburse the Administrative Agent, as applicable. This Section 10.04 shall not apply with respect to Taxes other than any Taxes arising from any non-Tax cost or expense.

Section 10.05 Indemnification by the U.S. Borrower. The U.S. Borrower shall indemnify and hold harmless each Arranger, each Agent-Related Person, each Lender, each L/C Issuer, each of their respective Affiliates and each partner, director, officer, employee, counsel, agent and representative of the foregoing and, in the case of any funds, trustees and advisors and attorneys-in-fact (collectively, the "Indemnitees") from and against (and will reimburse each Indemnitee, as and when incurred, for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the reasonable and documented out-of-pocket fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the U.S. Borrower and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnitee in each relevant jurisdiction material to the interests of the Lenders, and (iii) if reasonably necessary, one local counsel in each jurisdiction material to the interests of the Indemnitees (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or by reason of (x) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the following, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding): (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, disbursements, fees or related expenses are determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from (A) the bad faith, gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or controlling persons or any of the officers, directors, employees, agents, advisors, or members of any of the foregoing, (B) a material breach of the Loan Documents by such Arranger, Agent-Related Person, Lender, L/C Issuer (or any of their respective Affiliates, partners, directors, officers, employees, counsel, agents and representatives), as the case may be, as determined by a court of competent jurisdiction in a final and non-appealable decision or (C) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent or any L/C Issuer, in each case in their respective capacities as such) that, in the case of (A), (B) or (C), a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of the U.S. Borrower or its Subsidiaries or any of their respective Affiliates; or (y) any actual or alleged presence or Release of Hazardous Materials on or from any property currently or formerly owned or operated by the U.S. Borrower or its Subsidiaries and any other Environmental Liability related in any way to Holdings or any of its Subsidiaries ((x) and (y), collectively, the "Indemnified Liabilities"), in all cases, provided

that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through the Platform or other information transmission systems (including electronic telecommunications) in connection with this Agreement unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that such waiver of special, punitive, indirect or consequential damages shall not limit the indemnification obligations of the Loan Parties under this Section 10.05. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, and whether or not any Indemnitee is otherwise a party thereto. Should any investigation, litigation or proceeding be settled, or if there is a judgment in any such investigation, litigation or proceeding, the U.S. Borrower shall indemnify and hold harmless each Indemnitee in the manner set forth above; provided that the U.S. Borrower shall not be liable for any settlement effected without the U.S. Borrower's prior written consent (such consent not to be unreasonably withheld, delayed or conditioned). All amounts due under this Section 10.05 shall be payable within 30 days after demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of any Borrower is made to any Agent, to any L/C Issuer or any Lender, in each case in their capacities as such, or any Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent, such L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee (other than to any Disqualified Institution or Natural Person) in accordance with the provisions of Section 10.07(b), (ii) by way of

participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f) or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations) at the time owing to it); provided that:

(i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility, no minimum amount shall need be assigned, and (B) in any case not described in clause (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000 (or equivalent) or integral multiples of \$1,000,000 (or equivalent) (or such lesser amount or multiple as is acceptable to the Administrative Agent and the Borrower Representative), in the case of any assignment in respect of the Revolving Credit Facility, or \$1,000,000 or integral multiples of \$100,000 (or equivalent) (or such lesser amount or multiple as is acceptable to the Administrative Agent and the Borrower Representative), in the case of any assignment in respect of a Term Facility, in each case unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the U.S. Borrower otherwise consents (in each case, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities (or tranche of any Facilities) on a non-pro rata basis;

(iii) no consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section 10.07 and, in addition (A) the consent of the Borrower Representative (such consent not to be unreasonably withheld, conditioned or delayed; provided that (x) the Borrower Representative shall have absolute consent rights with regards to any proposed assignment to a Disqualified Institution and (y) investment objectives and/or history of any proposed lender or its affiliates, shall be a reasonable basis for the Borrower Representative to withhold consent) shall be required for any assignment unless (1) an Event of Default under Section 8.01(a) (only with respect to principal payments), (f) or (g) has occurred and is continuing at the time of such assignment; (2) such assignment is in respect of a Term Facility and is to a Lender, an Affiliate of a Lender or an Approved Fund (other than any Disqualified Institution); (3) such assignment is in respect of a Term Facility and is from a Principal Investor Lender to another Principal Investor; (4) such assignment is in respect of the

Revolving Credit Facility and made from a Revolving Credit Lender to an Affiliate of such Revolving Credit Lender (provided that such affiliate must be a controlled bank affiliate and not a loan syndicate affiliate) or another Revolving Credit Lender that was a Revolving Credit Lender as of the Closing Date (other than any Disqualified Institution); or (5) such assignment is in respect of the Revolving Credit Facility and is from a Principal Investor Lender to an Affiliate of Goldman Sachs & Co. LLC; provided that (1) other than with respect to assignments of the Revolving Credit Facility, the Borrower Representative shall be deemed to have consented to any assignment unless the Borrower Representative objects thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof and (2) during the 90 day period following the Closing Date, the Borrower Representative shall be deemed to have consented to an assignment to any Lender if such Lender was previously identified and approved in the initial allocations of the Loans and Commitments provided by the Arrangers to the Borrower Representative, (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment unless (1) such assignment is in respect of a Term Facility and is to a Lender, an Affiliate of a Lender or an Approved Fund or is from a Principal Investor Lender to any other Principal Investor or (2) such assignment is in respect of the Revolving Credit Facility and is to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender or an Approved Fund related thereto or from a Principal Investor Lender to any other Principal Investor (provided that in each case the Administrative Agent shall acknowledge any such assignment) and (C) the consent of each L/C Issuer of the applicable Revolving Tranche (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment in respect of the Revolving Credit Facility of such Revolving Tranche; provided, however, that the consent of each L/C Issuer shall not be required for any assignment in respect of a Term Loan;

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), together with a processing and recordation fee of \$3,500 for each assignment (or group of affiliated or related assignments) (except (v) no processing and recordation fee shall be payable in the case of assignments in connection with the initial syndication of the Facilities, (w) in the case of contemporaneous assignments by any Lender to one or more Approved Funds, only a single processing and recording fee shall be payable for such assignments, (x) no processing and recordation fee shall be payable for assignments among Approved Funds or among any Lender and any of its Approved Funds, (y) no processing and recordation fee shall be payable in the case of assignments made by a Principal Investor to any other Principal Investor and (z) the Administrative Agent, in its sole discretion, may elect to waive such processing and recording fee in the case of any assignment). Each Eligible Assignee that is not an existing Lender shall deliver to the Administrative Agent an Administrative Questionnaire;

(v) no such assignment shall be made (A) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary of a Defaulting Lender, (B) to any Natural Person, (C) to any Disqualified Institution, (D) to Holdings, any Borrower or any their Subsidiaries except as permitted under clause (j) below or (E) to any Affiliate Lender except as permitted under Section 10.07(i);

(vi) no Revolving Credit Commitments or Revolving Credit Loans may be assigned to any Affiliate Lender;

(vii) the assigning Lender shall deliver any Notes or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Borrower Representative evidencing such Loans to the Borrower Representative or the Administrative Agent; and

(viii) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Representative and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any L/C Issuer or Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit in accordance with its Pro Rata Share; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this clause, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, and subject to the obligations set forth in Section 10.08). Upon request, and the surrender by the assigning Lender of its Note (or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Borrower Representative), the Borrower Representative (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution) that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d). In connection with obtaining the Borrower Representative's consent to assignments in accordance with this clause (b), the Borrower Representative shall be permitted to designate up to three additional individuals (which, for the avoidance of doubt, may include officers or employees of the Sponsor) who shall be copied on any consent requests (or receive separate notice of such proposed assignments) from the Administrative Agent.

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register in which it shall record the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as Defaulting Lender. The Register shall be available for inspection by any Borrower, any Agent and any

Lender (but only to entries with respect to itself), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c), Section 10.07(m) and Section 2.11 shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury Regulations (or any other relevant or successor provisions of the Code or of such Treasury Regulations).

(d) Any Lender may at any time, without the consent of, or (subject to clause (iv) below) notice to, the Borrower Representative, the Administrative Agent or the L/C Issuers, sell participations to any Person (other than a Natural Person, an Affiliate Lender (other than a Debt Fund Affiliate), a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender or a Disqualified Institution) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender’s participations in L/C Obligations) owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Borrower Representative, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement, and (iv) in the case of any participation in any Revolving Credit Commitments, such Lender shall provide the Borrower Representative with five (5) Business Days prior written notice of such participation and such other reasonably available information with respect to the applicable participant that the Borrower Representative may reasonably request. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document unless otherwise agreed by the Borrower Representative; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (in the case of any amendment, waiver or other modification described in clause (a), (b) or (c) of such proviso, that directly and adversely affects such Participant). Subject to Section 10.07(e), the Borrower Representative agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections (it being understood that the documentation required under Section 3.01(h) shall be delivered solely to the participating Lender) and Section 3.08) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant (i) agrees to be subject to the provisions of Section 3.08 as if it were an assignee pursuant to Section 10.07(b) and (ii) shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that a Participant’s right to a greater payment results from a change in any Law after the Participant becomes a Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a Disqualified Institution or a Natural Person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a FRB or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the applicable Borrower (an “SPC”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b). Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of any Borrower under this Agreement (including under Section 3.01, 3.04 or 3.05), except to the extent that the SPC’s right to a greater payment results from a change in any Law after the grant to the SPC takes place. Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender of record hereunder. Other than as expressly provided in this Section 10.07(g), (A) such Granting Lender’s obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender’s rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower Representative and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its rights hereunder with respect to any Loan to the Granting Lender and (ii) subject to Section 10.08, disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to any Affiliate Lender (including any Debt Fund Affiliate), but only if:

(i) the assigning Lender and Affiliate Lender purchasing such Lender’s Term Loans, Specified Refinancing Term Loans or New Term Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an “Affiliate Lender Assignment and Assumption”) in lieu of an Assignment and Assumption;

(ii) after giving effect to such assignment, Affiliate Lender (other than Debt Fund Affiliates) shall not, in the aggregate, own or hold Term Loans and any *pari passu* Specified Refinancing Term Loans and New Term Loans with an aggregate principal amount in excess of 25% in the aggregate of the principal amount of all such Indebtedness then outstanding (calculated as of the date of such purchase); and

(iii) such Affiliate Lender (other than Debt Fund Affiliates) shall at all times thereafter be subject to the voting restrictions specified in Section 10.01.

(j) Notwithstanding anything to the contrary herein, so long as no Default or Event of Default pursuant to Section 8.01(a), (f) or (g) exists, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to Holdings or any of its Subsidiaries, but only if:

(i) (A) such assignment is made pursuant to a Dutch Auction open to all Term Lenders, Specified Refinancing Term Loan lenders or New Term Loan lenders on a pro rata basis or (B) such assignment is made as an open market purchase;

(ii) [reserved];

(iii) any such Term Loans shall be automatically and permanently cancelled immediately upon acquisition thereof by Holdings or any of its Subsidiaries; and

(iv) Holdings and its Subsidiaries do not use the proceeds of the Revolving Credit Facility (whether or not the Revolving Credit Facility has been increased pursuant to Section 2.14 or refinanced pursuant to Section 2.18) to acquire such Term Loan.

In connection with any assignment pursuant to Section 10.07(i) or (j), each Lender acknowledges and agrees that, in connection therewith, (1) the Affiliate Lender, Holdings and/or any of its Subsidiaries may have, and later may come into possession of, information regarding the Sponsor, Holdings, any of its Subsidiaries and/or any of their respective Affiliates not known to such Lender and that may be material to a decision by such Lender to participate in such assignment (including material non-public information) ("Excluded Information"), (2) such Lender, independently and, without reliance on the Affiliate Lender, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Affiliate Lender, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Affiliate Lender, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information.

(k) Notwithstanding anything to the contrary herein, (i) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any other Lender to which representatives of the Borrowers are not then present, (ii) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to receive any information or material prepared by the Administrative Agent or any other Lender or any communication by or among the Administrative Agent and one or more other Lenders, except to the

extent such information or materials have been made available to the Borrowers or their representatives, (iii) no Revolving Credit Commitments or Revolving Credit Loans may be assigned to any Sponsor or any of their respective Affiliates and (iv) neither the Sponsor nor any of its Affiliates (other than Debt Fund Affiliates) may be entitled to receive advice of counsel to the Agents or other Lenders and none of them shall challenge any assertion of attorney-client privilege by any Agent or other Lender. Each Borrower and each Affiliate Lender (other than any Debt Fund Affiliates) hereby agrees that if a case under Title 11 of the Bankruptcy Code is commenced against any Borrower, such Affiliate Lenders, with respect to any plan of reorganization that does not adversely affect any Affiliate Lender in any material respect as compared to other Lenders, shall be deemed to have voted in the same proportion as the Lenders that are not Affiliate Lenders voting on such matter; and each Affiliate Lender (other than any Debt Fund Affiliates) hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the Bankruptcy Code is not deemed to have been so voted, then such vote will be “designated” pursuant to Section 1126(e) of the Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the Bankruptcy Code.

(l) Notwithstanding anything to the contrary herein, any L/C Issuer may, upon 30 days’ notice to the Borrower Representative and the Lenders, resign as L/C Issuer; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer shall have identified a successor L/C Issuer willing to accept its appointment as successor L/C Issuer, and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the L/C Issuer. In the event of any such resignation as L/C Issuer, the U.S. Borrower shall be entitled to appoint from among the Lenders agreeing to accept such appointment a successor L/C Issuer hereunder; provided, however, that no failure by the U.S. Borrower to appoint any such successor shall affect the resignation of the L/C Issuer. If a L/C Issuer resigns as L/C Issuer, it shall retain all the rights and obligations of a L/C Issuer hereunder with respect to all Letters of Credit outstanding, as of the effective date of such resignation and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(d)). Upon the appointment of a successor L/C Issuer, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(m) The applicable Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers (solely for tax purposes), shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the amount of each such SPC’s and Participant’s interest in such Lender’s rights and/or obligations under this Agreement or any Loan Document complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the United States Treasury Regulations (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under United States Treasury Regulations Section 5f.103-1(c) and proposed United States Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable rights and/or obligations of such Lender under this Agreement, notwithstanding notice to the contrary.

(n) In the event that a transfer by any of the Secured Parties of its rights and/or obligations under this Agreement (and/or any relevant Loan Document) occurred or was deemed to occur by way of novation, the Borrowers and any other Loan Parties explicitly agree that all securities and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender and the other Secured Parties.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, limited partners, managed accounts, investors, lenders, directors, officers, employees, trustees, representatives and agents, including accountants, legal counsel and other advisors and service providers on a need-to-know basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices); (b) to the extent requested by any regulatory authority having jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under Section 10.07(f); (c) in any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process, in each case based upon the reasonable advice of the disclosing Agent's or Lender's legal counsel (in which case the disclosing Agent or Lender, as applicable, agrees (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority or self-regulatory authorities exercising examination or regulatory authority), to the extent not prohibited by applicable Law, to promptly notify the Borrower Representative prior to such disclosure); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same (or at least as restrictive) as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower Representative), to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; provided that no such disclosure shall be made by such Lender or such Agent or any of their respective Affiliates to any such Person that is a Disqualified Institution; (g) with the written consent of Holdings; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Agent or Lender or any Affiliate of any Agent or Lender; (j) to any rating agency when required by it or, in the case of the Principal Investors, in connection with obtaining the ratings required by their internal policies and procedures or investment advisory, fund or loan documentation (it being understood that, in each case, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Agent or Lender); (k) to any contractual counterparty (or prospective contractual counterparty) in any swap, hedge, or similar agreement or to any such contractual counterparty's (or prospective contractual counterparty's) professional advisor (other than a Disqualified Institution); (l) in connection with establishing a "due diligence" defense in connection with any legal, judicial, administrative proceeding or other process; or (m) by any Principal Investor to any other Principal Investor. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; provided that such Person is advised and agrees to be bound by the provisions of this Section 10.08.

For the purposes of this Section 10.08, “Information” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08 by such Lender or Agent. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Lender and each L/C Issuer acknowledges that (i) the Information may include material non-public information concerning Holdings or any of its Subsidiaries, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Secured Party is authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, without prior notice to any Borrower or any other Loan Party, any such notice being waived by Holdings (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in any currency), other than deposits in fiduciary accounts as to which a Loan Party is acting as fiduciary for another Person who is not a Loan Party and other than payroll or trust fund accounts, at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Secured Party hereunder or under any other Loan Document (or Security Agreement), now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document (or other Security Agreement) and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Secured Party agrees promptly to notify the Borrower Representative and the Administrative Agent after any such set-off and application made by such Secured Party; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Secured Party under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Secured Party may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any Controlled Non-U.S. Subsidiary or FSHCO (or other Excluded Property) constitute security for payment of the Obligations of the U.S. Borrower, it being understood that (a) (i) the Capital Stock of any Controlled Non-U.S. Subsidiary or FSHCO that is directly owned by the U.S. Borrower or a U.S. Subsidiary of the U.S. Borrower does not constitute such an asset, and may be pledged, but only to the extent not constituting Excluded Property and (ii) proceeds of

Excluded Property shall constitute security for payment of the Obligations (unless such proceeds would constitute Excluded Property) and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect any Borrower's obligations to make any mandatory prepayment pursuant to Section 2.05(b)(ii). For the avoidance of doubt, any setoff of deposits or obligations for the credit or the account of any Canadian Loan Party that constitutes an Excluded Subsidiary with respect to the U.S. Obligations may only be against the Canadian Obligations.

Section 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.12 Integration; Effectiveness. This Agreement and the other Loan Documents, and those provisions of the Commitment Letter and the Fee and Closing Payment Letter that, by their terms, survive the termination or expiration of the Commitment Letter or the Closing Date, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. It is expressly agreed and confirmed by the parties hereto that the provisions of the Fee and Closing Payment Letter shall survive the execution and delivery of this Agreement, the occurrence of the Closing Date, and shall continue in effect thereafter in accordance with their terms. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto as of the date hereof.

Section 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding

that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than contingent indemnification or other obligations and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (other than Letters of Credit that have been Cash Collateralized or as to which arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made).

Section 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 Governing Law; Jurisdiction; Etc.

(a) Governing Law. THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENTS TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE THEREIN) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF, BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

(b) Submission to Jurisdiction. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENT TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE THEREIN), OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) Waiver of Venue. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN SECTION 10.15(b). EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.16 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. WITHOUT LIMITING THE OTHER PROVISIONS OF THIS SECTION 10.16 AND IN ADDITION TO THE SERVICE OF PROCESS PROVIDED FOR HEREIN, THE CANADIAN BORROWER HEREBY IRREVOCABLY DESIGNATES, APPOINTS AND EMPOWERS THE U.S. BORROWER (AND THE U.S. BORROWER HEREBY IRREVOCABLY ACCEPTS SUCH APPOINTMENT), AS ITS AUTHORIZED DESIGNEE, APPOINTEE AND AGENT TO RECEIVE, ACCEPT AND ACKNOWLEDGE FOR AND ON ITS BEHALF, AND IN RESPECT OF ITS PROPERTY, SERVICE OF ANY AND ALL LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS WHICH MAY BE SERVED IN ANY SUCH ACTION OR PROCEEDING. IF FOR ANY REASON THE U.S. BORROWER SHALL CEASE TO BE AVAILABLE TO ACT AS SUCH, THE CANADIAN BORROWER AGREES TO PROMPTLY DESIGNATE A NEW AUTHORIZED DESIGNEE, APPOINTEE AND AGENT IN NEW YORK CITY ON THE TERMS AND FOR THE PURPOSES OF THIS PROVISION REASONABLY SATISFACTORY TO THE ADMINISTRATIVE AGENT UNDER THIS AGREEMENT.

Section 10.17 Waiver of Right to Trial by Jury. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18 Binding Effect. When this Agreement shall have become effective in accordance with Section 10.12, it shall thereafter shall be binding upon and inure to the benefit of Holdings, each Borrower, each Agent and each Lender and their respective successors and permitted assigns, except that no Borrower shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders, except as permitted by Section 7.03.

Section 10.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrowers and Holdings acknowledge and agree, and each of them acknowledges and agrees that it has informed its other Affiliates, that: (i) (A) no fiduciary, advisory or agency relationship between any of Holdings and its Subsidiaries and any Agent or any Arranger or Lender (or their respective Affiliates) is intended to be or has been created in respect of any of the transactions contemplated hereby and by the other Loan Documents, irrespective of whether any Agent or any Arranger or any Lender (or their respective Affiliates) has advised or is advising Holdings and its Subsidiaries on other matters, (B) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm's-length commercial transactions between Holdings and its Subsidiaries, on the one hand, and the Agents and the Arrangers on the other hand, (C) each Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (D) each Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, Arranger and Lender is and has been acting solely as a principal and, except as may otherwise be expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Holdings or the Borrowers or any of their respective Affiliates, or any other Person and (B) none of the Agents or Arrangers or Lenders has any obligation to Holdings or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers and Lenders and/or their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of Holdings, the Borrowers and their respective Affiliates, and none of the Agents, the Arrangers or the Lenders has any obligation to disclose any of such interests and transactions to Holdings, the Borrowers or their respective Affiliates. To the fullest extent permitted by law, each Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.20 Affiliate Activities. The Borrowers and Holdings acknowledge that each Agent and each Arranger (and their respective Affiliates) and certain Affiliates of the Initial Principal Investors are full service securities firms engaged, either directly or through affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, any of them may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including bank loans) for their own account and for the accounts of customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of Holdings and its Affiliates, as well as of other entities and persons and their Affiliates which may (i) be involved in transactions arising from or relating to the transactions contemplated hereby and by the other Loan Documents, (ii) be customers or competitors of Holdings and its Affiliates or (iii) have other relationships with Holdings and its Affiliates. In addition, it may provide investment banking, underwriting and financial advisory services to such other entities and persons. It may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of Holdings and its Affiliates or such other entities. The transactions contemplated hereby and by the other Loan Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this clause.

Section 10.21 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Loan Document, any Assignment and Assumption, any Committed Loan Notice or any amendment or other modification hereof or thereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a

manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.22 USA PATRIOT Act. Each Lender that is subject to the PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001, as amended from time to time)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act. Each Loan Party shall, promptly following a request by the Administrative Agent, the Collateral Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act and Beneficial Ownership Regulation.

Section 10.23 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable Law).

Section 10.24 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 10.25 Canadian Interest Provisions.

(a) For the purposes of the *Interest Act (Canada)*, (i) whenever a rate of interest or fee rate hereunder is calculated on the basis of a year (the “deemed year”) that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee rate by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year, (ii) the principle of deemed reinvestment of interest shall not apply to any interest calculation hereunder and (iii) the rates of interest stipulated herein are intended to be nominal rates and not effective rates or yields.

(b) If any provision of this Agreement would obligate any Loan Party to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by applicable Laws or would result in a receipt by that Lender of “interest” at a “criminal rate” (as such terms are construed under the *Criminal Code (Canada)*), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable Laws or so result in a receipt by that Lender of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows:

(i) first, by reducing the amount or rate of interest required to be paid to the affected Lender under this Agreement; and

(ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute “interest” for purposes of section 347 of the *Criminal Code (Canada)*.

Section 10.26 Canadian Anti-Terrorism Laws.

(a) If, upon the written request of any Lender, the Administrative Agent has ascertained the identity of the Canadian Borrower or any authorized signatories of the Canadian Borrower for purposes of Canadian Anti-Terrorism Laws, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a “written agreement” in such regard between such Lender and the Administrative Agent within the meaning of the applicable Canadian Anti-Terrorism Law; and

(ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding and except as may otherwise be agreed in writing, each of the Lenders agrees that the Administrative Agent does not have any obligation to ascertain the identity of the Canadian Borrower or any authorized signatories of the Canadian Borrower on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Canadian Borrower or any authorized signatory in doing so.

Section 10.27 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.27, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8) (D).

(e) such Co-Borrower shall have delivered to the Administrative Agent a duly authorized, executed and delivered counterpart signature page to a Co-Borrower Joinder Agreement and, if applicable, intercreditor arrangements, intercompany subordination agreements and a guaranty or guaranty supplement pursuant to the Guaranty; provided that such Co-Borrower Joinder Agreement and such guaranty or guaranty supplement will incorporate any provisions specific to the designated Co-Borrower’s jurisdiction of organization and applicable Laws of such jurisdiction of organization;

(i) the Administrative Agent shall have received a certificate of a Responsible Officer of the Co-Borrower certifying that (i) its Organization Documents and each copy document relating to it specified in clause (h) above, is correct, complete and in full force and effect and has not been amended or superseded as at a date no earlier than the date of such Co-Borrower Joinder Agreement and (ii) each of the conditions set forth in in clauses (c) and (d) above have been satisfied.

Section 11.02 Status of Co-Borrowers. Once a Co-Borrower has become a Co-Borrower in accordance with Section 11.01, it shall be a “Borrower” under the Revolving Credit Facility and/or a “Borrower” under the Term Facility (with respect to the applicable Tranche), as applicable, and with respect to any Borrower under the Revolving Credit Facility, will have the right to directly request Revolving Credit Loans in accordance with Article II hereof until the Maturity Date for the Revolving Credit Facility, or the date on which such Co-Borrower terminates its obligations under this Agreement in accordance with Section 11.03 or the date on which such Co-Borrower is released from its obligations under the Loan Documents in accordance with this Agreement, including Section 9.11 hereof. Each of the Co-Borrowers and the applicable Borrower shall hereby accept joint and several liability hereunder with respect to the Obligations under the applicable Tranche of the applicable Facility under the Loan Documents.

For the avoidance of doubt, the Co-Borrower shall not be required to adhere to the above in connection with a release pursuant to Section 9.11.

(vi) No Default or Event of Default. No Default or Event of Default exists or would result immediately after giving effect to the provisions of this Amendment.

SECTION 5. MISCELLANEOUS.

a) Reference to and Effect on the Loan Documents.

i. As of the Fourth Amendment Effective Date, each reference in the Amended Credit Agreement to “*this Agreement*,” “*hereunder*,” “*hereof*,” “*herein*,” or words of like import, and each reference in the other Loan Documents to the Credit Agreement (including, without limitation, by means of words like “*thereunder*,” “*thereof*” and words of like import), shall mean and be a reference to the Credit Agreement as amended by this Amendment.

ii. Except as expressly amended hereby, all of the terms and provisions of the Credit Agreement and all other Loan Documents are and shall remain in full force and effect and are hereby ratified and confirmed.

iii. The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of the Administrative Agent or any Lender under the Credit Agreement or any Loan Document, or constitute a waiver or amendment of any other provision of the Credit Agreement or any Loan Document (as amended hereby) except as and to the extent expressly set forth herein.

iv. This Amendment (together with any other document executed in connection herewith) is not intended to be, nor shall it be construed as, a novation of the Credit Agreement or any of the Loan Documents.

b) Reaffirmation. Each of Holdings, the Borrowers and each Subsidiary Guarantor expressly acknowledges the terms of this Amendment and reaffirms, as of the Fourth Amendment Effective Date, that its guarantee of the U.S. Obligations and/or the Canadian Obligations, as applicable, under the applicable Guaranty and its grant of Liens on the Collateral to secure the U.S. Obligations and/or the Canadian Obligations, as applicable, pursuant to each Collateral Document to which it is a party, in each case, continues in full force and effect and extends to the obligations of Holdings, the Borrowers and the Subsidiary Guarantors under the Loan Documents (including the Amended Credit Agreement) subject to any limitations set out in the Amended Credit Agreement and any other Loan Document applicable to that Person. Neither the execution, delivery, performance or effectiveness of this Amendment nor the modification of the Credit Agreement effected pursuant hereto: (i) impairs the validity, effectiveness or

priority of the Liens granted pursuant to any Loan Document, and such Liens continue unimpaired with the same priority to secure repayment of all Obligations, whether heretofore or hereafter incurred; or (ii) is intended to or will create a registerable Lien or requires that any new filings be made or other action be taken to perfect or to maintain the perfection of such Liens. Each of Holdings, the Borrowers and the Subsidiary Guarantors, in respect of the Collateral Documents to which it is a party, confirms that at the time of the execution and delivery of such Collateral Documents, it was expressly agreed that the Liens created thereunder were intended to secure the Obligations, as amended, novated, supplemented or restated from time to time. The security under the Collateral Documents as security for the Obligations as amended by the Amendment is thus hereby confirmed.

c) Waiver of Notice Period for Extension Request. In accordance with Section 2.19(b) of the Credit Agreement, this Amendment constitutes an Extension Request, and the Administrative Agent, in its capacity as the Extended Loans Agent with respect to the 2023 Extended Revolving Tranche, hereby agrees to waive the ten Business Day notice period provided for in Section 2.19 of the Credit Agreement and deems such notice period satisfied.

d) Counterparts; Effectiveness. This Amendment may be executed in counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument. Any signature to this Amendment may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Amendment. This Amendment shall become effective when it shall have been executed by the Borrowers, Holdings, the Subsidiary Guarantors party hereto, the Extending Revolving Credit Lenders, the Consenting L/C Issuers, the Consenting Revolving Credit Lenders and the Administrative Agent.

e) Governing Law, Jurisdiction, Etc. The provisions of Sections 10.15, 10.16 and 10.17 of the Credit Agreement shall apply to this Amendment, *mutatis mutandis*.

f) Loan Document and Integration. This Amendment is a Loan Document and, together with the other Loan Documents, incorporates all negotiations of the parties hereto with respect to the subject matter hereof and is the final expression and agreement of the parties hereto with respect to the subject matter hereof.

g) Headings. Section headings contained in this Amendment are included herein for convenience of reference only and shall not constitute a part of this Amendment for any other purposes.

h) Acknowledgement and Consent to Bail-In of Affected Financial Institutions. (1) any Subsidiary of the U.S. Borrower (other than a Borrower or any direct or indirect parent of a Borrower) that at the time of determination shall be designated an Unrestricted Subsidiary by the Board of Directors of the U.S. Borrower, Holdings or any Parent Holding Company in the manner provided below; and

(2) any Subsidiary of an Unrestricted Subsidiary.

The Board of Directors of the U.S. Borrower, Holdings or any Parent Holding Company may designate any Subsidiary of the U.S. Borrower (including any existing Subsidiary and any newly acquired or newly formed Subsidiary of the Borrower, but excluding any Borrower or any direct or indirect parent of any Borrower) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Equity Interests or Indebtedness of, or owns or holds any Lien on any property of, the U.S. Borrower or any other Subsidiary of the U.S. Borrower that is not a Subsidiary of the Subsidiary to be so designated; provided, however, that the Subsidiary to be so designated and its Subsidiaries do not at the time of designation have any Indebtedness pursuant to which the lender has recourse to any of the assets of any Borrower Party that is not a Subsidiary of the Subsidiaries to be so designated other than the Equity Interests of such Unrestricted Subsidiary; provided, further, however, that (i) immediately after giving effect to such designation no Event of Default under Section 8.01(a), (f) or (g) shall have occurred and be continuing as a result of such designation and (ii) on a Pro Forma Basis after giving effect to such designation, the Fixed Charge Coverage Ratio of the U.S. Borrower is not less than 2.00 to 1.00; provided, further, however, that either:

(a) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less; or

(b) if such Subsidiary has consolidated assets greater than \$1,000, then such designation would be permitted under Section 7.05.

The Board of Directors of the U.S. Borrower, Holdings or any Parent Holding Company may designate any Unrestricted Subsidiary to be a Restricted Subsidiary (a “Subsidiary Redesignation”); provided, however, that on a Pro Forma Basis after giving effect to such Subsidiary Redesignation, the Fixed Charge Coverage Ratio of the U.S. Borrower is not less than 2.00 to 1.00. Any Indebtedness of such Subsidiary and any Liens encumbering its assets at the time of such designation shall be deemed newly incurred or established, as applicable, at such time.

Any such designation by the Board of Directors of the U.S. Borrower, Holdings or any Parent Holding Company shall be evidenced to the Administrative Agent by promptly filing with the Administrative Agent a copy of the resolution of the Board of Directors of the U.S. Borrower, Holdings or any Parent Holding Company giving effect to such designation and an officer’s certificate certifying that such designation complied with the foregoing provisions.

Notwithstanding the foregoing, (i) no Subsidiary of the U.S. Borrower may be designated as an Unrestricted Subsidiary if such Subsidiary is a “Restricted Subsidiary” (or any comparable term) under the ABL Credit Agreement or the Senior Notes with an aggregate outstanding principal amount in excess of \$150,000,000 and (ii) simultaneously with any Subsidiary of the U.S. Borrower being designated as a “Restricted Subsidiary” (or any comparable term) under the ABL Credit Agreement or the Senior Notes, such Subsidiary shall be designated as a Restricted Subsidiary.

For the avoidance of doubt, neither the U.S. Borrower nor the Canadian Borrower may be designated as an Unrestricted Subsidiary at any time; provided, however, that any Co-Borrower that has ceased to be a Co-Borrower pursuant to Section 11.03 prior to the effectiveness of such designation may be designated as an Unrestricted Subsidiary (provided that such designation is otherwise permitted hereunder).

(1) whether any Indebtedness (including Acquired Indebtedness), Disqualified Stock or Preferred Stock that is being Incurred in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock is permitted to be incurred in compliance with Section 7.01;

For the avoidance of doubt, if the Borrower Representative elects to use the Transaction Commitment Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the (i) Fixed Charge Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA, Four Quarter Consolidated EBITDA, Consolidated Total Assets, Consolidated Cash Interest Expense and/or Pro Forma Cost Savings of the U.S. Borrower and (ii) the applicable exchange rate utilized in calculating compliance with any dollar-based provision of this Agreement, from the Transaction Commitment Date to the date of consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, or in connection with compliance by the Borrower Parties with any other provision of the Loan Documents or any other transaction undertaken in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, is permitted to be incurred, (b) for purposes of determining compliance with any provision which requires that no Default, Event of Default or specified Default or Event of Default, as applicable, has occurred, is continuing or would result from any such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, as applicable, such condition shall be deemed satisfied so long as no Default, Event of Default or specified Default or Event of Default, as applicable, exists on the Transaction Commitment Date, (c) for purposes of determining whether the bring down of representations and warranties (or specified representations and warranties) in connection with any such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, as applicable, are true and correct, such condition shall be deemed satisfied so long as such representation and warranties, as applicable, are true and correct in all material respects on the Transaction Commitment Date, and (d) until such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness is consummated or such definitive agreements (or other relevant definitive

documentation) are terminated (or conditions in any conditional notice can no longer be met or public announcements with respect thereto are withdrawn), such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and all transactions proposed to be undertaken in connection therewith (including the incurrence of Indebtedness and Liens) will be given pro forma effect when determining compliance of other transactions (including the incurrence of Indebtedness and Liens unrelated to such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness) that are consummated after the Transaction Commitment Date and on or prior to the date of consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and any such transactions (including any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the date the definitive agreements (or other relevant definitive documentation) are entered into or public announcement is made and deemed to be outstanding thereafter for purposes of calculating any baskets or ratios under the Loan Documents after the date of such agreement and before the date of consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness.

For purposes hereof, the “Maximum Fixed Repurchase Price” of any Disqualified Stock or Preferred Stock that does not have a fixed repurchase price shall be calculated in accordance with the terms of such Disqualified Stock or Preferred Stock as if such Disqualified Stock or Preferred Stock were purchased on any date on which Consolidated Funded Indebtedness shall be required to be determined pursuant to this Agreement, and if such price is based upon, or measured by, the fair market value of such Disqualified Stock or Preferred Stock, such fair market value shall be determined reasonably and in good faith by the U.S. Borrower.

Section 1.03 Accounting Term.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, as in effect from time to time.

(b) If at any time any change in GAAP or the application thereof, or any election by the Borrower Representative to report in IFRS in lieu of GAAP for financial reporting purposes, would affect the computation or interpretation of any financial ratio, basket, requirement or other provision set forth in any Loan Document, and either the Borrower Representative or the Required Lenders shall so request, the Administrative Agent and the Borrower Representative shall negotiate in good faith to amend such ratio, basket, requirement or other provision to preserve the original intent thereof in light of such change in GAAP or the application thereof (subject to the approval of the Required Lenders not to be unreasonably withheld, conditioned or delayed) (provided that any change affecting the computation of the ratio set forth in Section 7.08 shall be subject solely to the approval of the Required Revolving Lenders (not to be unreasonably withheld, conditioned or delayed) and the Borrower Representative); provided that, until so amended, (i) (A) such ratio, basket, requirement or other provision shall continue to be computed or interpreted in accordance with GAAP or the application thereof prior to such change therein and (B) the Borrower Representative shall provide to the Administrative Agent and the Lenders a written reconciliation in form and substance reasonably satisfactory to the Administrative Agent, between calculations of such ratio, basket, requirement or other provision made before and after giving effect to such change in GAAP or the application thereof or (ii) the Borrower Representative may elect to fix GAAP (for purposes of such ratio, basket, requirement or other provision) as of another later date notified in writing to the Administrative Agent from time to time.

(c) Notwithstanding anything to the contrary contained herein, all such financial statements shall be prepared, and all financial covenants contained herein or in any other Loan Document shall be calculated, in each case, without giving effect to any election under FASB ASC 825 (or any similar accounting principle) permitting a Person to value its financial liabilities at the fair value thereof.

Section 1.04 Rounding. Any financial ratios required to be maintained by the U.S. Borrower, or satisfied in order for a specific action to be permitted, under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 References to Agreements and Laws. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law. References to specific provisions (or defined terms) in the ABL Loan Documents shall be to such provisions (or defined terms) as amended or replaced (to the extent such amendment or replacement is permitted by the Loan Documents), and cross-references shall be deemed amended as necessary to refer to the same provisions that are referenced in the ABL Loan Documents as in effect on the Closing Date.

Section 1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight savings or standard, as applicable).

Section 1.07 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as specifically provided in Section 2.12 or as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Currency Equivalents Generally.

(a) Any amount specified in this Agreement (other than in Articles II, IX and X or as set forth in clause (b) of this Section 1.08) or any of the other Loan Documents to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount (the "Agent's Spot Rate of Exchange") to be determined at the rate of exchange for the purchase of Dollars with the Alternative Currency or other currency in the London foreign exchange market at or about 11:00 a.m. London time (or New York City time, as applicable) on a particular day as displayed by ICE Data Services as the "ask price" or as displayed on such other information service which publishes that rate of exchange from time to time in place of ICE Data Services (or if such service ceases to be available, the equivalent of such amount in dollars as determined by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Borrower Representative, or, in the absence of such agreement, such rate shall instead be the arithmetic average of the spot rates of exchange of the Administrative Agent in the market where its foreign currency exchange operations in respect of such currency are then being conducted, at or about 10:00 a.m. (New York City time) on such date for the purchase of Dollars for delivery two Business Days later); provided that if any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

(b) For purposes of determining the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio, the Fixed Charge Coverage Ratio and the Consolidated Senior Secured Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (i) testing the Financial Covenant, at the Exchange Rate as of the last day of the fiscal quarter for which such measurement is being made, and (ii) calculating any Consolidated Total Net Leverage Ratio, the Fixed Charge Coverage Ratio, the Consolidated First Lien Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.08) and Consolidated Senior Secured Net Leverage Ratio, at the Exchange Rate as of the date of determination, and will, in the case of Indebtedness and Consolidated Funded Indebtedness, be the weighted average exchange rates used for determining Consolidated EBITDA for the relevant period; provided that if any Borrower Party has entered into any currency Swap Contracts in respect of any borrowings, the Dollar Amount of such borrowings shall be determined by first taking into account the effects of that currency Swap Contract.

(c) The Administrative Agent shall determine the Dollar Amount of each Revolving Credit Loan denominated in an Alternative Currency and L/C Obligation in respect of Letters of Credit denominated in an Alternative Currency (i) for Revolving Credit Loans, as of the first day of each Interest Period applicable thereto, (ii) upon the issuance and increase of any Letter of Credit denominated in an Alternative Currency and (iii) shall, on a semi-annual basis, promptly notify the Borrower Representative and the Revolving Credit Lenders of each Dollar Amount so determined by it. Each such determination shall be based on the Exchange Rate on the date of the related Borrowing request for purposes of the initial such determination for any Revolving Credit Loan.

(d) Notwithstanding anything to the contrary in this Agreement, (i) any representation or warranty that would be untrue or inaccurate, (ii) any undertaking that would be breached or (iii) any event that would constitute a Default or an Event of Default, in each case, solely as a result of fluctuations in applicable currency exchange rates, shall not be deemed to be untrue, inaccurate, breached or so constituted, as applicable, solely as a result of such fluctuations in currency exchange rates.

(e) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of a Eurocurrency Rate Loan or an RFR Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Eurocurrency Rate Loan, RFR Loan or Letter of Credit is denominated in an Alternative Currency such amount shall be the relevant Dollar Amount of such Alternative Currency (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the L/C Issuer, as the case may be.

(f) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Term SOFR Rate", "Eurocurrency Rate" or "RFR Loan" or with respect to any comparable or successor rate thereto.

Section 1.09 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated Dollar Amount of such Letter of Credit in effect at such time after giving effect to any expiration periods applicable thereto; provided, however, that (i) if any presentation of drawing documents shall have been made on or prior to the expiration date of such Letter of Credit and the applicable L/C Issuer shall not yet have honored such drawing or given notice of dishonor, the amount of such Letter of Credit that is the subject of such drawing shall be treated

as still outstanding and (ii) with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the Dollar Amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.10 Pro Forma Calculations. Notwithstanding anything to the contrary herein (subject to Section 1.02(i)), the Consolidated Cash Interest Expense, Consolidated Interest Expense, the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio, the Fixed Charge Coverage Ratio, Consolidated Net Income, Consolidated EBITDA, Four Quarter Consolidated EBITDA and Consolidated Total Assets shall be calculated (including, in each case, for purposes of Sections 2.14 and 2.15) on a Pro Forma Basis with respect to each Specified Transaction occurring during the applicable four quarter period to which such calculation relates, and/or subsequent to the end of such four-quarter period (including, with respect to any proposed Investment or acquisition pursuant to Rule 2.7 of The City Code on Takeovers and Mergers (or a similar arrangement) for which committed financing is obtained or is sought to be obtained, the relevant determination or calculation may be made with respect to an event occurring or intended to occur subsequent to such four-quarter period); provided that notwithstanding the foregoing, when calculating the Consolidated First Lien Net Leverage Ratio for purposes of (i) determining the applicable percentage of Excess Cash Flow for purposes of Section 2.05(b), (ii) the Applicable Rate, (iii) the Applicable Facility Fee and (iv) determining actual compliance (and not Pro Forma Compliance or compliance on a Pro Forma Basis) with the Financial Covenant, any Specified Transaction and any related adjustment contemplated in the definition of Pro Forma Basis (and corresponding provisions of the definition of Consolidated EBITDA) that occurred subsequent to the end of the applicable four quarter period shall not be given Pro Forma Effect. Notwithstanding anything to the contrary contained herein, for purposes of calculating any leverage ratio herein in connection with the incurrence of any Indebtedness, there shall be no netting of the cash proceeds proposed to be received in connection with the incurrence of such Indebtedness.

Section 1.11 Calculation of Baskets. If any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to Four Quarter Consolidated EBITDA and/or Consolidated Total Assets for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations.

Section 1.12 Borrower Representative. Each Borrower hereby designates the U.S. Borrower as its Borrower Representative. The U.S. Borrower will be acting as agent on each Borrower's behalf for the purposes of issuing notices of Borrowing and notices of conversion/continuation of any Loans pursuant to Section 2.02 or similar notices, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, requesting Letters of Credit, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants and certifications) on behalf of the Borrowers under the Loan Documents. The U.S. Borrower hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the U.S. Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower. Each Borrower hereby releases the U.S. Borrower to the extent possible from any restrictions on representing several persons and self-dealing applicable to it under any applicable law.

As of the Closing Date, it is the intent of the parties hereto that the terms of the Loan Documents shall not result in any entity that is a Controlled Non-U.S. Subsidiary or FSHCO being treated as holding an obligation of a United States person (as described in Section 956 of the Code) and the terms of the Loan Documents shall be interpreted to achieve such result.

Section 1.14 Québec Matters. The Initial Term B-1 Borrowing shall consist of Initial Term B-1 Loans made simultaneously by the Term B-1 Lenders in accordance with their respective Initial Term B-1 Commitments. The Initial Term B-2 Borrowing shall consist of Initial Term B-2 Loans made simultaneously by the Term B-2 Lenders in accordance with their respective Initial Term B-2 Commitments. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14). Initial Term Loans may be Base Rate Loans or Term SOFR Rate Loans as further provided herein.

(b) The Revolving Credit Borrowings. Subject to the terms and conditions set forth herein, each 2023 Extended Revolving Credit Tranche Lender severally agrees to make loans denominated in Dollars or in one or more Alternative Currencies (each such loan, a "2023 Extended Revolving Credit Tranche Loan") to the U.S. Borrower from time to time on and after the ~~Closing Date (provided that on the Closing Date, the Revolving Credit Loans will only be available in an aggregate amount equal to (x) any amount to finance any OID or upfront fees required to be paid on the Closing Date as a result of the "market flex" provisions of the Fee and Closing Payment Letter plus (y) \$50,000,000)~~ Fourth Amendment Effective Date, on any Business Day until and excluding the Business Day preceding the Maturity Date for the 2023 Extended Revolving Credit Facility Tranche, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's 2023 Extended Revolving Credit Tranche Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing under the 2023 Extended Revolving Tranche, (i) the Total Revolving Credit Outstandings in respect of the 2023 Extended Revolving Tranche shall not exceed the 2023 Extended Revolving Credit Facility Tranche Commitment and (ii) the aggregate Pro Rata Share of the Outstanding Amount of the 2023 Extended Revolving Credit Tranche Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations related to Letters of Credit issued under the 2023 Extended Revolving Tranche, shall not exceed such Lender's 2023 Extended Revolving Credit Tranche Commitment. Within the limits of each Lender's 2023 Extended Revolving Credit Tranche Commitment, and subject to the other terms and conditions hereof, the U.S. Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). 2023 Extended Revolving Credit Tranche Loans may be Base Rate Loans (in the case of 2023 Extended Revolving Credit Tranche Loans denominated in Dollars), Term SOFR Rate Loans (in the case of 2023 Extended Revolving Credit Tranche Loans denominated in Dollars), Eurocurrency Rate Loans (in the case of 2023 Extended Revolving Credit Tranche Loans denominated in an Alternative Currency (other than Pounds Sterling)) or RFR Loans (in the case of 2023 Extended Revolving Credit Tranche Loans denominated in Pounds Sterling), as further provided herein. To the extent that any portion of the

Revolving Credit Facility has been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to ~~Section 2.03~~ Section 2.03) shall be allocated pro rata among the Revolving Tranches.

(c) After the Closing Date, subject to and upon the terms and conditions set forth herein, each Lender with a Term Commitment (other than an Initial Term Commitment or a 2021 Term Commitment) with respect to any Tranche of Term Loans (other than Initial Term Loans or 2021 Term Loans) severally agrees to make a Term Loan denominated in Dollars under such Tranche to the applicable Borrower in an amount not to exceed such Term Lender's Term Commitment under such Tranche on the date of incurrence thereof, which Term Loans under such Tranche shall be incurred pursuant to a single drawing on the date set forth for such incurrence. Such Term Loans may be Base Rate Loans or Term SOFR Rate Loans as further provided herein. Once repaid, Term Loans incurred hereunder may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14).

(d) Subject to the terms and conditions set forth herein and in the Second Amendment, each 2021 Term Lender with a 2021 Term Commitment severally agrees to make a single loan denominated in Dollars (the "2021 Term Loans") to the U.S. Borrower on the Second Amendment Effective Date in an amount not to exceed such 2021 Term Lender's 2021 Term Commitment. The 2021 Term Borrowing shall consist of 2021 Term Loans made simultaneously by the 2021 Term Lenders in accordance with their respective 2021 Term Commitments. Amounts borrowed under this Section 2.01(d) and subsequently repaid or prepaid may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14). 2021 Term Loans may be Base Rate Loans or Term SOFR Rate Loans as further provided herein.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to another, and each continuation of Term Benchmark Rate Loans or RFR Loans, shall be made upon irrevocable notice by the Borrower Representative to the Administrative Agent. Each such notice must be in writing and must be received by the Administrative Agent not later than (i) 12:00 p.m. (New York City time) three (3) Business Days prior to the requested date of any Borrowing of, conversion of Base Rate Loans to, or continuation of, Term Benchmark Rate Loans, (ii) 11:00 a.m. (New York City time) on the requested date of any Borrowing of Base Rate Loans or of any conversion of Term Benchmark Rate Loans to Base Rate Loans and (iii) 2:00 p.m. (London time) four (4) Business Days prior to the requested date of any Borrowing of, or continuation of, RFR Loans. Each notice pursuant to this Section 2.02(a) shall be delivered to the Administrative Agent in the form of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower Representative.

Each Borrowing of, conversion to or continuation of Term Benchmark Rate Loans or RFR Loans shall be (i) in a principal amount of \$3,000,000 (or the equivalent Dollar Amount), or (ii) a whole multiple of \$1,000,000 (or the equivalent Dollar Amount) in excess thereof. Except as provided in Section 2.03(d), each Borrowing of, or conversion to, Base Rate Loans shall be (i) in a principal amount of \$1,000,000 (or the equivalent Dollar Amount), or (ii) a whole multiple of \$500,000 (or the equivalent Dollar Amount) in excess thereof.

Each Committed Loan Notice shall specify (i) the identity of the Borrower requesting a Credit Extension, (ii) whether such Borrower is requesting a Term Borrowing, a Revolving Credit Borrowing, a conversion of a Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to another, or a continuation of Term Benchmark Rate Loans or RFR Loans, (iii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iv) the principal amount of Loans to be borrowed, converted or continued, (v) the Type of Loans to be borrowed or to which existing Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans are to be converted, (vi) if applicable, the duration of the Interest Period with respect thereto; and (vii) the currency in which the Revolving Credit Loans to be borrowed are to be denominated (which shall be Dollars or an Alternative Currency). If, with respect to any Term Benchmark Rate Loans, the Borrower Representative fails to specify a Type of Loan in a Committed Loan Notice or if the Borrower Representative fails to give a timely notice requesting a conversion or continuation, then the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans, or Revolving Credit Loans shall be made as, or converted to, Term Benchmark Rate Loans with an Interest Period of one month (unless it is the continuation of an RFR Loan or if the currency of the Loan is specified as Pounds Sterling, in which case the applicable Revolving Credit Loan shall be made as an RFR Loan having in Interest Period of one month). Any such automatic conversion or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Term Benchmark Rate Loans or RFR Loans. If the Borrower Representative requests a Borrowing of, conversion to, or continuation of Term Benchmark Rate Loans or RFR Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its Pro Rata Share of the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans, and if no timely notice of a conversion or continuation of Term Benchmark Rate Loan or RFR Loans, as applicable, is provided by the Borrower Representative, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Term Benchmark Rate Loans or RFR Loans, as applicable, with an Interest Period of one month as described in Section 2.02(a). In the case of a Term Borrowing or a Revolving Credit Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 3:00 p.m. (New York City time) in the case of Loans denominated in Dollars, and not later than the applicable time specified by the Administrative Agent in the case of any Revolving Credit Loan denominated in an Alternative Currency, in each case, on the Business Day specified in the applicable Committed Loan Notice. Each Lender may, at its option, make any Loan available to any Borrower by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of any Borrower to repay such Loan in accordance with the terms of this Agreement. Upon satisfaction of the applicable conditions set forth in Section 4.02 (or, if such Borrowing is the initial Credit Extension, Section 4.01), the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of such Borrower on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by such Borrower; provided, however, that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower Representative, there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, and second, to the applicable Borrower as provided above.

(c) Except as otherwise provided herein, a Term Benchmark Rate Loan or RFR Loan may be continued or converted only on the last day of an Interest Period for such Term Benchmark Rate Loan or RFR Loan unless the applicable Borrower pays the amount due under Section 3.06 in connection therewith. During the existence of an Event of Default, at the election of the Administrative Agent or the Required Lenders, no Loans may be requested as, converted to or continued as Term Benchmark Rate Loans.

(d) The Administrative Agent shall promptly notify the Borrower Representative and the Lenders of the interest rate applicable to any Interest Period for Term Benchmark Rate Loans upon determination of such interest rate. The Administrative Agent shall promptly upon the amount of any RFR Interest Payment becoming determinable notify (i) (such notification to be made no later than three applicable RFR Business Days prior to the due date for such RFR Interest Payment) the Borrower Representative of the amount of that RFR Interest Payment; (ii) each relevant Lender of the proportion of that RFR Interest Payment which relates to that Lender's Pro Rata Share of the relevant RFR Loan; and (iii) the relevant Lenders and the Borrower Representative of each applicable rate of interest and the amount of interest for each day relating to the determination of that RFR Interest Payment (including a breakdown of such rate and amount of interest as between the Applicable Rate and the Daily Simple RFR for such date and any other information that the Borrower Representative may reasonably request in relation to the calculation of such rate and amount or the determination of that RFR Interest Payment). The determination of the Term Benchmark Rate by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to another, and all continuations of Term Loans or Revolving Credit Loans of the same Type, there shall not be more than ten Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing, which for the avoidance of doubt does not limit such Lender's obligations under Section 2.17.

Section 2.03 Letters of Credit.

(a) The Letter of Credit Commitment. (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon (among other things) the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or an Alternative Currency for the account of the U.S. Borrower or any Restricted Subsidiary (provided that the U.S. Borrower hereby irrevocably agrees to reimburse the applicable L/C Issuer for amounts drawn on any Letters of Credit issued for the account of the U.S. Borrower or any Restricted Subsidiary on a joint and several basis with such Restricted Subsidiary and shall be a co-applicant for each such Letter of Credit issued for the account of a Restricted Subsidiary, but in no event shall the Canadian Borrower, any Controlled Non-U.S. Subsidiary, any FSHCO or any direct or indirect Subsidiary of a Controlled Non-U.S. Subsidiary be responsible for any amounts drawn on any Letters of Credit issued for the account of the U.S. Borrower or a U.S. Subsidiary) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(c), and (2) to honor drafts under the Letters of Credit; and (B) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued for the account of the U.S. Borrower or any Restricted Subsidiary; provided that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit, if as of the date of such L/C Credit Extension (w) the Total Revolving Credit Outstandings in respect of any Revolving Tranche would

exceed such Revolving Tranche (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility, (y) the aggregate Pro Rata Share of the Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations would exceed such Lender's Revolving Credit Commitment or (z) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit; provided further that no L/C Issuer identified on Schedule 1.01(f) shall have any obligation to make a L/C Credit Extension if, after giving effect thereto, the L/C Obligations in respect of Letters of Credit issued by such L/C Issuer would exceed the amount set forth opposite such L/C Issuer's name on Schedule 1.01(f). Within the foregoing limits, and subject to the terms and conditions hereof, the U.S. Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the U.S. Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or been terminated or that have been drawn upon and reimbursed. All Letters of Credit shall be denominated in Dollars or an Alternative Currency; provided that each L/C Issuer's obligation to issue Letters of Credit in any Alternative Currency shall be subject to the currency limitations set forth on Schedule 1.01(f). Notwithstanding anything to the contrary herein, none of Jefferies Finance LLC, Nomura Corporate Funding Americas, LLC or any of their respective Affiliates shall be required to issue any Letter of Credit in any Alternative Currency.

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit (and, in the case of clause (B) and (C) unless the applicable requisite consents specified therein have been obtained, no L/C Issuer shall issue any Letter of Credit) if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which, in each case, such L/C Issuer in good faith deems material to it;

(B) subject to Section 2.03(c)(iii), the expiry date of such requested Letter of Credit would occur after the earlier of (x) three Business Days prior to the scheduled Latest Maturity Date then in effect for the Revolving Credit Facility (or, if such day is not a Business Day, the next preceding Business Day) and (y) more than 12 months after the date of issuance or last renewal, unless the applicable L/C Issuer, in its sole discretion, have approved such expiry date.

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (i) all the Revolving Credit Lenders and the applicable L/C Issuer have approved such expiry date and/or (ii) the applicable L/C Issuer has approved such expiry date and such requested Letter of Credit has been Cash Collateralized by the applicant requesting such Letter of Credit in accordance with Section 2.16 at least three Business Days prior to the Letter of Credit Expiration Date;

(D) the issuance of such Letter of Credit would violate one or more generally applicable policies of such L/C Issuer in place at the time of such request;

(E) such Letter of Credit is in an initial stated amount of less than \$5,000 (or the equivalent Dollar Amount) or such lesser amount as is acceptable to the applicable L/C Issuer in its sole discretion;

(F) such Letter of Credit is denominated in a currency other than Dollars or an Alternative Currency;

(G) if the proceeds of any Letter of Credit would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or any dealing or investment in or with any country or territory that, at the time of such funding, is a Sanctioned Country, in each case, in violation of Sanctions Laws and Regulations or (ii) in any manner that would result in a violation of any Sanctions Laws and Regulations by any party to this Agreement;

(H) such L/C Issuer does not as of the issuance date of such requested Letter of Credit issue Letters of Credit in the requested currency; or

(I) any Revolving Credit Lender is at that time a Defaulting Lender, unless the applicable L/C Issuer has entered into arrangements, including reallocation of the Defaulting Lender's Pro Rata Share of the outstanding L/C Obligations pursuant to Section 2.17(a)(iv) or the delivery of Cash Collateral in accordance with Section 2.16 with the U.S. Borrower or such Lender to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has actual or potential Fronting Exposure under such Tranche.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) Each L/C Issuer shall act on behalf of the Revolving Credit Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included each L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to each L/C Issuer.

(b) The foregoing benefits and immunities shall not excuse any L/C Issuer from liability to the U.S. Borrower to the extent of any direct damages (as opposed to indirect, special, consequential, punitive or exemplary damages claims which are hereby waived by the U.S. Borrower to the extent permitted by applicable law) suffered by the U.S. Borrower that are caused by such L/C Issuer's gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment.

(c) Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower Representative delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of an irrevocable Letter of Credit Application, including agreed-upon

draft language for such Letter of Credit reasonably acceptable to the applicable L/C Issuer (it being understood that such draft language for each such Letter of Credit must be in English or, if agreed to in the sole discretion of the applicable L/C Issuer, accompanied by an English translation certified by the Borrower Representative to be a true and correct English translation), appropriately completed and signed by a Responsible Officer of the Borrower Representative. Such Letter of Credit Application must be received by the applicable L/C Issuer and the Administrative Agent not later than 2:00 p.m. (New York City time) at least five Business Days (or such shorter period as such L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day not later than 30 days prior to the Latest Maturity Date of the Revolving Credit Facility, unless the Administrative Agent and the applicable L/C Issuer otherwise agree); (B) the amount thereof and the currency in which such Letter of Credit is to be denominated; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate or other documents to be presented by such beneficiary in case of any drawing thereunder; (G) the Person for whose account the requested Letter of Credit is to be issued (which must be a Borrower Party); and (H) such other matters as the applicable L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the applicable L/C Issuer may reasonably request.

(ii) Promptly following delivery of any Letter of Credit Application to the applicable L/C Issuer, the applicable L/C Issuer will confirm with the Administrative Agent that the Administrative Agent has received a copy of such Letter of Credit Application and, if the Administrative Agent has not received a copy of such Letter of Credit Application, then the applicable L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by such L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the U.S. Borrower or any Restricted Subsidiary (as designated in the Letter of Credit Application) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable L/C Issuer a risk participation in such Letter of Credit in an amount equal to such Lender's Pro Rata Share of the Revolving Credit Facility multiplied by the amount of such Letter of Credit.

(iii) If the Borrower Representative on behalf of the Borrower Party so requests in any applicable Letter of Credit Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic renewal provisions (each, an "Auto-Renewal Letter of Credit"); provided that any such Auto-Renewal Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, the Borrower Representative shall not be required to make a specific request to such L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Revolving Credit Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that such L/C Issuer shall not permit any such renewal if such L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise).

(iv) Promptly upon request thereof by the Borrower Representative or the Administrative Agent and after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also (A) deliver to the Borrower Representative, the Borrower Party and the Administrative Agent a true and complete copy of such Letter of Credit or amendment and (B) the Administrative Agent in turn will notify each Revolving Credit Lender of such issuance or amendment and the amount of such Revolving Credit Lender's Pro Rata Share therein.

(v) Notwithstanding anything to the contrary set forth above, the issuance of any Letters of Credit by any L/C Issuer under this Agreement shall be subject to such reasonable additional letter of credit issuance procedures and requirements as may be required by such L/C Issuer's internal letter of credit issuance policies and procedures, in its sole discretion, as in effect at the time of such issuance, including requirements with respect to the prior receipt by such L/C Issuer of customary "know your customer" information regarding a prospective account party or applicant that is not a Borrower hereunder, as well as regarding any beneficiaries of a requested Letter of Credit. Additionally, if (a) the beneficiary of a Letter of Credit issued hereunder is an issuer of a letter of credit not governed by this Agreement for the account of the U.S. Borrower or any Restricted Subsidiary (an "Other LC"), and (b) such Letter of Credit is issued to provide credit support for such Other LC, no amendments may be made to such Other LC without the consent of the applicable L/C Issuer hereunder.

(d) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any drawing under such Letter of Credit, the applicable L/C Issuer shall, within the period determined by applicable Law or rules specified in such Letter of Credit, examine drawing document(s). After such examination of drawing document(s), the applicable L/C Issuer shall notify the Borrower Representative of the date and the amount of a draft presented under any Letter of Credit and paid by such L/C Issuer. Each L/C Issuer shall notify the Borrower Representative of the date of any payment by such L/C Issuer under a Letter of Credit (each such date, an "Honor Date"), and the U.S. Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing no later than on the next succeeding Business Day (and any reimbursement made on such next Business Day shall be taken into account in computing interest and fees in respect of any such Letter of Credit) after the Borrower Representative shall have received notice of such payment with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed prior to 3:00 p.m. (New York time) in the case of drawings in Dollars or an Alternative Currency, in each case, on the applicable Honor Date, from and including the date paid or disbursed to but excluding the date such L/C Issuer was reimbursed by the U.S. Borrower therefor at a rate per annum equal to the Base Rate as in effect from time to time plus the Applicable Rate as in effect from time to time for Revolving Credit Loans that are maintained as Base Rate Loans. If the U.S. Borrower fails to so reimburse such L/C Issuer on such next Business Day, the L/C Issuer will notify the Administrative Agent thereof and the Administrative Agent shall promptly notify each Revolving Credit Lender ~~under the applicable Revolving Tranche~~ of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Revolving Credit Lender's Pro Rata Share thereof. In such event, in the case of an Unreimbursed Amount, the Borrower Representative shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans in Dollars or the applicable Alternative Currency, as applicable, to be disbursed on such date in an amount equal to, and denominated in the same currency as, the Unreimbursed Amount, in accordance with the requirements of Section 2.02 but without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, Term SOFR Rate Loans, Eurocurrency Rate

Loans or RFR Loans, as the case may be, but subject to the amount of the unused portion of the Revolving Credit Commitments ~~under such Revolving Tranche~~ and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by a L/C Issuer or the Administrative Agent pursuant to this Section 2.03(d)(i) may be given by telephone if promptly confirmed in writing; provided that the lack of such a prompt confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender (including each Lender acting as a L/C Issuer) ~~under the applicable Revolving Tranche~~ shall upon any notice pursuant to Section 2.03(d)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable L/C Issuer, at the Administrative Agent's Office in an amount equal to, and in Dollars, its applicable Pro Rata Share of the Unreimbursed Amount not later than 3:00 p.m. (New York Time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(d)(iii), each Revolving Credit Lender ~~under such Revolving Tranche~~ that so makes funds available shall be deemed to have made a Base Rate Revolving Credit Loan ~~under such Revolving Tranche~~ to the U.S. Borrower in such amount. The Administrative Agent shall promptly remit the funds so received to the applicable L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied (other than the condition in Section 4.02(c), which shall be deemed to be satisfied) or for any other reason, the U.S. Borrower shall be deemed to have incurred from the applicable L/C Issuer a L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate then applicable to Base Rate Revolving Credit Loans. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the applicable L/C Issuer pursuant to Section 2.03(d)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute a L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender ~~under the applicable Revolving Tranche~~ funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(d) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's applicable Pro Rata Share of such amount shall be solely for the account of such L/C Issuer.

(v) Each applicable Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(d), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such L/C Issuer, the U.S. Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(d) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower Representative of a Committed Loan Notice). No such making of a L/C Advance shall relieve or otherwise impair the obligation of the U.S. Borrower to reimburse the applicable L/C Issuer for the amount of any payment made by the applicable L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(d) by the time specified in Section 2.03(d)(ii), then, without limiting the other provisions of this Agreement, such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the Federal Funds Rate from time to time in effect and a rate reasonably determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such principal amount, the amount so paid (less interest and fees) shall constitute such Lender's Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the applicable L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(d)(vi) shall be conclusive absent manifest error.

(e) Repayment of Participations.

(i) If, at any time after a L/C Issuer has made a payment under any Letter of Credit issued by it and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(d), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the U.S. Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its applicable Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of a L/C Issuer pursuant to Section 2.03(d)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its applicable Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(f) Obligations Absolute. The obligation of the U.S. Borrower to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the U.S. Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the applicable L/C Issuer under such Letter of Credit against presentation of a draft, certificate or other drawing document that does not comply with the terms of such Letter of Credit; or any payment made by the applicable L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, administrator, administrative receiver, judicial manager, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of the U.S. Borrower in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a legal or equitable discharge of, or provide a right of setoff against the U.S. Borrower's obligations hereunder.

The Borrower Representative shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to them and, in the event of any claim of noncompliance with the instructions of the Borrower Representative or other irregularity, the Borrower Representative will promptly notify the applicable L/C Issuer. The Borrower Representative shall be conclusively deemed to have waived any such claim against any L/C Issuer and its correspondents unless such notice is given as aforesaid.

(g) Role of L/C Issuer. Each Lender and the U.S. Borrower agree that, in paying any drawing under a Letter of Credit, the applicable L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and other documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the applicable L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of the applicable L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Credit Lenders or the Required Revolving Lenders, as applicable; (ii) any action taken or omitted in the absence of bad faith, gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The U.S. Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the U.S. Borrower from pursuing such rights and remedies as they may have against the beneficiary or transferee at Law or under any other agreement. None of the applicable L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of such L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vi) of Section 2.03(f); provided, however, that anything in such clauses to the contrary notwithstanding, the U.S. Borrower may have a claim against such L/C Issuer, and such L/C Issuer may be liable to the U.S. Borrower, to the extent, but only to the extent, of any direct, as opposed to indirect, special, punitive, consequential or exemplary, damages suffered by the U.S. Borrower which a court of competent jurisdiction determines in a final non-appealable judgment were caused by such L/C Issuer's bad faith, willful misconduct or gross negligence. In furtherance and not in limitation of the foregoing, the applicable L/C Issuer may, in its

sole discretion, either accept documents that appear on their face to be in order and make payment upon such documents, without responsibility for further investigation, regardless of any notice or information to the contrary, and such L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(h) Letter of Credit Fees. The U.S. Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its applicable Pro Rata Share, a Letter of Credit fee in Dollars which shall accrue for each Letter of Credit on the Dollar Amount thereof in an amount equal to the Applicable Rate then in effect for Term Benchmark Rate Loans with respect to the Revolving Credit Facility multiplied by the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases automatically pursuant to the terms of such Letter of Credit); provided, however, that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Revolving Credit Lenders in accordance with the upward adjustments in their respective applicable Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(a)(iv), with the balance of such fee, if any, payable to the applicable L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears and shall be due and payable on the last Business Day of each fiscal quarter, in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) Fronting Fee and Documentary and Processing Charges Payable to a L/C Issuer. The U.S. Borrower shall pay directly to the applicable L/C Issuer for its own account a fronting fee in Dollars equal to 0.125% of the maximum daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears and based on the Dollar Amount thereof. Such fronting fee shall be due and payable on the last Business Day of each fiscal quarter beginning with the last Business Day of the first full fiscal quarter to end after the Closing Date in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the maximum daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. In addition, the U.S. Borrower shall pay directly to the applicable L/C Issuer for its own account the customary issuance, presentation, administration, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within five Business Days of demand and are nonrefundable.

(j) Conflict with Letter of Credit Application. In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) Reporting. To the extent that any Letters of Credit are issued by a L/C Issuer other than the Administrative Agent, each such L/C Issuer shall furnish to the Administrative Agent a report detailing the L/C Obligations outstanding under all Letters of Credit issued by it, such report to be in a form and at reporting intervals as shall be agreed between the Administrative Agent and such L/C Issuer; provided that in no event shall such reports be furnished at intervals less than 31 days (and in no event shall any such report be provided earlier than the fifth Business Day after the end of any calendar month in respect of a calendar month period).

(l) Provisions Related to Extended Revolving Credit Commitments. If the Maturity Date in respect of any Tranche of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other Tranches of Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to this Section 2.03) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Tranches up to an aggregate amount not to exceed the aggregate principal amount of the unused Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and to the extent any Letters of Credit are not able to be reallocated pursuant to this clause (l) and there are outstanding Revolving Credit Loans under the non-terminating Tranches, the U.S. Borrower agrees to repay all such Revolving Credit Loans (or such lesser amount as is necessary to reallocate all Letters of Credit pursuant to this clause (l)) or (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the U.S. Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.16 but only up to the amount of such Letter of Credit not so reallocated. Except to the extent of reallocations of participations pursuant to clause (i) of the immediately preceding sentence, the occurrence of a Maturity Date with respect to a given tranche of Revolving Credit Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Revolving Credit Lenders in any Letter of Credit issued before such Maturity Date.

(m) Letters of Credit Issued for Account of Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Restricted Subsidiary, or states that a Restricted Subsidiary is the “account party,” “applicant,” “customer,” “instructing party,” or the like of or for such Letter of Credit, and without derogating from any rights of the applicable L/C Issuer (whether arising by contract, at law, in equity or otherwise) against such Restricted Subsidiary in respect of such Letter of Credit, the U.S. Borrower (i) shall reimburse, indemnify and compensate the applicable L/C Issuer hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the U.S. Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Restricted Subsidiary in respect of such Letter of Credit. The U.S. Borrower hereby acknowledges that the issuance of such Letters of Credit for its Restricted Subsidiaries inures to the benefit of the U.S. Borrower, and that the U.S. Borrower’s business derives substantial benefits from the businesses of such Restricted Subsidiaries.

(n) Applicability of ISP and UCP. Unless otherwise expressly agreed in writing by the applicable L/C Issuer and the Borrower Representative when a Letter of Credit is issued by such L/C Issuer, (i) the rules of the ISP shall apply to each standby Letter of Credit and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, no L/C Issuer shall be responsible to the U.S. Borrower for, and such L/C Issuer’s rights and remedies against the U.S. Borrower shall not be impaired by, any action or inaction of such L/C Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Laws or any order of a jurisdiction where such L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the International Chamber of Commerce Banking Commission, the Bankers Association for Finance and Trade (BAFT), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such laws or practice rules.

Section 2.04. [Reserved].

Section 2.05 Prepayments.

(a) Optional.

(i) Any Borrower may, upon notice by the Borrower Representative substantially in the form of Exhibit J to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty except as set forth in Section 2.05(a)(iii) or Section 2.05(a)(iv) below; provided that (1) such notice must be received by the Administrative Agent not later than (A) 12:00 p.m. (New York City time) three Business Days prior to any date of prepayment of Term Benchmark Rate Loan, (B) 2:00 p.m. (London time) four Business Days prior to any date of prepayment of RFR Loans and (C) 11:00 a.m. (New York City time) on the date of prepayment of Base Rate Loans (or such shorter period as the Administrative Agent shall agree); (2) any prepayment of Term Benchmark Rate Loans or RFR Loans shall be (x) in a principal amount of \$3,000,000 (or the equivalent Dollar Amount), or (y) a whole multiple of \$1,000,000 (or the equivalent Dollar Amount) in excess thereof; and (3) any prepayment of Base Rate Loans shall be (x) in a principal amount of \$1,000,000 (or the equivalent Dollar Amount), or (y) a whole multiple of \$500,000 (or the equivalent Dollar Amount) in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment, the Tranche of Loans to be prepaid, the Type(s) of Loans to be prepaid and, if Term Benchmark Rate Loans or RFR Loans are to be prepaid, the Interest Period(s) of such Loans (except that if the class of Loans to be prepaid includes both Base Rate Loans and Term Benchmark Rate Loans or RFR Loans, absent direction by the Borrower Representative, the applicable prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Term Benchmark Rate Loans or RFR Loans, as applicable, in each case in a manner that minimizes the amount payable by the applicable Borrower in respect of such prepayment pursuant to Section 3.06). The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's ratable share of the relevant Facility). If such notice is given by the Borrower Representative, subject to clause (ii) below, the applicable Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Term Benchmark Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 2.05(a)(iii), Section 2.05(a)(iv) and Section 3.06. Each prepayment of the principal of, and interest on, any Revolving Credit Loans denominated in an Alternative Currency, shall be made in the relevant Alternative Currency. Subject to Section 2.17, each prepayment of outstanding Term Loan Tranches pursuant to this Section 2.05(a) shall be applied to the Term Loan Tranche or Term Loan Tranches designated on such notice on a pro rata basis within such Term Loan Tranche. Subject to Section 2.17, each prepayment of an outstanding Term Loan Tranche pursuant to this Section 2.05(a) shall be applied to the remaining amortization payments of such Term Loan Tranche as directed by the Borrower Representative (or, if the Borrower Representative has not made such designation, in direct order of maturity), but, in any event, on a pro rata basis to the Lenders within such Term Loan Tranche.

(ii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment under Section 2.05(a)(i) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked or extended by the Borrower Representative (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(iii) If any Borrower (A) makes a voluntary prepayment of any Initial Term Loans pursuant to this Section 2.05(a) resulting in a Repricing Event, (B) effects an amendment with respect to Initial Term Loans resulting in a Repricing Event or (C) makes a prepayment of any Initial Term Loans pursuant to Section 2.05(b)(iii) resulting in a Repricing Event, in each case prior to the six-month

anniversary of the First Amendment Effective Date, such Borrower shall pay to the Administrative Agent, for the ratable account of the applicable Term Lenders, a prepayment premium in an amount equal to 1.00% of the principal amount prepaid (or in the case of clause (B), a prepayment premium in an amount equal to 1.00% of the principal amount of affected Term Loans held by Term Lenders not consenting to such amendment).

(iv) Notwithstanding anything to the contrary contained in this Agreement, if the U.S. Borrower (A) makes a voluntary prepayment of any 2021 Term Loans pursuant to this Section 2.05(a) or (B) makes a prepayment of any 2021 Term Loans pursuant to Section 2.05(b)(iii), the U.S. Borrower shall pay to the Administrative Agent, for the ratable account of the applicable 2021 Term Lenders, (x) if such prepayment is made on or prior to the first anniversary of the Second Amendment Effective Date, a prepayment premium in an amount equal to 2.00% of the principal amount of 2021 Term Loans prepaid, or (y) if such prepayment is made on or prior to the second anniversary of the Second Amendment Effective Date but after the first anniversary of the Second Amendment Effective Date, a prepayment premium in an amount equal to 1.00% of the principal amount of 2021 Term Loans prepaid (the "2021 Term Loan Prepayment Premium"); provided no 2021 Term Loan Prepayment Premium will be required after the second anniversary of the Second Amendment Effective Date.

(b) Mandatory.

(i) For any Excess Cash Flow Period, within ten Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a) (or, if later, the date on which such financial statements and such Compliance Certificate are required to be delivered), the Borrowers shall prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the proviso below) of Excess Cash Flow for such Excess Cash Flow Period, *minus* (B) the sum of:

(1) the aggregate amount of voluntary principal prepayments of the Loans or Indebtedness that is *pari passu* in right of payment and security with the Initial Term Loans, in each case, made during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the date immediately prior to the date on which the relevant Excess Cash Flow prepayment is or would be required to be made (including prepayments at a discount to par and open market purchases, with credit given for the actual amount of the cash payment and prepayments in connection with lender replacement provisions (including pursuant to Section 3.08)) (except prepayments of Loans under any Revolving Tranche or other revolving Indebtedness that is *pari passu* in right of payment and security with the Revolving Credit Commitments that are not accompanied by a corresponding permanent commitment reduction of the Revolving Tranches), in each case other than to the extent that any such prepayment is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(2) any amount not required to be applied to such prepayment pursuant to Section 2.05(b)(viii) or (ix),

(3) the portion of the Excess Cash Flow applied (to the extent any Borrower Party is required by the terms thereof) to prepay, repay or purchase Indebtedness that is *pari passu* in right of payment and security with the Initial Term Loans (to the extent the documentation governing such Indebtedness requires such a prepayment or repurchase thereof with Excess Cash Flow, in each case in an amount not to exceed the product of (x) the amount of Excess Cash Flow and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08) and the denominator of which is the aggregate outstanding principal amount of Term Loans and all such other Indebtedness), in each case other than to the extent that any such prepayment is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(4) the amount of capital expenditures made in cash by the Borrower Parties during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the last day of the applicable Excess Cash Flow Period (or, at the Borrower Representative's option, after the end of the relevant Excess Cash Flow Period but prior to the time such Excess Cash Flow payment is due; provided that to the extent the Borrower Representative exercises such option, such amount shall not be permitted as a reduction against the subsequent Excess Cash Flow Period calculation) and in each case other than to the extent that any such capital expenditures are funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(5) the aggregate amount of cash consideration paid by the Borrower Parties (on a consolidated basis) in connection with any Investments (including, without limitation, any acquisitions and acquisitions of intellectual property) during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the last day of the applicable Excess Cash Flow Period (or, at the U.S. Borrower's option, after the end of the relevant Excess Cash Flow Period but prior to the time such Excess Cash Flow payment is due; provided that to the extent the U.S. Borrower exercises such option, such amount shall not be permitted as a reduction against the subsequent Excess Cash Flow Period calculation) and in each case other than to the extent that any such cash consideration is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness,

(6) at the Borrower Representative's election, without duplication of amounts deducted from Excess Cash Flow pursuant to this Section 2.05(b)(i)(B)(6) in respect of prior fiscal years, the aggregate consideration required to be paid in cash by the Borrower Parties pursuant to binding contracts (the "Contract Consideration") entered into prior to or during such fiscal year relating to Investments (including, without limitation, any acquisitions and acquisitions of intellectual property) or made pursuant to Section 7.05 or capital expenditures to be consummated or made during the period of four consecutive fiscal quarters of the U.S. Borrower following the end of such fiscal year, provided that to the extent the aggregate amount of cash actually utilized to finance such Investments and capital expenditures during such period of four consecutive fiscal quarters is less than the Contract Consideration, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive fiscal quarters;

provided that such percentage in respect of any Excess Cash Flow Period shall be reduced to 25% or 0% if the Consolidated First Lien Net Leverage Ratio as of the last day of the fiscal year to which such Excess Cash Flow Period relates was equal to or less than 4.50:1.00 or 4.00:1.00, respectively (the amount described in this clause (i), the "ECF Prepayment Amount"); provided further that no prepayment shall be required with respect to any Excess Cash Flow Period unless the ECF Prepayment Amount exceeds the greater of \$50,000,000 and 11.25% of Four Quarter Consolidated EBITDA, and in such case, the ECF Prepayment Amount shall be the amount in excess thereof; provided further that, if the Consolidated First Lien Net Leverage Ratio on a Pro Forma Basis after giving effect to any Excess Cash Flow prepayment would result in the percentage in respect of the applicable Excess Cash Flow Period being reduced to 25% or 0%, then such reduced percentage applicable to the Excess Cash Flow prepayment required to be made shall apply.

(ii) If any Asset Sale or Casualty Event (or series of related Asset Sales or Casualty Events) results in the receipt by any Borrower Party of aggregate Net Cash Proceeds in excess of the greater of \$50,000,000 and 11.25% of Four Quarter Consolidated EBITDA (“Relevant Transaction”), then, except to the extent the Borrower Representative elects in a written notice to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 7.04, the Borrowers shall prepay, subject to Section 2.05(b)(viii), an aggregate principal amount of Term Loans in an amount equal to 100% (as may be adjusted pursuant to the second proviso below) of the Net Cash Proceeds received from such Relevant Transaction within 15 Business Days of receipt thereof (or within 15 Business Days after the later of the date the threshold referred to above is first exceeded and the date the relevant Net Cash Proceeds are received) by the Borrower Parties; provided that the Borrowers may use a portion of the Net Cash Proceeds received from such Relevant Transaction to prepay or repurchase any other Indebtedness that is pari passu in right of payment and security with the Initial Term Loans to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Relevant Transaction, to the extent not deducted in the calculation of Net Cash Proceeds, in each case in an amount not to exceed the product of (1) the amount of such Net Cash Proceeds and (2) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08) and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Article I); provided further that, so long as no Event of Default shall have occurred and be continuing or would result therefrom, such prepayment percentage shall be reduced from 100% to 50% or 0% if, on a Pro Forma Basis after giving effect to such Asset Sale or Casualty Event, as the case may be, and the use of proceeds therefrom, the Consolidated First Lien Net Leverage Ratio would be equal to or less than 4.50:1.00 or 4.00:1.00, respectively (any Net Cash Proceeds in respect of any such Asset Sale or Casualty Event not required to be applied in accordance with this Section 2.05(b) as a result of the application of this proviso shall collectively constitute “Leverage Excess Proceeds”); provided further that only the amount of Net Cash Proceeds in excess of the greater of \$50,000,000 and 11.25% of Four Quarter Consolidated EBITDA for any Asset Sale or Casualty Event (or series of related Asset Sales or Casualty Events) shall be subject to prepayment pursuant to this Section 2.05(b)(ii) and, in such case, the required prepayment shall be only the amount in excess thereof.

(iii) Upon the incurrence or issuance by any Borrower Party of any Refinancing Notes, any Specified Refinancing Term Loans or any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.01, the Borrowers shall prepay an aggregate principal amount of Term Loan Tranches in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by such Borrower Party.

(iv) Upon the incurrence by any Borrower Party of any Specified Refinancing Debt constituting revolving credit facilities, the Borrowers shall prepay an aggregate principal amount of Revolving Credit Loans in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by such Borrower Party.

(v) If for any reason the sum of the Total Revolving Credit Outstandings in respect of any Revolving Tranche or the sum of outstanding Specified Refinancing Revolving Loans at any time exceed the sum of the applicable Revolving Tranche in respect thereof (including after giving effect to any reduction in the Revolving Credit Commitments pursuant to Section 2.06), the U.S. Borrower shall immediately prepay the Loans under the applicable Revolving Tranche and/or Cash Collateralize the L/C Obligations related thereto in an aggregate amount equal to such excess; provided, however, that the U.S. Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Loans under the applicable Revolving Tranche the sum of the Total Revolving Credit Outstandings in respect of any Revolving Tranche or the outstanding Specified Refinancing Revolving Loans, as the case may be, exceed the aggregate Revolving Credit Commitments in respect of any Revolving Tranche or the commitments to make Specified Refinancing Revolving Loans, as the case may be, then in effect.

(vi) Subject to Section 2.17, the aggregate amount of any prepayment of Term Loans that is required pursuant to this Section 2.05(b) shall be made to each Term Loan Tranche on a pro rata basis (or, if agreed to in writing by the Majority Lenders of a Term Loan Tranche, in a manner that provides for more favorable prepayment treatment of other Term Loan Tranches, so long as each other such Term Loan Tranche receives its Pro Rata Share of any amount to be applied more favorably, except to the extent otherwise agreed by the Majority Lenders of each Term Loan Tranche receiving less than such Pro Rata Share) (other than a prepayment of (x) Term Loans or Revolving Credit Loans, as applicable, with the proceeds of Indebtedness incurred pursuant to Section 2.18, which shall be applied to the Term Loan Tranche or Revolving Tranche, as applicable, being refinanced pursuant thereto or (y) Term Loans with the proceeds of any Refinancing Notes issued to the extent permitted under Section 7.01(a), which shall be applied to the Term Loan Tranche being refinanced pursuant thereto). Amounts to be applied to a Term Loan Tranche in connection with prepayments made pursuant to this Section 2.05(b) shall be applied to interest on each such Term Loan Tranche on a pro rata basis that is accrued and payable at such time and thereafter to the remaining scheduled installments with respect to such Term Loan Tranche in direct order of maturity. Each prepayment of Term Loans under a particular Tranche of a Facility pursuant to this Section 2.05(b) shall be applied on a pro rata basis to the then outstanding Base Rate Loans and Term SOFR Rate Loans under such Tranche; provided that, if there are no Declining Lenders with respect to such prepayment, then the amount thereof shall be applied first to Base Rate Loans under such Tranche to the full extent thereof before application to Term SOFR Rate Loans, in each case in a manner that minimizes the amount payable by the applicable Borrower in respect of such prepayment pursuant to Section 3.06.

(vii) All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Term Benchmark Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Term Benchmark Rate Loan pursuant to Section 3.06 and, to the extent applicable, any additional amounts required pursuant to Section 2.05(a)(iii) or Section 2.05(a)(iv). Notwithstanding any of the other provisions of this Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Term Benchmark Rate Loans is required to be made under this Section 2.05(b), other than on the last day of the Interest Period therefor, the applicable Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower Representative or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b) (it being agreed, for clarity, that interest shall continue to accrue on the Loans so prepaid until the amount so deposited is actually applied to prepay such Loans). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower Representative or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(viii) Notwithstanding any other provisions of this Section 2.05, to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Non-U.S. Subsidiary (or a U.S. Subsidiary of a Non-U.S. Subsidiary) (a "Foreign Disposition") or the Net Cash Proceeds of any Casualty Event from a Non-U.S. Subsidiary (or a U.S. Subsidiary of a Non-U.S. Subsidiary) (a "Foreign Casualty Event"), in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) are or is prohibited, restricted or delayed by applicable local law, rule or regulation (including, without limitation, financial assistance and corporate benefit restrictions and fiduciary and statutory duties of any director or officer of such Subsidiaries) from

being repatriated to the applicable Borrower or so prepaid or such repatriation or prepayment would present a material risk of liability for the applicable Subsidiary or its directors or officers (or gives rise to a material risk of breach of fiduciary or statutory duties by any director or officer), the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Non-U.S. Subsidiary.

(ix) Notwithstanding any other provisions of this Section 2.05, to the extent that the U.S. Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition or any Foreign Casualty Event, in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i), would result in adverse tax consequences, the Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Non-U.S. Subsidiary.

(x) the U.S. Borrower shall not be required to monitor any Payment Block and/or reserve cash for future repatriation after the Borrower Representative has notified the Administrative Agent of the existence of such Payment Block.

(c) Term Lender Opt-Out. With respect to any mandatory prepayment of Initial Term Loans, 2021 Term Loans and, unless otherwise specified in the documents therefor, other Term Loan Tranches, pursuant to Section 2.05(b)(i) or (ii), any Appropriate Lender, at its option (but solely to the extent the Borrower Representative elects for this clause (c) to be applicable to a given prepayment, other than in connection with any Refinancing Notes or any Specified Refinancing Term Loans), may elect not to accept such prepayment as provided below. The Borrower Representative may notify the Administrative Agent of any event giving rise to a prepayment under Section 2.05(b)(i) or (ii) at least ten Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under Section 2.05(b)(i) or (ii) (the "Prepayment Amount"). The Administrative Agent will promptly notify each Appropriate Lender of the contents of any such prepayment notice so received from the Borrower Representative, including the date on which such prepayment is to be made (the "Prepayment Date"). Any Appropriate Lender may (but solely to the extent the Borrower Representative elects for this clause (c) to be applicable to a given prepayment) decline to accept all (but not less than all) of its share of any such prepayment (any such Lender, a "Declining Lender") by providing written notice to the Administrative Agent no later than five Business Days after the date of such Appropriate Lender's receipt of notice from the Administrative Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Administrative Agent on or prior to such fifth Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Administrative Agent by the Borrowers and applied by the Administrative Agent ratably to prepay Term Loans under the Term Loan Tranches owing to Appropriate Lenders (other than Declining Lenders) in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Term Loans, New Term Loans or Specified Refinancing Term Loans owing to Declining Lenders shall be applied in accordance with the ABL Intercreditor Agreement and, if not otherwise required to be prepaid, retained by the Borrowers (such amounts, "Retained Declined Proceeds").

(d) All Loans shall be repaid, whether pursuant to this Section 2.05 or otherwise, in the currency in which they were made.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. Any Borrower may, upon written notice by the Borrower Representative to the Administrative Agent, terminate the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Tranche, or from time to time permanently reduce the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Tranche; provided that (i) any such notice shall be received by the Administrative Agent three Business Days (or such shorter period as the Administrative Agent shall agree) prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$500,000 (or the equivalent Dollar Amount) or any whole multiple of \$100,000 (or the equivalent Dollar Amount) in excess thereof and (iii) no Borrower shall terminate or reduce (A) the Commitments under any Tranche of the Revolving Credit Facility if, after giving effect thereto and to any concurrent prepayments hereunder, (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility or (y) the Total Revolving Credit Outstandings with respect to such Tranche would exceed the Revolving Credit Commitments under such Tranche or (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit. Any such notice of termination or reduction of commitments pursuant to this Section 2.06(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower Representative (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, (i) upon termination of the Aggregate Commitments and payment in full of all Obligations in cash and in immediately available funds (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration without any pending drawing or termination of all Letters of Credit (other than Letters of Credit that have been Cash Collateralized or as to which arrangements satisfactory to the L/C Issuer that issued such Letters of Credit shall have been made), this Agreement shall automatically terminate and the Administrative Agent shall comply with Section 9.01(c) and Section 9.11.

(b) Mandatory.

(i) The Aggregate Commitments under a Term Loan Tranche shall be automatically and permanently reduced to zero on the date of the initial incurrence of Term Loans under such Term Loan Tranche, which in the case of the Initial Term Commitments shall be the Closing Date and in the case of the 2021 Term Commitments shall be the Second Amendment Effective Date.

(ii) Upon the incurrence by any Borrower Party of any Specified Refinancing Debt constituting revolving credit facilities, the Revolving Credit Commitments of the Lenders under the Tranche of Revolving Credit Loans being refinanced shall be automatically and permanently reduced on a ratable basis by an amount equal to 100% of the Commitments under such revolving credit facilities.

(iii) If after giving effect to any reduction or termination of Revolving Credit Commitments under this Section 2.06, the Letter of Credit Sublimit exceeds the amount of the Revolving Credit Facility at such time, the Letter of Credit Sublimit shall be automatically reduced by the amount of such excess.

(iv) The aggregate Revolving Credit Commitments with respect to any Tranche of the Revolving Credit Facility shall automatically and permanently be reduced to zero on the Maturity Date with respect to such Tranche of the Revolving Credit Facility.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the applicable Lenders of the applicable Facility of any termination or reduction of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit or the Revolving Credit ~~Commitment~~Commitments with respect to any Revolving Tranche under this Section 2.06. Upon any reduction of Commitments under a Facility or a Tranche thereof, the Commitment of each Lender under such Facility or Tranche thereof shall be reduced by such Lender's ratable share of the amount by which such Facility or Tranche thereof is reduced (other than the termination of the Commitment of any Lender as provided in Section 3.08). All facility fees accrued until the effective date of any termination of the Aggregate Commitments and unpaid, shall be paid on the effective date of such termination. For the avoidance of doubt, to the extent that any portion of the Revolving Credit Loans have been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, any prepayments of revolving Loans made pursuant to this Section 2.06 (other than any prepayments of revolving Loans made pursuant to Section 2.06(b)(ii)) shall be allocated ratably among the Revolving Tranches.

Section 2.07 Repayment of Loans.

(a) Initial Term B-1 Loans. The U.S. Borrower shall repay to the Administrative Agent for the ratable account of the applicable Term B-1 Lenders the aggregate principal amount of all Initial Term B-1 Loans outstanding in consecutive quarterly installments as follows (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Sections 2.05 and 2.06, or be increased as a result of any increase in the amount of Initial Term B-1 Loans pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth below for the Initial Term B-1 Loans made as of the Closing Date)):

<u>Date</u>	<u>Amount</u>
The last Business Day of the fiscal quarter ending on December 31, 2019	0.25% of the aggregate principal amount of the Initial Term B-1 Loans on the Closing Date
The last Business Day of each fiscal quarter ending prior to the Maturity Date for the Term B-1 Facility starting with the fiscal quarter ending on March 31, 2020	0.2506265664% of the aggregate principal amount of the Initial Term B-1 Loans on the First Amendment Effective Date
Maturity Date for the Term B-1 Facility	All unpaid aggregate principal amounts of any outstanding Initial Term B-1 Loans

provided, however, that (i) if the date scheduled for any principal repayment installment is not a Business Day, such principal repayment installment shall be repaid on the next preceding Business Day, and (ii) the final principal repayment installment of the Initial Term B-1 Loans shall be repaid on the Maturity Date for the Initial Term B-1 Loans and in any event shall be in an amount equal to the aggregate principal amount of all Initial Term B-1 Loans outstanding on such date.

(b) Initial Term B-2 Loans. The Canadian Borrower shall repay to the Administrative Agent for the ratable account of the applicable Term B-2 Lenders the aggregate principal amount of all Initial Term B-2 Loans outstanding in consecutive quarterly installments as follows (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Sections 2.05 and 2.06, or be increased as a result of any increase in the

amount of Initial Term B-2 Loans pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth below for the Initial Term B-2 Loans made as of the Closing Date)):

<u>Date</u>	<u>Amount</u>
The last Business Day of the fiscal quarter ending on December 31, 2019	0.25% of the aggregate principal amount of the Initial Term B-2 Loans on the Closing Date
The last Business Day of each fiscal quarter ending prior to the Maturity Date for the Term B-2 Facility starting with the fiscal quarter ending on March 31, 2020	0.2506265664% of the aggregate principal amount of the Initial Term B-2 Loans on the First Amendment Effective Date
Maturity Date for the Term B-2 Facility	All unpaid aggregate principal amounts of any outstanding Initial Term B-2 Loans

provided, however, that (i) if the date scheduled for any principal repayment installment is not a Business Day, such principal repayment installment shall be repaid on the next preceding Business Day, and (ii) the final principal repayment installment of the Initial Term B-2 Loans shall be repaid on the Maturity Date for the Initial Term B-2 Loans and in any event shall be in an amount equal to the aggregate principal amount of all Initial Term B-2 Loans outstanding on such date.

(c) 2021 Term Loans. The U.S. Borrower shall repay to the Administrative Agent for the ratable account of the 2021 Term Lenders on the Maturity Date for the 2021 Term Loans the aggregate principal amount of all 2021 Term Loans outstanding on such date.

(d) Revolving Credit Loans. The U.S. Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the applicable Maturity Date for the Revolving Credit Facilities of a given Tranche the aggregate principal amount of all of its Revolving Credit Loans of such Tranche outstanding on such date.

(e) All Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

Section 2.08 Interest.

(a) Subject to the provisions of the following sentence, (i) each Term SOFR Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Adjusted Term SOFR Rate for such Interest Period plus (B) the Applicable Rate for Term SOFR Rate Loans under such Facility; (ii) each Eurocurrency Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Adjusted Eurocurrency Rate for such Interest Period plus (B) the Applicable Rate for Eurocurrency Rate Loans under such Facility; (iii) each RFR Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Daily Simple RFR for each day within such Interest Period plus (B) the Applicable Rate for RFR Loans under such Facility; and (iv) each Base Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof from the applicable borrowing date or conversion date, as the case may be, at a rate per annum equal to the sum of (A) the Base Rate plus (B) the Applicable Rate for Base Rate Loans under such Facility. During the continuance of an Event of Default under Section 8.01(a), (f) or (g), the applicable Borrower shall pay interest on all overdue Obligations hereunder, which shall include all Obligations following an acceleration pursuant to Section 8.02 (including an automatic acceleration), at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(b) Accrued interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein; provided that in the event of any repayment or prepayment of any Loan (other than Revolving Credit Loans bearing interest based on the Base Rate that are repaid or prepaid without any corresponding termination or reduction of the Revolving Credit Commitments other than as set forth in Section 2.14(e)), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(c) Interest on each Loan shall be payable in the currency in which each Loan was made.

(d) All computations of interest hereunder shall be made in accordance with Section 2.10 of this Agreement.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) Facility Fee. The U.S. Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Pro Rata Share of each Tranche of the Revolving Credit Facility, a facility fee equal to the Applicable Facility Fee multiplied by the actual daily amount of the aggregate Revolving Credit Commitments under such Tranche (whether used or unused), subject to adjustment as provided in Section 2.17. The facility fee shall accrue at all times from the Closing Date until the Latest Maturity Date ~~for~~ of the Revolving Credit Facility, and shall be due and payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing with the last Business Day of the first full fiscal quarter to end following the Closing Date, and on the Maturity Date for each Tranche of the Revolving Credit Facility (provided that, if any Revolving Credit Loans under such Tranche or any L/C Obligations under such Tranche remain outstanding following the Maturity Date for such Tranche of the Revolving Credit Facility or the date on which the aggregate Revolving Credit Commitments under such Tranche shall expire or be terminated, the facility fee with respect to such Revolving Credit Loans and such L/C Obligations shall continue to accrue for so long as such Revolving Credit Loans and such L/C Obligations remain outstanding and shall be due and payable on demand). For the avoidance of doubt, the facility fee payable hereunder shall accrue and be payable in Dollars.

(b) Other Fees and Closing Payments. The applicable Borrower shall pay to the Lenders, the Arrangers, the Initial Principal Investors, the Administrative Agent and the Collateral Agent such fees and closing payments as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.10 Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate.

(a) All computations of interest for Base Rate Loans based on clause (b) in the definition of "Base Rate" and all computations of interest for RFR Loans shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year) or, in the case of interest in respect of Loans denominated in Alternative Currencies as to which generally accepted market practice differs from the foregoing, in accordance with such generally accepted market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is

repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error. The Administrative Agent shall, at the request of the Borrower Representative, deliver to the Borrower Representative a statement showing the quotations used by the Administrative Agent in determining any interest rate hereunder.

(b) If, as a result of any restatement of or other adjustment to the financial statements of the U.S. Borrower or for any other reason, the U.S. Borrower or the Lenders determine that (i) the Consolidated First Lien Net Leverage Ratio as calculated by the U.S. Borrower as of any applicable date was inaccurate and (ii) a proper calculation of such ratio would have resulted in higher interest and/or fees for any period, the U.S. Borrower shall be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the U.S. Borrower under the Bankruptcy Code of the United States, automatically and with any such demand by the Administrative Agent being excused), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This clause shall not limit the rights of the Administrative Agent, any Lender or the applicable L/C Issuer, as the case may be, under Section 2.03(d)(iii), Section 2.03(h) or (i), Section 2.08(b) or under Article VIII. Except in any case where a demand is excused as provided above, any additional interest and fees under this Section 2.10(b) shall not be due and payable until a demand is made for such payment by the Administrative Agent and accordingly, any nonpayment of such interest and fees as result of any such inaccuracy shall not constitute a Default (whether retroactively or otherwise), and none of such additional amounts shall be deemed overdue or accrue interest at the Default Rate, in each case at any time prior to the date that is five Business Days following such demand.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of United States Treasury Regulations Section 5f.103-1(c) and Proposed United States Treasury Regulations Section 1.163-5(b) (or any amended or successor version), as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the written request of any Lender made through the Administrative Agent, the applicable Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which execution and delivery the Administrative Agent shall record in the Register, which, to the extent consistent with the records in the Register, shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its accounts or records pursuant to Sections 2.11(a) and (b), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the applicable Borrower to, in the case of the Register, each Lender and, in the case of such accounts or records, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such accounts or records shall not limit the obligations of the applicable Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to payments in an Alternative Currency, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 3:00 p.m. (New York City time) on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in such Alternative Currency and in immediately available funds not later than the applicable time specified by the Administrative Agent on the dates specified herein. If, for any reason, any Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the equivalent Dollar Amount. The Administrative Agent will promptly distribute to each Lender its ratable share in respect of the relevant Facility or Tranche thereof (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 3:00 p.m. (New York City time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by any Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Term Benchmark Rate Loans or RFR Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day. A L/C Issuer can elect to receive payments in respect of Letters of Credit in Dollars rather than in an Alternative Currency.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Term Benchmark Rate Loans or RFR Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 3:00 p.m. (New York City time) on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with and at the time required by Section 2.02(b) and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if any Lender does not in fact make its share of the applicable Borrowing available to the Administrative Agent, then such Lender and such Borrower severally agree to pay to the Administrative Agent forthwith on demand an amount equal to such applicable share in immediately available funds with interest thereon, for each day from and including the date such amount is made available to such Borrower by the Administrative Agent to but

excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by any Borrower, the interest rate applicable to Base Rate Loans under the applicable Facility. If both such Borrower and such Lender pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid (less interest and fees) shall constitute such Lender's Loan included in such Borrowing. Any payment by any Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make its share of any Borrowing available to the Administrative Agent.

(ii) Payments by the Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or a L/C Issuer hereunder that any Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if such Borrower do not in fact make such payment, then each of the Appropriate Lenders or the applicable L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

A notice of the Administrative Agent to any Lender or the Borrower Representative with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Loan or to fund any such participation or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or, to fund its participation or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's ratable share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. Each Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section shall not be construed to apply to (A) the application of Cash Collateral provided for in Section 2.16, (B) the assignments and participations (including by means of a Dutch Auction and open market debt repurchases) described in Section 10.07, (C) (i) the incurrence of any New Term Loans in accordance with Section 2.14, (ii) the prepayment of Revolving Credit Loans in accordance with Section 2.14(e) in connection with a Revolving Credit Commitment Increase or (iii) any Specified Refinancing Debt in accordance with Section 2.18, (D) any Extension described in Section 2.19, or (E) any applicable circumstances contemplated by Section 2.05(b), 2.14, 2.17 or 3.08.

Section 2.14 Incremental Facilities.

(a) The U.S. Borrower or the Canadian Borrower (in each case, together with any Co-Borrower) may, from time to time after the Closing Date, upon notice by the Borrower Representative to the Administrative Agent and the Person appointed by the Borrower Representative to arrange an incremental Facility (such Person (who may be (i) the Administrative Agent or (ii) any other Person appointed by the Borrower Representative after consultation with the Administrative Agent), the "Incremental Arranger") specifying the proposed Borrower (which shall be either the U.S. Borrower or the Canadian Borrower, and which may include a Co-Borrower), the proposed amount thereof and the proposed currency denomination thereof, request (i) an increase in the Commitments under any Revolving Tranche (which shall be on the same terms as, and become part of, ~~the~~such Revolving Tranche proposed to be increased) (each, a "Revolving Credit Commitment Increase"), (ii) an increase in any Term Loan Tranche then outstanding (which shall be on the same terms as, and become part of, the Term Loan Tranche proposed to be increased hereunder (except as otherwise provided in clause (d) below with respect to amortization)) (each, a "Term Commitment Increase"), (iii) the addition of one or more new revolving credit facilities to the Facilities, in each case, in such currency or currencies as the Borrower Representative identifies in such notice (each, a "New Revolving Facility" and, any advance made by a Lender thereunder, a "New Revolving Loan"; and the commitments thereof, the "New Revolving Commitment") and (iv) the addition of one or more new term loan facilities, in each case, in such currency or currencies as the Borrower Representative identifies in such notice (each, a "New Term Facility"; and any advance made by a Lender thereunder, a "New Term Loan"; and the commitments thereof, the "New Term Commitment" and together with the Revolving Credit Commitment Increase, the New Revolving Commitments and the Term Commitment Increase, the "New Loan Commitments") in an amount not to exceed the sum of (x) the greater of (A) \$446,000,000 and (B) 100% of Four Quarter Consolidated EBITDA (the "Cash-Capped Incremental Facility"), (y) an unlimited amount (the "Ratio-Based Incremental Facility") so long as the Maximum Leverage Requirement is satisfied and (z) an amount equal to (i) (A) all voluntary prepayments of *pari passu* Term Loans (including, for the avoidance of doubt, any New Term Loans that are *pari passu* in right of payment and security with the Initial Term Loans) made pursuant to Section 2.05(a) and (B) all repurchases of *pari passu* Term Loans (including, for the avoidance of doubt, any New Term Loans) made pursuant to the terms hereof in an amount equal to the actual amount of cash utilized for such repurchase and (ii) voluntary prepayments of Revolving Credit Loans (including, for the avoidance of doubt, any New Revolving Loans) made pursuant to Section 2.05(a) to the extent accompanied by a corresponding, permanent reduction in the Revolving Credit Commitments pursuant to Section 2.06(a), in each case, to the extent not funded with the proceeds of long term Indebtedness (excluding, for the avoidance of doubt, proceeds of any revolving credit facility (including the Revolving Credit Facility)) (the "Prepayment-Based Incremental Facility") (such sum, at any such time and subject to Section 1.02(i), the "Incremental Amount"; provided that any such request for an increase shall be in a minimum amount of the lesser of (x) \$5,000,000 or, in the case of any New Loan Commitments denominated in an Alternative Currency, the equivalent Dollar Amount, and (y) the entire amount of any increase that may be requested under this Section 2.14; provided, further, that for purposes of any New Loan Commitments established pursuant to this Section 2.14 and Incremental Equivalent Debt incurred pursuant to Section 2.15:

(A) At the applicable Borrower's option, the applicable Borrower shall be deemed to have used amounts under the Ratio-Based Incremental Facility (to the extent compliant therewith), prior to utilization of the Prepayment-Based Incremental Facility and the Cash-Capped Incremental Facility, and the applicable Borrower shall be deemed to have used the Prepayment-Based Incremental Facility prior to utilization of the Cash-Capped Incremental Facility,

(B) New Loan Commitments pursuant to this Section 2.14 and Incremental Equivalent Debt pursuant to Section 2.15 may be incurred under the Ratio-Based Incremental Facility (to the extent compliant therewith), the Cash-Capped Incremental Facility and the Prepayment-Based Incremental Facility, and proceeds from any such incurrence may be utilized in a single transaction or series of related transactions by, at the applicable Borrower's option, first calculating the incurrence under the Ratio-Based Incremental Facility (without inclusion of any amounts substantially concurrently utilized pursuant to the Cash-Capped Incremental Facility, the Prepayment-Based Incremental Facility or any amounts substantially concurrently incurred under Section 7.01 (other than any Ratio Debt incurred pursuant to Section 7.01 (including, without limitation, pursuant to clause (o) thereof)) and then calculating the incurrence under the Prepayment-Based Incremental Facility (without inclusion of any amounts utilized pursuant to the Cash-Capped Incremental Facility) and then calculating the incurrence under the Cash-Capped Incremental Facility,

(C) all or any portion of Indebtedness originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility shall automatically cease to be deemed incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and shall instead be deemed incurred under the Ratio-Based Incremental Facility from and after the first date on which the applicable Borrower would be permitted to incur all or such portion, as applicable, of the aggregate principal amount of such Indebtedness under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Cash-Capped Incremental Facility and/or the Prepayment-Based Incremental Facility, as applicable, by all or such portion, as applicable, of the aggregate principal amount of such Indebtedness); provided that, for the avoidance of doubt, any Indebtedness originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and subsequently deemed to be incurred under the Ratio-Based Incremental Facility pursuant to this clause (C) shall not be subject to the MFN Provision as a result of being deemed incurred under the Ratio-Based Incremental Facility; and

(D) solely for the purpose of calculating the Consolidated First Lien Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio or the Consolidated Total Net Leverage Ratio to determine the availability under the Ratio-Based Incremental Facility at the time of incurrence, any cash proceeds incurred pursuant to this Section 2.14 and/or Incremental Equivalent Debt being incurred at such test date in calculating such Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio shall be excluded for purposes of calculating Adjusted Cash or Cash Equivalents.

The applicable Borrower may designate any Incremental Arranger of any New Loan Commitments with such titles under the New Loan Commitments as such Borrower may deem appropriate.

(b) For the avoidance of doubt, the Borrowers will not be obligated to approach any Lender to participate in any New Loan Commitments. Any Lender approached to participate in any New Loan Commitments may elect or decline, in its sole discretion, to participate in such increase or new facility. The Borrowers may also invite additional Eligible Assignees reasonably satisfactory to the Incremental Arranger and, solely in connection with a Revolving Credit Commitment Increase or New Revolving Facility, with the consent of the Administrative Agent and each L/C Issuer (to the extent the consent of any of the foregoing would be required to assign Revolving Credit Loans to such Eligible Assignee, which consent shall not be unreasonably withheld, delayed or conditioned) to become Lenders pursuant to a joinder agreement to this Agreement. Neither the Administrative Agent nor the Collateral Agent (in their respective capacities as such) shall be required to execute, accept or acknowledge any joinder agreement pursuant to this Section 2.14 and such execution shall not be required for any such joinder agreement to be effective; provided that, with respect to any New Loan Commitments, the applicable Borrower must provide to the Administrative Agent the documentation providing for such New Loan Commitments.

(c) If (i) a Revolving Tranche or a Term Loan Tranche is increased in accordance with this Section 2.14 or (ii) a New Term Facility or New Revolving Facility is added in accordance with this Section 2.14, the Incremental Arranger and the applicable Borrower shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase, New Term Facility or New Revolving Facility among the applicable Lenders. The Incremental Arranger shall promptly notify the applicable Lenders of the final allocation of such increase, New Term Facility or New Revolving Facility and the Increase Effective Date. In connection with (i) any increase in a Term Loan Tranche or Revolving Tranche or (ii) any addition of a New Term Facility or New Revolving Facility, in each case, pursuant to this Section 2.14, this Agreement and the other Loan Documents may be amended in writing (which may be executed and delivered by the applicable Borrower and the Incremental Arranger (and the Lenders hereby authorize any such Incremental Arranger to execute and deliver any such documentation)) in order to establish the New Term Facility or New Revolving Facility or to effectuate the increases to the Term Loan Tranche or Revolving Tranche and to reflect any technical changes necessary or appropriate to give effect to such increase or new facility in accordance with its terms as set forth herein pursuant to the documentation relating to such New Term Facility or New Revolving Facility. As of the Increase Effective Date, in the case of an increase to an existing Term Loan Tranche, the amortization schedule for the Term Loan Tranche then increased set forth in Section 2.07(a) or 2.07(b) (or any other applicable amortization schedule for New Term Loans or Specified Refinancing Term Loans) shall be amended in writing (which may be executed and delivered by the applicable Borrower and the Incremental Arranger (and the Lenders hereby authorize any such Incremental Arranger to execute and deliver any such documentation)) to increase the then-remaining unpaid installments of principal by an aggregate amount equal to the additional Loans under such Term Loan Tranche being made on such date, such aggregate amount to be applied to increase such installments ratably in accordance with the amounts in effect immediately prior to the Increase Effective Date.

(d) With respect to any Revolving Credit Commitment Increase, Term Commitment Increase or addition of New Term Facility or New Revolving Facility pursuant to this Section 2.14, (i) no Event of Default (subject to Section 1.02(i)) would exist after giving effect to such increase (except in connection with any acquisition or similar Investment, where no Event of Default under Section 8.01(a), (f) or (g) shall be the standard); (ii) (A) in the case of any increase of ~~the any~~ Revolving Tranche, (1) the final maturity shall be the same as the Maturity Date applicable to ~~the such~~ Revolving Credit Facility ~~Tranche~~, (2) no amortization or mandatory commitment reduction prior to the Maturity Date applicable to ~~the such~~ Revolving Credit Facility ~~Tranche~~ shall be required and (3) the terms and documentation applicable to the Revolving Credit Facility shall apply, (B) in the case of any New Revolving Facility, (1) the final maturity shall be no earlier than the Latest Maturity Date applicable to the Revolving Credit Facility, and (2) no amortization or mandatory commitment reduction prior to the Latest Maturity Date applicable to the Revolving Credit Facility shall be required, (C) in the case of any increase of a Term Loan Tranche, the final maturity of the Term Loans, New Term Loans, Specified Refinancing Term Loans or Extended Term Loans increased pursuant to this Section shall be no earlier than the Latest Maturity Date for, and such additional Loans shall not have a Weighted Average Life to Maturity shorter than the longest remaining Weighted Average Life to Maturity of, any other outstanding Term Loans, New Term Loans, Specified Refinancing Term Loans or Extended Term Loans, as applicable; provided, that Extendable Bridge Loans/Interim Debt and amounts not in excess of the Inside Maturity Basket at the time of Incurrence may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and, with respect to Extendable Bridge Loans/Interim Debt and amounts not in excess of the Inside Maturity Basket at the time of Incurrence, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, and (D) in the case of any New Term Facility, other than in the case of Extendable Bridge Loans/Interim

Debt and amounts not in excess of the Inside Maturity Basket at the time of Incurrence, such New Term Facility shall have a final maturity no earlier than the then Latest Maturity Date of any Term Loan Tranche and the Weighted Average Life to Maturity of such New Term Facility shall be no shorter than that of any existing Term Loan Tranche; (iii) except with respect to the All-in Yield and as set forth in subclause (D) above with respect to final maturity and Weighted Average Life to Maturity, any such New Term Facility or New Revolving Facility shall have terms reasonably satisfactory to the Incremental Arranger; and (iv) to the extent reasonably requested by the Incremental Arranger and expressly set forth in the documentation relating to such New Term Facility or New Revolving Facility, the Incremental Arranger shall have received legal opinions, resolutions, officers' certificates, reaffirmation agreements and/or subsequent ranking agreements or amendment agreements to, confirmations of and/or lower ranking Collateral Documents, as applicable, consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, Section 6.14 and/or Section 6.16 with respect to Holdings and each Borrower and each material Subsidiary Guarantor that is organized in a jurisdiction for which counsel to the Administrative Agent advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion). Subject to the foregoing, the conditions precedent to each such increase or New Loan Commitment shall be solely those agreed to by the Lenders providing such increase or New Loan Commitment, as applicable, and the applicable Borrower. Notwithstanding the foregoing, (x) to the extent any terms of any Term Commitment Increase, Revolving Credit Commitment Increase, New Term Facility or New Revolving Facility are more favorable to the existing Lenders than comparable terms existing in the Loan Documents, such terms (if favorable to the existing Lenders) may be, in consultation with the Incremental Arranger, incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders (to the extent applicable to such Lender) without further amendment requirements (including, for the avoidance of doubt, at the option of the applicable Borrower, the applicable Borrower may, but shall not be required to, increase the Applicable Rate or amortization payments relating to any existing Term Facility to bring such Applicable Rate in line with the relevant Term Commitment Increase or New Term Facility to achieve fungibility with such existing Term Facility), (y) the terms of any New Revolving Facility shall be substantially identical to the Revolving Credit Facility, except for (i) terms that are applicable only after the then Latest Maturity Date of the Revolving Credit Facility or (ii) such terms as may be included subject solely as to administrative matters and subject to the Administrative Agent's consent (such consent not to be unreasonably withheld, delayed or conditioned) and (z) the terms of any New Term Facility or New Revolving Facility may be incorporated if otherwise reasonably satisfactory to the applicable Borrower, the Incremental Arranger and the Administrative Agent. To the extent any Borrower establishes a New Revolving Facility, then the Administrative Agent and such Borrower shall be permitted to amend this Agreement to require borrowings and repayments on a pro rata basis among Revolving Tranches (except for (A) payments of interest and fees at different rates on the Revolving Credit Commitments (and related outstandings), (B) repayments required upon the Maturity Date of any Revolving Credit Loan, and (C) repayments made in connection with a permanent repayment and termination of the Revolving Credit Loans or Revolving Credit Commitments of Revolving Credit Loans after the effective date of such New Revolving Facility).

(e) On the Increase Effective Date with respect to an increase to an ~~Existing~~existing Revolving Tranche, (x) each Revolving Credit Lender under such Revolving Tranche immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the increase to the Revolving Credit Commitments (each, a "Revolving Commitment Increase Lender"), and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding L/C Obligations relating to Letters of Credit issued under such Revolving Tranche such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in L/C

Obligations under such Revolving Tranche will equal the Pro Rata Share of the aggregate Revolving Credit Commitments under such Revolving Tranche of all Revolving Credit Lenders represented by such Revolving Credit Lender's Revolving Credit Commitment under such Revolving Tranche and (y) if, on the date of such increase, there are any Revolving Credit Loans outstanding under such Revolving Tranche, such Revolving Credit Loans shall on or prior to the Increase Effective Date be prepaid from the proceeds of Revolving Credit Loans under such Revolving Tranche made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.06. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. The additional Term Loans made under the Term Loan Tranche subject to the increases shall be made by the applicable Lenders participating therein pursuant to the procedures set forth in Sections 2.01 and 2.02 and on the date of the making of such new Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.01 and 2.02, such new Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans under such Term Loan Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender under such Term Loan Tranche will participate proportionately in each then outstanding Borrowing of Term Loans under the Term Loan Tranche.

(f) (i)(A) Any New Revolving Facility and New Term Facility, in each case, incurred by the U.S. Borrower shall rank *pari passu* in right of payment with the other Facilities, not be Guaranteed by any Person that is not a U.S. Loan Party, and be unsecured or, to the extent secured by the Collateral, secured either on a first lien "equal and ratable" basis with the other Facilities or on a "junior" basis with the other Facilities, in each case over the same (or less) U.S. Collateral that secures the Initial Term B-1 Loans (and in each case, such New Revolving Facility or New Term Facility shall be subject to the Applicable Intercreditor Arrangements that are reasonably satisfactory to the Incremental Arranger) and (B) any New Revolving Facility and New Term Facility, in each case, incurred by the Canadian Borrower shall rank *pari passu* in right of payment with the other Facilities, be Guaranteed by the Loan Parties, and be secured by the Collateral on a first lien "equal and ratable" basis with the same Collateral that secures the Initial Term B-2 Loans; provided that, if the holders of such New Revolving Facility or New Term Facility would not, upon the effectiveness of such New Revolving Facility or New Term Facility, be bound by the provisions of the Closing Date Collateral Allocation Agreement, the Administrative Agent shall, on behalf of itself and the Lenders (including the holders of such New Revolving Facility or New Term Facility), enter into a Collateral Allocation Agreement, (ii) the New Term Facility or New Revolving Facility, as applicable, shall, for purposes of prepayments, be treated substantially the same as (and in any event no more favorably than) the Term Facility or Revolving Credit Facility, as the case may be, unless the applicable Borrower otherwise elects (but in any event no more favorably than the existing Term Loans or Revolving Credit Loans, as applicable), (iii) any New Term Facility that is secured on a *pari passu* basis with the applicable Term Facility shall share ratably (or on a lesser basis) with respect to any mandatory prepayments of the Term Facility (other than mandatory prepayments resulting from a refinancing of any Facility, which may be applied exclusively to the Facility being refinanced) and (iv)(A) with respect to any syndicated floating rate New Term Facility denominated in Dollars, in the form of term loans, *pari passu* in right of payment with the Term Facility, secured on a *pari passu* basis with the Term Facility and that is incurred (x) on or prior to the date that is eighteen (18) months after the Closing Date and (y) under the Ratio-Based Incremental Facility, the applicable All-in Yield payable by the Borrower applicable to such New Term Facility shall be determined by such Borrower and the Lenders providing such New Term Facility and shall not be more than 50 basis points higher than the corresponding applicable All-in Yield payable by the Borrower for the Initial Term B-1 Loans or the Initial Term B-2 Loans, unless the applicable interest rate margin with respect to each of the Initial Term B-1 Loans and the Initial Term B-2 Loans is increased to the amount necessary so that the difference between the All-in Yield with respect to such New Term Facility and the

corresponding All-in Yield on the Initial Term B-1 Loans and the Initial Term B-2 Loans is equal to 50 basis points, and (B) with respect to any syndicated floating rate New Term Facility denominated in Dollars, in the form of term loans, *pari passu* in right of payment with the Term Facility, secured on a *pari passu* basis with the Term Facility and that is incurred (x) on or prior to the date that is six (6) months after the Second Amendment Effective Date and (y) under the Ratio-Based Incremental Facility, the applicable All-in Yield payable by the Borrower applicable to such New Term Facility shall be determined by such Borrower and the Lenders providing such New Term Facility and shall not be more than 50 basis points higher than the corresponding applicable All-in Yield payable by the Borrower for the 2021 Term Loans, unless the applicable interest rate margin with respect to 2021 Term Loans is increased to the amount necessary so that the difference between the All-in Yield with respect to such New Term Facility and the corresponding All-in Yield on the 2021 Term Loans is equal to 50 basis points (this clause (iv), the “MFN Provision”); provided that this clause (iv) shall not apply to any New Term Facility that has a final maturity later than two years after the Latest Maturity Date of the then outstanding Term Loans or is incurred in connection with an acquisition or investment permitted hereunder, or to New Term Facilities in an aggregate amount equal to or less than the greater of (x) \$334,500,000 and (y) 75% of Four Quarter Consolidated EBITDA.

(g) If the Incremental Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Arranger herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.14 (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

(h) To the extent any New Revolving Facility or New Term Facility shall be denominated in an Alternative Currency, this Agreement and the other Loan Documents shall be amended to the extent necessary or appropriate to provide for the administrative and operational provisions applicable to such Alternative Currency, in each case as are reasonably satisfactory to the Administrative Agent.

(i) To the extent any Guarantee or security granted prior to the date of incurrence under this Section 2.14 to support the Obligations and/or the Canadian Obligations in any jurisdiction requires application, registration or similar steps to be taken in such jurisdiction for any New Revolving Facility, Revolving Credit Commitment Increase, New Term Facility, and/or Term Commitment Increase which the Borrower and the lenders under such facility desire to benefit on a *pari passu* basis from such Guarantees and/or such security are not obtained prior to such incurrence, such inability to complete such application, registration, filing or equivalent perfection requirements shall not be deemed to adversely impact the *pari passu* nature of such applicable facility hereunder and the relevant provisions of this Agreement (including, without limitation, Section 2.03 and 8.04) shall be interpreted as if such applicable facility benefits from such Guarantee or security.

Section 2.15 Incremental Equivalent Debt

(a) Any U.S. Loan Party may from time to time after the Closing Date issue one or more series of senior secured, senior unsecured, senior subordinated, subordinated notes, loans or Extendable Bridge Loans/Interim Debt (which notes, loans and/or Extendable Bridge Loans/Interim Debt, if secured by the U.S. Collateral, are secured on a first lien “equal and ratable” basis with the Liens on the U.S. Collateral securing the Obligations or secured on a “junior” basis with the Liens on the U.S. Collateral securing the Obligations) and guaranteed only by U.S. Loan Parties or entities who become U.S. Loan Parties (such notes, loans and/or Extendable Bridge Loans/Interim Debt, collectively, “Incremental Equivalent Debt”) in an amount not to exceed the Incremental Amount (at the time of incurrence, subject to Section 1.02(i)); provided that (i) no Event of Default would exist after giving Pro Forma Effect to any

such request, subject to Section 1.02(i), and (ii) any such incurrence of Incremental Equivalent Debt shall be in a minimum amount of the lesser of (x) \$5,000,000 (or the equivalent Dollar Amount) and (y) the entire amount that may be requested under this Section 2.15; provided, further, that any New Loan Commitments established pursuant to Section 2.14 and Incremental Equivalent Debt issued pursuant to this Section 2.15, (A) at the applicable Borrower's option, will count, first, to reduce the amount available under the Ratio-Based Incremental Facilities (to the extent compliant therewith), second, to reduce the amount available under the Prepayment-Based Incremental Facilities and, third, to reduce the maximum amount under the Cash-Capped Incremental Facilities, (B) Incremental Equivalent Debt pursuant to this Section 2.15 may be incurred under the Ratio-Based Incremental Facilities, the Cash-Capped Incremental Facilities and the Prepayment-Based Incremental Facilities, and proceeds from any such incurrence may be utilized in a single transaction or series of related transactions, at the applicable Borrower's option, by first calculating the incurrence under the Ratio-Based Incremental Facilities (without inclusion of any amounts substantially concurrently utilized pursuant to the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility or any amounts substantially concurrently incurred under Section 7.01 (other than any Ratio Debt incurred pursuant to Section 7.01)) and then calculating the incurrence under the Prepayment-Based Incremental Facility (without inclusion of any amounts utilized pursuant to the Cash-Capped Incremental Facility) and then calculating the incurrence under the Cash-Capped Incremental Facility and (C) all or any portion of Incremental Equivalent Debt originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility shall automatically cease to be deemed incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and shall instead be deemed incurred under the Ratio-Based Incremental Facility from and after the first date on which the applicable Borrower would be permitted to incur all or such portion, as applicable, of the aggregate principal amount of such Incremental Equivalent Debt under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility, as applicable, by all or such portion, as applicable, of the aggregate principal amount of such Incremental Equivalent Debt); provided that, for the avoidance of doubt, any Indebtedness originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility and subsequently deemed to be incurred under the Ratio-Based Incremental Facility pursuant to this clause (C) shall not be subject to the MFN Provision as a result of being deemed incurred under the Ratio-Based Incremental Facility. The applicable Borrower may appoint any Person as arranger of such Incremental Equivalent Debt (such Person (who may be the Administrative Agent, if it so agrees), the "Incremental Equivalent Debt Arranger").

(b) As a condition precedent to the incurrence of any Incremental Equivalent Debt pursuant to this Section 2.15, (i) such Incremental Equivalent Debt shall not be Guaranteed by any Person that is not a U.S. Loan Party or that does not become a U.S. Loan Party and shall not be secured by a lien on any assets that are not part of the U.S. Collateral, (ii) to the extent secured, such Incremental Equivalent Debt shall be subject to intercreditor arrangements that are reasonably satisfactory to the Incremental Equivalent Debt Arranger and, if such Incremental Equivalent Debt Arranger is not the Administrative Agent, the Administrative Agent, (iii) such Incremental Equivalent Debt shall have a final maturity no earlier than the then Latest Maturity Date, provided, that Extendable Bridge Loans/Interim Debt, customary escrow arrangements and Incremental Equivalent Debt in an amount not in excess of the Inside Maturity Basket may have a maturity date earlier than the Latest Maturity Date, (iv) the Weighted Average Life to Maturity of such Incremental Equivalent Debt shall not (A) be shorter than that of any then-existing Term Loan Tranche, or (B) to the extent unsecured, be subject to any amortization prior to the final maturity thereof, or be subject to any mandatory redemption or prepayment provisions or rights (except (x) customary assets sale, event of loss or similar event or change of control provisions and customary acceleration rights after an event of default, (y) special mandatory redemptions in connection with customary escrow arrangements or (z) so-called "AHYDO" payments); provided, that, with respect

to Extendable Bridge Loans/Interim Debt and Incremental Equivalent Debt in an amount not in excess of the Inside Maturity Basket at the time of Incurrence, the Weighted Average Life to Maturity thereof may be shorter than that of any then-existing Term Loan Tranche, (v) such Incremental Equivalent Debt (other than any Extendable Bridge Loans/Interim Debt) shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata (or greater than pro rata) to the Term Loans and other Incremental Equivalent Debt that is secured on a *pari passu* basis with the Obligations), (vi) with respect to any Incremental Equivalent Debt consisting of syndicated floating rate term loans that are *pari passu* in right of payment with the Term Facility, secured on a *pari passu* basis with the Term B-1 Facility, denominated in Dollars and incurred on or prior to the date that is eighteen (18) months after the Closing Date in reliance on the Ratio-Based Incremental Facility, the MFN Provision shall be applicable thereto as though such loans were a New Term Facility (provided that this clause (vi) shall not apply to any Incremental Equivalent Debt that has a final maturity later than two years after the Latest Maturity Date of the then outstanding Term Loans) and (vii) the covenants, events of default, guarantees, collateral and other terms of such Incremental Equivalent Debt are customary for similar debt securities or loans in light of then-prevailing market conditions at the time of incurrence (as determined by the applicable Borrower in good faith) (it being understood that (A) no Incremental Equivalent Debt in the form of term loans or notes shall include any financial maintenance covenants, but that customary cross-acceleration provisions may be included and (B) any negative covenants with respect to indebtedness, investments, liens or restricted payments shall be incurrence-based; provided, that any such negative covenants applicable to Extendable Bridge Loans/Interim Debt may be maintenance covenants) (provided that, at the Borrower Representative's option, delivery of a certificate of a Responsible Officer of the Borrower Representative to the Incremental Equivalent Debt Arranger in good faith at least three Business Days (or such shorter period as may be agreed by the Incremental Equivalent Debt Arranger) prior to the incurrence of such Incremental Equivalent Debt, together with a reasonably detailed description of the material terms and conditions of such Incremental Equivalent Debt or drafts of the documentation relating thereto, stating that the Borrower Representative has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (b), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Incremental Equivalent Debt Arranger provides notice to the Borrower Representative of its objection during such three Business Day period (including a reasonable description of the basis upon which it objects)). Subject to the foregoing, the conditions precedent to each such incurrence shall be agreed to by the creditors providing such Incremental Equivalent Debt and the applicable Borrower.

(c) The Lenders hereby authorize the Incremental Equivalent Debt Arranger (and the Lenders hereby authorize the Incremental Equivalent Debt Arranger to execute and deliver such amendments) to enter into amendments to this Agreement and the other Loan Documents with the applicable Borrower as may be necessary in order to secure any Incremental Equivalent Debt with the Collateral and/or to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Incremental Equivalent Debt Arranger and the applicable Borrower in connection with the incurrence of such Incremental Equivalent Debt, in each case on terms consistent with this Section 2.15. If the Incremental Equivalent Debt Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Equivalent Debt Arranger herein shall be done in consultation with the Administrative Agent and, with respect to applicable documentation (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

Section 2.16 Cash Collateral.

(a) Upon the request of the Administrative Agent or the applicable L/C Issuer (i) if the applicable L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such

drawing has resulted in a L/C Borrowing or (ii) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the U.S. Borrower shall, in each case, promptly deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover 103% of the then Outstanding Amount of all L/C Obligations. At any time that there shall exist a Defaulting Lender, promptly upon the request of the Administrative Agent or the applicable L/C Issuer, the U.S. Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover 103% of all Fronting Exposure of such Defaulting Lender after giving effect to Section 2.17(a)(iv) and any Cash Collateral provided by such Defaulting Lender.

(b) All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, deposit accounts at the Administrative Agent or the Collateral Agent (or other financial institution selected by any of them). The U.S. Borrower, and to the extent provided by any Lender, such Lender, hereby grant to (and subject to the control of) the Administrative Agent and the Collateral Agent, for the benefit of the Administrative Agent, the applicable L/C Issuer and the Lenders, and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.16(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the U.S. Borrower and the relevant Defaulting Lender shall, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.16 or Section 2.03, 2.05, 2.06, 2.17, 8.02 or 8.04 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided prior to any other application of such property as may be provided for herein.

(d) Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure (after giving effect to such release) or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.07(b)(viii))) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the continuance of a Default under Section 8.01(a), (f) or (g) or an Event of Default (and following application as provided in this Section 2.16 may be otherwise applied in accordance with Section 8.04) and (y) the Person providing Cash Collateral and the applicable L/C Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

Section 2.17 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the L/C Issuers hereunder; third, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable L/C Issuer, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; fourth, as the U.S. Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the U.S. Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders or any L/C Issuer as a result of any non-appealable judgment of a court of competent jurisdiction obtained by any Lender or any L/C Issuer against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default pursuant to Section 8.01(a), (f) or (g) exists, to the payment of any amounts owing to the U.S. Borrower as a result of any non-appealable judgment of a court of competent jurisdiction obtained by the U.S. Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) That Defaulting Lender (x) shall not be entitled to receive any facility fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the U.S. Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv) During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.03, the Pro Rata Share of each non-Defaulting Lender under a Revolving Tranche shall be determined without giving effect to the Commitment under such Revolving Tranche of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender under a Revolving Tranche to acquire, refinance or fund participations in Letters of Credit issued under such Revolving Tranche shall not exceed the positive difference, if any, of (1) the Commitment under such Revolving Tranche of that non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Loans under such Revolving Tranche of that Revolving Credit Lender. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(b) If the Borrower Representative, the Administrative Agent and each L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Lenders in accordance with their ratable shares (without giving effect to the application of Section 2.17(a)(iv)) in respect of that Lender, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the U.S. Borrower while that Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

Section 2.18 Specified Refinancing Debt.

(a) The U.S. Borrower or the Canadian Borrower (in each case, together with any Co-Borrower) may, from time to time after the Closing Date, add one or more new term loan facilities and new revolving credit facilities to the Facilities (“Specified Refinancing Debt”); and the commitments in respect of such new term facilities, the “Specified Refinancing Term Commitment” and the commitments in respect of such new revolving credit facilities, the “Specified Refinancing Revolving Credit Commitment”) pursuant to procedures reasonably specified by any Person appointed by the applicable Borrower, as agent under such Specified Refinancing Debt (such Person (who may be the Administrative Agent, if it so agrees), the “Specified Refinancing Agent”) and reasonably acceptable to the applicable Borrower, to refinance (including by extending the maturity) (i) all or any portion of any Term Loan Tranches then outstanding under this Agreement, (ii) all or any portion of any Revolving Tranches then in effect under this Agreement or (iii) all or any portion of any Revolving Credit Commitment Increase, Term Commitment Increase, New Term Facility or New Revolving Facility incurred under Section 2.14, in each case pursuant to a Refinancing Amendment; provided that such Specified Refinancing Debt: (i) will rank *pari passu* in right of payment as the other Loans and Commitments hereunder; (ii)(x) in the case of Specified Refinancing Debt incurred by the U.S. Borrower, will not have obligors other than the U.S. Loan Parties or entities who shall have become U.S. Loan Parties (it being understood that the roles of such obligors as borrowers or guarantors with respect to such obligations may be interchanged) and (y) in each case, shall only be guaranteed by the Loan Parties that guaranteed the Term Loan Tranche or Revolving Tranche being refinanced; (iii) will be (x) unsecured or (y) in the case of Specified Refinancing Debt incurred by the U.S. Borrower, secured by the U.S. Collateral on a first lien “equal and ratable” basis with the Liens securing the U.S. Obligations or on a “junior” basis to the Liens securing the U.S. Obligations (in each case pursuant to intercreditor arrangements reasonably satisfactory to the Specified Refinancing Agent and, if the Specified Refinancing Agent is not the Administrative Agent, the Administrative Agent); (iv) in the case of Specified Refinancing Debt incurred by the Canadian Borrower, will be Guaranteed by the Loan Parties and secured by the Collateral on a first lien “equal and ratable” basis with the same Collateral that secures the Initial Term B-2 Loans; provided that, if the holders of such Specified Refinancing Debt would not, upon the effectiveness of such Specified Refinancing Debt, be bound by the provisions of the Closing Date Collateral Allocation Agreement, the Administrative Agent shall, on behalf of itself and the Lenders (including the holders of such Specified Refinancing Debt), enter into a Collateral Allocation

Agreement; (v) will have such pricing and optional prepayment terms as may be agreed by the applicable Borrower and the applicable Lenders thereof; (vi) (x) to the extent constituting revolving credit facilities, will not have a maturity date (or have mandatory commitment reductions or amortization) that is prior to the scheduled Maturity Date of the Revolving Tranche being refinanced and (y) to the extent constituting term loan facilities, will have a maturity date that is not prior to the date that is the scheduled Maturity Date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Term Loans being refinanced; provided, that Extendable Bridge Loans/Interim Debt and Specified Refinancing Debt in an amount not in excess of the Inside Maturity Basket at the time of Incurrence may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and, with respect to Extendable Bridge Loans/Interim Debt and Specified Refinancing Debt in an amount not in excess of the Inside Maturity Basket at the time of Incurrence, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans; (vii) any Specified Refinancing Term Loans shall share ratably in any prepayments of Term Loans pursuant to Section 2.05 (or otherwise provide for more favorable prepayment treatment for the then outstanding Term Loan Tranches than the Specified Refinancing Term Loans); (viii) each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to Section 2.03) and participations in Letters of Credit pursuant to Section 2.03 shall be allocated pro rata among the Revolving Tranches; (ix) subject to clauses (v) and (vi) above, will have terms and conditions (other than pricing and optional prepayment and redemption terms) that are customary for similar debt securities in light of then-prevailing market conditions at the time of incurrence or issuance (as determined by the applicable Borrower in good faith) (it being understood that no Specified Refinancing Debt in the form of term loans shall include any financial maintenance covenants) (provided that, at the Borrower Representative's option, delivery of a certificate of a Responsible Officer of the Borrower Representative to the Specified Refinancing Agent in good faith at least three Business Days (or such shorter period as may be agreed by the Specified Refinancing Agent) prior to the incurrence of such Specified Refinancing Debt, together with a reasonably detailed description of the material terms and conditions of such Specified Refinancing Debt or drafts of the documentation relating thereto, stating that the Borrower Representative has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (a), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Specified Refinancing Agent provides notice to the Borrower Representative of its objection during such three Business Day period (including a reasonable description of the basis upon which it objects)); and (x) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans being so refinanced (or less than the pro rata prepayment of outstanding Loans made by any Term Lenders or the Revolving Credit Lenders, as applicable, that will be lenders of the Specified Refinancing Debt, as approved by such Term Lenders or the Revolving Credit Lenders, as applicable; provided that in the case of Revolving Credit Loans, a corresponding amount of Revolving Credit Commitments shall be permanently reduced), in each case pursuant to Section 2.05 and 2.06, as applicable, and the payment of fees, expenses and premiums, if any, payable in connection therewith; provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that (1) are agreed between the Borrower and the Lenders thereof and applicable only during periods after the then Latest Maturity Date in effect or (2) are incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders (to the extent applicable to such Lender) without further amendment requirements and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans being refinanced (plus an amount equal to accrued interest, fees, discounts, premiums and expenses). Any Lender approached to provide all or a portion of any Specified Refinancing Debt may elect or decline, in its sole discretion, to provide such Specified Refinancing Debt. To achieve the full amount of a requested issuance of Specified Refinancing Debt, and subject to the approval of the Administrative Agent and each L/C Issuer in the case of Specified Refinancing Revolving Credit Commitments, the applicable Borrower may also invite additional Eligible Assignees to become

Lenders in respect of such Specified Refinancing Debt pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Specified Refinancing Agent. For the avoidance of doubt, any allocations of Specified Refinancing Debt shall be made at the applicable Borrower's sole discretion, and the applicable Borrower will not be obligated to allocate any Specified Refinancing Debt to any Lender.

(b) The effectiveness of any Refinancing Amendment shall be subject to conditions as are mutually agreed with the participating Lenders providing such Specified Refinancing Debt and to the extent reasonably requested by the Specified Refinancing Agent, receipt by the Specified Refinancing Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements with respect to the Borrowers and the Guarantors, including any supplements or amendments to the Collateral Documents providing for such Specified Refinancing Debt to be secured thereby, consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, 6.14 and/or Section 6.16 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion). The Lenders hereby authorize the Specified Refinancing Agent to enter into amendments to this Agreement and the other Loan Documents with the applicable Borrower as may be necessary in order to establish new Tranches of Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Specified Refinancing Agent and the applicable Borrower in connection with the establishment of such new Tranches, in each case on terms consistent with and/or to effect the provisions of this Section 2.18.

(c) Each class of Specified Refinancing Debt incurred under this Section 2.18 shall be in an aggregate principal amount that is (x) not less \$5,000,000 (or the equivalent Dollar Amount) and (y) an integral multiple of \$1,000,000 (or the equivalent Dollar Amount) in excess thereof. Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the U.S. Borrower in respect of a Revolving Tranche pursuant to any revolving credit facility established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit under the Revolving Credit Commitments.

(d) The Specified Refinancing Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as separate "Facilities" hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the applicable Borrower, the Specified Refinancing Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Specified Refinancing Agent and the Borrower Representative, to effect the provisions of or consistent with this Section 2.18. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each L/C Issuer, participations in Letters of Credit expiring on or after the scheduled Maturity Date in respect of a Revolving Tranche shall be reallocated from Lenders holding Revolving Credit Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding extended revolving commitments, be deemed to be participation interests in respect of such extended revolving commitments and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly. If the Specified Refinancing Agent is not the Administrative Agent, the actions authorized to be taken by the Specified Refinancing Agent herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any

documentation necessary or appropriate to carry out the provisions of this Section 2.18 (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

(e) To the extent any Guarantee or security granted prior to the date of incurrence under this Section 2.18 to support the Obligations and/or the Canadian Obligations in any jurisdiction requires application, registration, filing or equivalent perfection requirements to be taken in such jurisdiction for any Specified Refinancing Debt which the Borrower and the lenders under such facility desire to benefit on a *pari passu* basis from such Guarantees and/or such security are not obtained prior to such incurrence, such inability to complete such application, registration, filing or equivalent perfection requirements shall not be deemed to adversely impact the *pari passu* nature of such Specified Refinancing Debt hereunder and the relevant provisions of this Agreement (including, without limitation, Section 2.03 and 8.04) shall be interpreted as if such Specified Refinancing Debt benefit from such Guarantee or security.

Section 2.19 Extension of Term Loans and Revolving Credit Commitments

(a) Any Borrower may at any time and from time to time request that all or a portion of the (i) Term Loans of one or more Tranches existing at the time of such request (each, an “Existing Term Tranche”, and the Term Loans of such Tranche, the “Existing Term Loans”) or (ii) Revolving Credit Commitments of one or more Tranches existing at the time of such request (each, an “Existing Revolving Tranche” and together with the Existing Term Tranches, each an “Existing Tranche”, and the Revolving Credit Commitments of such Existing Revolving Tranche, the “Existing Revolving Loans”, and together with the Existing Term Loans, the “Existing Loans”), in each case, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Tranche (any such Existing Tranche which has been so extended, an “Extended Term Tranche” or “Extended Revolving Tranche”, as applicable, and each an “Extended Tranche”, and the Term Loans or Revolving Credit Commitments, as applicable, of such Extended Tranches, the “Extended Term Loans” or “Extended Revolving Commitments”, as applicable, and collectively, the “Extended Loans”) and to provide for other terms consistent with this Section 2.19; provided that (i) any such request shall be made by such Borrower to certain Lenders specified by such Borrower with Term Loans or Revolving Credit Commitments, as applicable, with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the Term Loans or on the aggregate Revolving Credit Commitments) and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the applicable Borrower in its sole discretion. In order to establish any Extended Tranche, the Borrower Representative shall provide a notice to the Administrative Agent (in such capacity, the “Extended Loans Agent”) (who shall provide a copy of such notice to each of the requested Lenders of the applicable Existing Tranche) (an “Extension Request”) setting forth the proposed terms of the Extended Tranche to be established, which terms shall be substantially similar to those applicable to the Existing Tranche from which they are to be extended (the “Specified Existing Tranche”), except (x) all or any of the final maturity dates of such Extended Tranches shall be delayed to later dates than the final maturity dates of the Specified Existing Tranche, (y) (A) the interest margins with respect to the Extended Tranche may be higher or lower than the interest margins for the Specified Existing Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A) and (z) in the case of an Extended Term Tranche, so long as the Weighted Average Life to Maturity of such Extended Tranche would be no shorter than the remaining Weighted Average Life to Maturity of the Specified Existing Tranche, amortization rates with respect to the Extended Term Tranche may be higher or lower than the amortization rates for the Specified Existing Tranche, in each case to the extent provided in the applicable Extension Amendment; provided that, notwithstanding anything to the contrary in this Section 2.19 or otherwise, assignments and participations of Extended Tranches shall be

governed by the same or, at the applicable Borrower's discretion, more restrictive assignment and participation provisions applicable to Initial Term Loans or Revolving Credit Commitments, as applicable, set forth in Section 10.07. No requested Lender shall have any obligation to agree to have any of its Existing Loans converted into an Extended Tranche pursuant to any Extension Request. Any Extended Tranche shall constitute a separate Tranche of Loans from the Specified Existing Tranches and from any other Existing Tranches (together with any other Extended Tranches so established on such date). On the Extension Date applicable to any applicable Revolving Tranche under the Revolving Credit Facility, the U.S. Borrower shall prepay the Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders) outstanding on such Extension Date applicable to the relevant Revolving Tranche (and pay any additional amounts required pursuant to Section 3.06) to the extent necessary to keep the outstanding Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders), as the case may be, applicable to the non-extending Revolving Credit Lenders under such Revolving Tranche in accordance with any revised Pro Rata Share of a Revolving Credit Lender in respect of the extended Revolving Credit Facility arising from any non ratable Extension to the Revolving Credit Commitments under this Section 2.19.

(b) The Borrower Representative shall provide the applicable Extension Request at least ten Business Days (or such shorter period as the Extended Loans Agent may agree in its sole discretion) prior to the date on which Lenders under the applicable Existing Tranche or Existing Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Tranche converted into an Extended Tranche shall notify the Extended Loans Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Tranche that it has elected to convert into an Extended Tranche. In the event that the aggregate amount of the Specified Existing Tranche subject to Extension Elections exceeds the amount of Extended Tranches requested pursuant to the Extension Request, the Specified Existing Tranches subject to Extension Elections shall be converted to Extended Tranches on a pro rata basis based on the amount of Specified Existing Tranches included in each such Extension Election. In connection with any extension of Loans pursuant to this Section 2.19 (each, an "Extension"), the Borrower Representative and Extended Loans Agent shall agree to such procedures regarding timing, rounding, lender revocation and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, in each case acting reasonably to accomplish the purposes of this Section 2.19. The Borrower Representative may amend, revoke or replace an Extension Request pursuant to procedures reasonably acceptable to the Extended Loans Agent at any time prior to the date (the "Extension Request Deadline") on which Lenders under the applicable Existing Term Tranche or Existing Term Tranches are requested to respond to the Extension Request.

(c) Extended Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to provisions related to maturity, interest margins or fees referenced in clauses (x) and (y) of Section 2.19(a), or, in the case of Extended Term Tranches, amortization rates referenced in clause (z) of Section 2.19(a), and which, in each case, except to the extent expressly contemplated by the last sentence of this Section 2.19(c) and notwithstanding anything to the contrary set forth in Section 10.01, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Tranches established thereby) executed by the Loan Parties, the Extended Loans Agent, and the Extending Lenders. Subject to the requirements of this Section 2.19 and without limiting the generality or applicability of Section 10.01 to any Section 2.19 Additional Amendments (as defined below), any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.19 Additional Amendment") to this Agreement and the other Loan Documents; provided that such Section 2.19 Additional Amendments do not become effective prior to the time that such Section 2.19 Additional Amendments have been consented to (including, without limitation, pursuant to consents applicable to holders of any Extended Tranches provided for in

any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.19 Additional Amendments to become effective in accordance with Section 10.01; provided, further, that no Extension Amendment may provide for (i) any Extended Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the applicable Existing Tranches or be guaranteed by any Person other than the Guarantors that guarantee the applicable Existing Tranche and (ii) so long as any Existing Term Tranches are outstanding, any mandatory prepayment provisions that do not also apply to the Existing Term Tranches (other than Existing Term Tranches secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on a pro rata or otherwise more favorable basis. Notwithstanding anything to the contrary in Section 10.01, any such Extension Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the reasonable judgment of the applicable Borrower and the Extended Loans Agent, to effect the provisions of this Section 2.19; provided that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.19 Additional Amendment. The Lenders hereby authorize the Extended Loans Agent to enter into amendments to this Agreement and the other Loan Documents with the applicable Borrower as may be necessary in order to establish any Extended Loans and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Extended Loans Agent and the applicable Borrower in connection with the establishment of such Extended Loans, in each case on terms consistent with and/or to effect the provisions of this Section 2.19.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Tranche is converted to extend the related scheduled maturity date(s) in accordance with clause (a) above (an "Extension Date"), in the case of the Specified Existing Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Tranche so converted by such Lender on such date, and such Extended Tranches shall be established as a separate Tranche from the Specified Existing Tranche and from any other Existing Tranches (together with any other Extended Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any requested Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the applicable Borrower may, on notice to the Extended Loans Agent and the Non-Extending Lender, replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07 (with the assignment fee and any other costs and expenses to be paid by the applicable Borrower in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Extended Loans Agent nor any Lender shall have any obligation to the applicable Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Loans on the terms set forth in such Extension Amendment; provided, further, that all obligations of the applicable Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Assumption. In connection with any such replacement under this Section 2.19, if the Non-Extending Lender does not execute and deliver to the Extended Loans Agent a duly completed Assignment and Assumption by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Assumption and (B) the date as of which all obligations of the applicable Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned shall be paid in full by the assignee Lender to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Assumption as of such date and the applicable Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower Representative, any Non-Extending Lender may elect to have all or a portion of its Existing Loans deemed to be an Extended Loan under the applicable Extended Tranche on any date (each date a “Designation Date”) prior to the maturity date of such Extended Tranche; provided that such Lender shall have provided written notice to the Borrower Representative and the Extended Loans Agent at least ten (10) Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion); provided, further, that no greater amount shall be paid by or on behalf of the applicable Borrower or any of its Affiliates to any such Non-Extending Lender as consideration for its extension into such Extended Tranche than was paid to any Extending Lender as consideration for its Extension into such Extended Tranche. Following a Designation Date, the Existing Loans held by such Lender so elected to be extended will be deemed to be Extended Loans of the applicable Extended Tranche, and any Existing Loans held by such Lender not elected to be extended, if any, shall continue to be “Existing Loans” of the applicable Tranche.

(g) With respect to all Extensions consummated by any Borrower pursuant to this Section 2.19, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Sections 2.05(a) and (b) and (ii) no Extension Request is required to be in any minimum amount or any minimum increment; provided that the Borrower Representative may at its election specify as a condition (a “Minimum Extension Condition”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower Representative’s sole discretion and may be waived by the Borrower Representative) of Existing Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.19 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.05(a) and (b) and 2.07) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.19.

Section 2.20 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a “Permitted Debt Exchange Offer”) made from time to time by the U.S. Borrower, the U.S. Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Debt Exchange Notes (each such exchange a “Permitted Debt Exchange”) with any Lender (other than any Lender that, if requested by the U.S. Borrower, is unable to certify that it is either a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an institutional “accredited investor” (as defined in Rule 501 under the Securities Act)), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and Refinancing Expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the U.S. Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by

the U.S. Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the U.S. Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of such Term Loans offered to be exchanged by the U.S. Borrower pursuant to such Permitted Debt Exchange Offer, then the U.S. Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the U.S. Borrower and the Exchange Agent and (vi) any applicable Minimum Tender Condition (as defined below) shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the U.S. Borrower pursuant to this Section 2.20, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.05(a) or (b), and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$5,000,000 (or the equivalent Dollar Amount) in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii) the Borrower Representative may at its election specify as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower Representative's discretion) of Term Loans of any or all applicable classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower Representative and the Exchange Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.20 and without conflict with Section 2.20(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower Representative and the Exchange Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The U.S. Borrower shall be responsible for compliance with, and hereby agree to comply with, all applicable securities and other laws and regulations in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Exchange Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the U.S. Borrower's compliance with such laws and regulations in connection with any Permitted Debt Exchange (other than the U.S. Borrower's reliance on any certificate delivered pursuant to Section 2.20(a) above for which the such Lender shall bear sole responsibility) and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended, and/or other applicable securities laws and regulations.

(e) If the Exchange Agent is not the Administrative Agent, the actions authorized to be taken by the Exchange Agent herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.20, any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

Section 2.21 Additional Alternative Currencies.

(a) The U.S. Borrower may from time to time request that Revolving Credit Loans be made and/or Letters of Credit be issued in a currency other than those specifically listed in the definition of "Alternative Currency"; provided that such requested currency is a lawful currency that is readily available and freely transferable and convertible into Dollars. In the case of any such request with respect to the making of Revolving Credit Loans under any Tranche, such request shall be subject to the approval of the Administrative Agent and the Revolving Credit Lenders under such Tranche; and, in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Administrative Agent and the applicable L/C Issuer.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m. ten Business Days prior to the date of the desired Borrowing (or such other time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the relevant L/C Issuer, in its or their sole discretion). In the case of any such request pertaining to Revolving Credit Loans under any Tranche, the Administrative Agent shall promptly notify each Revolving Credit Lender under such Tranche thereof and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the relevant L/C Issuer. Each such Revolving Credit Lender (in the case of any such request pertaining to Revolving Credit Loans) or the L/C Issuer (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., five Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Revolving Credit Loans or the issuance of Letters of Credit, as the case may be, in the requested currency.

(c) Any failure by any Revolving Credit Lender or any L/C Issuer, as the case may be, to respond to such request within the time period specified in the preceding paragraph (b) shall be deemed to be a refusal by such Revolving Credit Lender or L/C Issuer, as the case may be, to permit Revolving Credit Loans to be made or Letters of Credit to be issued in such requested currency. If the Administrative Agent and all the Revolving Credit Lenders that would be obligated to make Revolving Credit Loans denominated in such requested currency consent to making Revolving Credit Loans in such requested currency, the Administrative Agent shall so notify the Borrower Representative and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Borrowings of Revolving Credit Loans under the applicable Tranche; and if the Administrative Agent and the relevant L/C Issuer consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify the Borrower Representative and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Letter of Credit issuances. If the Administrative Agent shall fail to obtain the requisite consent to any request for an additional currency under this Section 2.21, the Administrative Agent shall promptly so notify the Borrower Representative.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a) Any and all payments by or on account of any obligation of the U.S. Loan Parties (with respect to the U.S. Obligations) and the Canadian Loan Parties (with respect to the Canadian Obligations) or any other Loan Party hereunder or under any other Loan Document shall be made

without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from or in respect of any such payment, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, the sum payable by the applicable Loan Party shall be increased as necessary so that after all such deductions or withholdings for Indemnified Taxes have been made (including such deductions and withholdings for Indemnified Taxes applicable to additional sums payable under this Section 3.01) the Administrative Agent (for amounts paid to the Administrative Agent in its own right) or Lender receives an amount equal to the sum it would have received had no such deduction or withholding for Indemnified Taxes been made.

(b) In addition but without duplication, the U.S. Loan Parties (with respect to U.S. Obligations) and the Canadian Loan Parties (with respect to the Canadian Obligations) shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Without duplication of amounts paid pursuant to this Section 3.01(a), the U.S. Loan Parties (with respect to the U.S. Obligations) and the Canadian Loan Parties (with respect to the Canadian Obligations) shall jointly and severally indemnify each Recipient, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The relevant Recipient shall notify the applicable Borrower of the imposition of any Indemnified Tax reasonably promptly after becoming aware of the imposition of such Tax. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(m) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Within 30 days after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall promptly repay to such indemnified party the amount paid over pursuant to this clause (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) or Section 3.05 with respect to such Lender it will, if requested by the Borrower Representative, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 3.01 or Section 3.05, including to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no economic, legal or regulatory disadvantage; and provided further that nothing in this Section 3.01(g) shall affect or postpone any of the Obligations and/or the Canadian Obligations of any Borrower or the rights of such Lender pursuant to Sections 3.01(a) and (c) and Section 3.05. The applicable Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender as a result of a request by such Borrower under this Section 3.01(g).

(h) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower Representative or the Administrative Agent as will enable the applicable Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(h)(ii)(A), (ii)(B), (ii)(D) and (ii)(E) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the case of U.S. Obligations,

(A) any Lender that is a U.S. Person shall deliver to the U.S. Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the U.S. Borrower or the Administrative Agent) copies of executed IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Non-U.S. Lender shall deliver to the U.S. Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the U.S. Borrower or the Administrative Agent), whichever of the following is applicable:

(a) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Loan Document, copies of executed IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(b) copies of executed IRS Form W-8ECI (or any successor form);

(c) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Non-U.S. Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the U.S. Borrower within the meaning of Section 881(c)(3)(B) of the Code, a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code and that no payments in connection with any Loan Document are effectively connected with such Lender’s conduct of a U.S. trade or business (a “U.S. Tax Compliance Certificate”) and (y) copies of executed IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable (or any successor form); or

(d) to the extent a Non-U.S. Lender is not the beneficial owner (*e.g.*, where the Non-U.S. Lender is a partnership or a participating Lender), copies of executed IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender shall provide a certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the U.S. Borrower or the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the U.S. Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the U.S. Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(D) each Recipient shall deliver to the U.S. Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the U.S. Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the U.S. Borrower or the Administrative Agent as may be necessary for the U.S. Borrower and the Administrative Agent to (i) comply with their obligations under FATCA and (ii) determine whether such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(E) the Administrative Agent, and any successor or supplemental Administrative Agent, shall deliver to the U.S. Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which the Administrative Agent becomes the administrative agent hereunder or under any other Loan Document (and from time to time thereafter upon the reasonable request of the U.S. Borrower) executed copies of either (i) IRS Form W-9 (or any successor form) or (ii) a U.S. branch withholding certificate on IRS Form W-8IMY (or any successor form) evidencing its agreement with the U.S. Borrower to be treated as a U.S. person (with respect to amounts received on account of any Lender) and IRS Form W-8ECI (with respect to amounts received on its own account), with the effect that, in either case, the U.S. Borrower will be entitled to make payments hereunder to the Administrative Agent without withholding or deduction on account of U.S. federal withholding Tax.

Each Recipient agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall promptly update and deliver such form or certification to the Borrower Representative and the Administrative Agent or promptly notify the Borrower Representative and the Administrative Agent in writing of its legal ineligibility to do so.

Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Section 3.01(h).

(i) The agreements in this Section 3.01 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

(j) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 3.01, include any L/C Issuer, and the term "applicable law" includes FATCA.

Section 3.02. [Reserved].

Section 3.03 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Term SOFR Rate or the Eurocurrency Rate (whether denominated in Dollars or an Alternative Currency), or to determine or charge interest rates based upon the Adjusted Term SOFR Rate or the Eurocurrency Rate (whether denominated in Dollars or an Alternative Currency), or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take

deposits of, an Alternative Currency in the applicable interbank market, then, on notice thereof by such Lender to the Borrower Representative through the Administrative Agent, (i) any obligation of such Lender to make or continue Term SOFR Rate Loans or Eurocurrency Rate Loans, as applicable, in the affected currency or currencies or to convert Base Rate Loans to Term SOFR Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans, the interest rate on which is determined by reference to the Adjusted Term SOFR Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Term SOFR Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower Representative that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the applicable Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), (A) if applicable and such Lender's Term SOFR Rate Loans are denominated in Dollars, prepay or convert all of such Lender's Term SOFR Rate Loans to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Term SOFR Rate component of the Base Rate) or (B) if applicable and such Lender's Eurocurrency Rate Loans are denominated in an Alternative Currency, prepay all of such Lender's Eurocurrency Rate Loans (the interest rate with respect to such Eurocurrency Rate Loans shall be determined by an alternative rate mutually acceptable to the applicable Borrower and the applicable Revolving Credit Lenders), in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly after such demand, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans. Upon any such prepayment or conversion, the applicable Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.06. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.04 Inability to Determine Rates.

(a) If the Administrative Agent reasonably determines that for any reason, adequate and reasonable means do not exist for determining the Term SOFR Rate, Eurocurrency Rate or RFR for any requested Interest Period with respect to a proposed Term SOFR Rate Loan, Eurocurrency Rate Loan or RFR Loan, as applicable, or is informed by the Required Lenders that the Term SOFR Rate, Eurocurrency Rate or RFR for any requested Interest Period with respect to a proposed Term SOFR Rate Loan, Eurocurrency Rate Loan or RFR Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to banks in the relevant interbank market for the applicable amount and the Interest Period of such Term SOFR Rate Loan, Eurocurrency Rate Loan or RFR Loan, the Administrative Agent will promptly so notify the Borrower Representative and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Rate Loans, Eurocurrency Rate Loans in the affected currency or currencies or RFR Loans, as applicable, shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Adjusted Term SOFR Rate component of the Base Rate, the utilization of the Adjusted Term SOFR Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower Representative may revoke any pending request for a Borrowing of, conversion to or continuation of Term SOFR Rate Loans, Eurocurrency Rate Loans the RFR Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein, and the applicable Borrower shall not have to pay any amounts that would otherwise be due under Section 3.06 with respect to such revocation or conversion (or, in the case of a pending request for a Loan denominated in an Alternative Currency, the applicable Borrower, the Administrative Agent and the applicable Lenders may establish a mutually acceptable alternative rate).

(b) Notwithstanding anything else in this Agreement to the contrary, if at any time:

(i) (A) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that the circumstances set forth in Section 3.04(a) have arisen and such circumstances are unlikely to be temporary or (B) the circumstances set forth in Section 3.04(a) have not arisen but the supervisor or the administrator of the existing Benchmark or a Governmental Authority or an insolvency official having jurisdiction over the supervisor or administrator, or a court or an entity with similar insolvency or resolution authority over the supervisor or administrator, or the central bank for the currency of such Benchmark has made a public statement or published information stating that the administrator or supervisor (each of the foregoing, a “Relevant Administrator”) has ceased or will cease to use such Benchmark for determining interest rates for loans in Dollars; provided that, in the case of this clause (B), at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark;

(ii) a Relevant Administrator has made a public statement or published information announcing that the existing Benchmark is no longer representative;

(iii) an event has occurred that would require the existing Benchmark set forth in any non-speculative interest rate Swap Contract related to the Loans to be amended by adherence to a final protocol published by, or other amendment promulgated by, the International Swaps and Derivatives Association, Inc. (“ISDA”) to facilitate the replacement of such Benchmark or if any non-speculative interest rate Swap Contract related to the Loans is entered into after the Third Amendment Effective Date and is subject to ISDA definitions amended after the Third Amendment Effective Date that reflect a replacement of such Benchmark used in this Agreement on the Third Amendment Effective Date; or

(iv) either (A) a notification is made by Holdings to the Administrative Agent or (B) a notification is made by the Administrative Agent to Holdings, and Holdings agrees in writing that such notification constitutes a Benchmark Trigger Event (as defined below), in each case, that at least five currently outstanding syndicated credit facilities denominated in Dollars, each available for review (including by way of availability through posting on DebtDomain, Intralinks, Debt X, SyndTrak Online or by similar electronic means) and identified by Holdings in such notice, contain (as a result of amendment or as originally executed) as a benchmark interest rate, in lieu of the then-current Benchmark, a replacement benchmark rate (each of (i) through (iv), a “Benchmark Trigger Event”),

then (x) if a Benchmark Trigger Event pursuant to clause (i) of the definition thereof has occurred, the Benchmark Replacement Rate will replace the applicable Benchmark on the applicable Benchmark Replacement Date, with respect to the Facilities, for all purposes hereunder and under any Loan Document in respect of such Benchmark, with respect to the Facilities, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (it being understood that, in connection with the implementation of a Benchmark Replacement Rate pursuant to this clause (x), the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time (to the extent expressly provided in the definition of “Benchmark Replacement Conforming Changes”, with the consent of Holdings) and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or

consent of any other party to this Agreement or any other Loan Document), and (y) if a Benchmark Trigger Event pursuant to clauses (ii) – (iv) of the definition thereof has occurred, the Administrative Agent and Holdings may establish an alternate benchmark floating rate of interest to the applicable Benchmark, that is a Benchmark Replacement Rate, and may enter into an amendment to this Agreement (the “Benchmark Replacement Amendment”) to reflect such Benchmark Replacement Rate and such other related changes to this Agreement with respect thereto as may be applicable in their discretion, including provisions for the Administrative Agent and Holdings to allow for the adoption (without further amendment) of a term structure and any Benchmark Replacement Conforming Changes, which amendment shall become effective within five Business Days of the date that notice of such Benchmark Replacement Rate is provided to the Lenders unless prior to the end of such five Business Day period the Administrative Agent receives a written notice from the Required Lenders stating that such Required Lenders object to such Benchmark Replacement Rate; provided further that any Benchmark Replacement Rate implemented pursuant to this Section 3.04 shall only be implemented to the extent it is commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion).

(c) If a Benchmark Trigger Event pursuant to clauses (ii) – (iv) of the definition thereof has occurred and there is not a Benchmark Replacement Rate, then the Administrative Agent and Holdings may establish an alternate benchmark floating term rate of interest to the applicable Benchmark that is not a Benchmark Replacement Rate, which may include a spread or method for determining a spread or other adjustments or modifications (including to make appropriate adjustments to (i) preserve pricing in effect at the time of selection of such new rate and (ii) for the duration and time for determination of such rate in relation to any applicable Interest Period), and enter into a Benchmark Replacement Amendment to reflect such alternate rate of interest, which amendment shall become effective within five Business Days of the date that notice of such alternate rate of interest is provided to the Lenders unless prior to the end of such five Business Day period the Administrative Agent receives a written notice from the Required Lenders stating that such Required Lenders object to such alternate rate of interest (the “Alternative Benchmark Rate”); provided that any Alternative Benchmark Rate implemented pursuant to this paragraph shall only be implemented to the extent it is commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion). For the avoidance of doubt, (x) except in the case of the 2021 Term Loans, if any such alternate rate of interest determined pursuant to this paragraph would be less than 0.00% per annum, such rate shall be deemed to be 0.00% per annum for purposes of this Agreement and (y) solely in the case of the 2021 Term Loans, if any such alternate rate of interest determined pursuant to this paragraph would be less than 1.00% per annum, such rate shall be deemed to be 1.00% per annum for purposes of this Agreement.

(d) Following the effectiveness of the Benchmark Replacement Rate or the Benchmark Replacement Amendment, if any Benchmark Trigger Event occurs with respect to the Benchmark Replacement Rate or the Alternative Benchmark Rate identified in such Benchmark Replacement Amendment (including, for the avoidance of doubt, any change in or alternative to the Benchmark Replacement Adjustment or any change in or alternative to a compounded or term methodology for calculating such benchmark), then the Administrative Agent and Holdings may enter into an additional Benchmark Replacement Amendment to reflect another Benchmark Replacement Rate without any further action or consent of any other party to this Agreement or to reflect an Alternative Benchmark Rate which amendment, for the avoidance of doubt, shall become effective within five Business Days of the date that notice of such alternate rate of interest is provided to the Lenders, unless prior to the end of such five Business Day period the Administrative Agent receives a written notice from the Required Lenders stating that such Required Lenders object to such alternate rate of interest; provided that, with respect to any such additional Benchmark Replacement Amendment to reflect another Benchmark Replacement Rate, such Required Lenders shall (i) not be entitled to object to any such Benchmark Replacement Rate based on SOFR or SONIA contained in such additional Benchmark Replacement Amendment and (ii) only be entitled to object to the Benchmark Replacement Adjustments with respect thereto.

(e) Notwithstanding anything herein or in any other Loan Document to the contrary, the Administrative Agent and Holdings shall cooperate in good faith and use commercially reasonable efforts to satisfy any applicable requirements under proposed or final U.S. Treasury Regulations or other Internal Revenue Service guidance such that the use of an alternative rate of interest pursuant to this Section 3.04 shall not result in a deemed exchange of any Loans under Section 1001 of the Code.

Section 3.05 Increased Cost and Reduced Return; Capital Adequacy and Liquidity Requirements.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the Term Benchmark Rate or (as the case may be) issuing or participating in Letters of Credit, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including Taxes on or in respect of its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, but excluding for purposes of this Section 3.05(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes indemnifiable under Section 3.01 and (ii) Excluded Taxes), then within 15 days after demand of such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the applicable Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy and liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of materially reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and liquidity and such Lender's desired return on capital), then within 15 days after demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the applicable Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The applicable Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves or liquidity with respect to liabilities or assets consisting of or including Term Benchmark Rate funds or deposits, additional interest on the unpaid principal amount of each Term Benchmark Rate Loan equal to the actual costs of such reserves or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any liquidity requirement, reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Term Benchmark Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Borrower Representative shall have received at least 15 days' prior written notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 15 days from receipt of such written notice.

(d) For purposes of this Section 3.05, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (other than foreign regulatory authorities in Switzerland), in each case pursuant to Basel III, shall, in each case, be deemed to have gone into effect after the date hereof, regardless of the date enacted, adopted or issued.

Section 3.06 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the applicable Borrower shall promptly compensate such Lender for and hold such Lender harmless from any actual loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Term Benchmark Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by any Borrower (for a reason other than the failure of such Lender to make a Loan or pursuant to a conditional notice) to prepay, borrow, continue or convert any Term Benchmark Rate Loan on the date or in the amount notified by the Borrower Representative;

(c) any failure by any Borrower to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment of any Loan or drawing under any Letter of Credit (or interest due thereon) in a different currency from such Loan or Letter of Credit drawing; or

(d) any mandatory assignment of such Lender's Term Benchmark Rate Loans pursuant to Section 3.08 on a day other than the last day of the Interest Period for such Loans,

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding anticipated profits). The applicable Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Section 3.07 Matters Applicable to All Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. With respect to any Lender's claim for compensation under Section 3.03, 3.04 or 3.05, the Loan Parties shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Borrower Representative of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests compensation under Section 3.05, or any Borrower is required to pay any additional amount to any Lender, any L/C Issuer, or any Governmental Authority for the account of any Lender or any L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.03, then such Lender or the L/C Issuer, as applicable, will, if requested by the Borrower Representative and at the applicable Borrower's expense, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as applicable, in the future and (ii) would not, in the judgment of such Lender or such L/C Issuer, as applicable, be inconsistent with the internal policies of, or otherwise be disadvantageous in any material legal, economic or regulatory respect to such Lender or its Lending Office or such L/C Issuer. The provisions of this clause (b) shall not affect or postpone any Obligations of the applicable Borrower or rights of such Lender pursuant to Section 3.05.

(c) If any Lender requests compensation by any Borrower under Section 3.05, such Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Term Benchmark Rate Loans, or to convert Base Rate Loans into Term SOFR Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.07(e) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(d) If the obligation of any Lender to make or continue from one Interest Period to another any Term Benchmark Rate Loan, or to convert Base Rate Loans into Term SOFR Rate Loans shall be suspended pursuant to Section 3.07(c) hereof, such Lender's Term Benchmark Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Term Benchmark Rate Loans (or, in the case of an immediate conversion required by Section 3.03, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Term Benchmark Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Term Benchmark Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Term Benchmark Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Term Benchmark Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to any Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to the conversion of such Lender's Term Benchmark Rate Loans pursuant to this Section 3.07 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Term Benchmark Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Term Benchmark Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Term Benchmark Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

(f) A Lender shall not be entitled to any compensation pursuant to the foregoing sections to the extent such Lender is not imposing such charges or requesting such compensation from borrowers (similarly situated to the applicable Borrower hereunder) under comparable syndicated credit facilities.

Section 3.08 Replacement of Lenders Under Certain Circumstances.

(a) If at any time (i) any Borrower becomes obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.05 (other than with respect to Other Taxes) as a result of any condition described in such Sections or any Lender ceases to make Term SOFR Rate Loans, Eurocurrency Rate Loans or RFR Loans as a result of any condition described in Section 3.03 or 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.08) (collectively, a “Replaceable Lender”), then the Borrower Representative may, on three Business Days’ prior written notice from the Borrower Representative to the Administrative Agent and such Lender (for the avoidance of doubt, such notice shall be deemed provided on the same day that an amendment or waiver is posted to the Lenders for consent), either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the applicable Borrower in such instance unless waived by the Administrative Agent) all of its rights and obligations under this Agreement (or, in the case of a Non-Consenting Lender, all of its rights and obligations under this Agreement with respect to the Facility or Facilities for which its consent is required) to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the applicable Borrower to find a replacement Lender or other such Person or (ii) so long as no Default or Event of Default shall have occurred and be continuing, terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than a L/C Issuer), repay all Obligations of the applicable Borrower owing (and the amount of all accrued interest and fees in respect thereof) to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of a L/C Issuer, repay all obligations of the applicable Borrower owing to such L/C Issuer relating to the Loans and participations held by such L/C Issuer as of such termination date and cancel or backstop on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; provided that (i) in the case of any such replacement of, or termination of Commitments with respect to a Non-Consenting Lender such replacement or termination shall be sufficient (together with all other consenting Lenders including any other replacement Lender) to cause the adoption of the applicable modification, waiver or amendment of the Loan Documents and (ii) in the case of any such replacement as a result of the applicable Borrower having become obligated to pay amounts described in Section 3.01 or 3.05, such replacement would eliminate or reduce payments pursuant to Section 3.01 or 3.05, as applicable, in the future. Any Lender being replaced pursuant to this Section 3.08(a) shall (i) execute and deliver an Assignment and Assumption with respect to such Lender’s Commitment and outstanding Loans and participations in L/C Obligations and (ii) deliver any Notes evidencing such Loans to the Borrower Representative or the Administrative Agent (for return to the applicable Borrower). Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender’s Commitment and outstanding Loans and participations in L/C Obligations, (B) all Obligations relating to the Loans and participations (and the amount of all accrued interest, fees and premiums in respect thereof) so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, the assigning Lender shall deliver to the assignee Lender the applicable Note or Notes executed by the applicable Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within two Business Days of the

date on which the assignee Lender executes and delivers such Assignment and Assumption to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Replaceable Lender. In connection with the replacement of any Lender pursuant to this Section 3.08(a), the applicable Borrower shall pay to such Lender such amounts as may be required pursuant to Section 3.06.

(b) Notwithstanding anything to the contrary contained above, (i) any Lender that acts as a L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of Cash Collateral into a cash collateral account in amounts and pursuant to arrangements consistent with the requirements of Section 2.16) have been made with respect to such outstanding Letter of Credit and (ii) the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Borrower Representative or the Administrative Agent has requested the Lenders to consent to a waiver of any provisions of the Loan Documents or to agree to any amendment or other modification thereto, (ii) the waiver, amendment or modification in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain class of the Loans and (iii) the Required Lenders or Majority Lenders of the applicable class, as applicable, have agreed to such waiver, amendment or modification, then any Lender who does not agree to such waiver, amendment or modification, in each case, shall be deemed a “Non-Consenting Lender”; provided, that the term “Non-Consenting Lender” shall also include any Lender that (x) rejects (or is deemed to reject) an Extension under Section 2.19, which Extension has been accepted by at least the Majority Lenders of the respective Tranche of Loans whose Loans and/or Commitments are to be extended pursuant to such Extension and (y) does not elect to become a lender in respect of any Specified Refinancing Debt pursuant to Section 2.18. For the avoidance of doubt, (A) if any applicable Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its Initial Term Loans or its Initial Term Loans are prepaid by the applicable Borrower, pursuant to Section 3.08(a), on or prior to the date that is 6 months after the First Amendment Effective Date in connection with any such waiver, amendment or modification constituting a Repricing Event, the applicable Borrower shall pay such Non-Consenting Lender a fee equal to 1.00% of the principal amount of the Initial Term Loans so assigned or prepaid or (B) if any 2021 Term Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its 2021 Term Loans or its 2021 Term Loans are prepaid by the U.S. Borrower, pursuant to Section 3.08(a), on or prior to the second anniversary of the Second Amendment Effective Date, the U.S. Borrower shall pay such Non-Consenting Lender the 2021 Term Loan Prepayment Premium that would otherwise be payable by the U.S. Borrower in connection with a voluntary prepayment thereof.

(d) Survival. All of the Loan Parties’ obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, any assignment by or replacement of a Lender and any resignation or removal of the Administrative Agent.

Section 6.20 Aircraft Mortgages. In the event that any Loan Party acquires any Engine and such interest in such Engine has not otherwise been made subject to a perfected Lien of the Collateral Documents in favor of the Collateral Agent, then, in each case, the applicable Loan Party shall promptly notify the Collateral Agent of such acquisition. The Loan Parties shall, within 90 days following such acquisition (or such longer period as the Collateral Agent may reasonably agree), subject to the Perfection Exceptions, cause to be executed and delivered, Aircraft Mortgages or Aircraft Mortgage Supplements in respect of such Engines to create in favor of the Collateral Agent, a valid and, subject to any filing and/or recording referred to herein, perfected, first-priority security interest in such Engines (subject only to Permitted Liens) and, corresponding filings, registrations and/or recordations with the International Registry and, if applicable, the FAA; provided that such properties or property shall not be required to be pledged as Collateral, and no Aircraft Mortgage or Aircraft Mortgage Supplements or other Collateral Documents shall be required to be delivered in respect thereof, to the extent that any such properties or property constitute Excluded Property. Convention to establish the validity of any such Aircraft Mortgage or Aircraft Mortgage Supplement against a Person that does not have actual notice of the same, or that registration at the International Registry of the International Interest created by any such Aircraft Mortgage or Aircraft Mortgage Supplement constitutes such actual notice for purposes of such statute or applicable Law.

Each Loan Party hereby authorizes the Collateral Agent to file filings with the office of the FAA in Oklahoma City, Oklahoma maintained for the recording of Liens on aircraft and aircraft engines pursuant to the FAA Act (the "FAA Registry") and the International Registry for the purpose of perfecting, confirming, continuing, enforcing or protecting the security interest granted by such Loan Party under any Loan Document, without the signature of such Loan Party, and naming such Loan Party, as debtor, and the Collateral Agent, as secured party. Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Stock or Preferred Stock in the form of additional shares of Disqualified Stock or Preferred Stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness, Disqualified Stock or Preferred Stock outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness will not be deemed to be an Incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock for purposes of this Section 7.01. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 7.01.

The principal amount or liquidation preference, as applicable, of any Indebtedness Incurred or Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, if Incurred or issued in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing.

Directly or indirectly, create, incur, assume or suffer to exist any Lien upon any property or assets of any kind (real or personal, tangible or intangible) of any Borrower or any Restricted Subsidiary, whether now owned or hereafter acquired (each, a "Subject Lien") that secures obligations under any Indebtedness unless:

(a) in the case of Subject Liens on any Collateral, such Subject Lien is a Permitted Lien; and

(b) in the case of any other asset or property, any Subject Lien if (i) the Obligations are equally and ratably secured with (or on a senior basis to, in the case such Subject Lien secures any Junior Financing) the obligations secured by such Subject Lien or (ii) such Subject Lien is a Permitted Lien.

No reference herein to Liens permitted hereunder (including Permitted Liens), including any statement or provision as to the acceptability of any Liens (including Permitted Liens), shall in any way constitute or be construed as to provide for an implied subordination of any rights of the Agents, the Lenders or other Secured Parties hereunder or arising under any of the other Loan Documents in favor of such Liens.

As of the Closing Date, all of the U.S. Borrower’s Subsidiaries will be Restricted Subsidiaries. The U.S. Borrower will not permit any Restricted Subsidiary to become an Unrestricted Subsidiary, or any Unrestricted Subsidiary to become a Restricted Subsidiary, except pursuant to the definition of “Unrestricted Subsidiary”. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in this Agreement.

For purposes of this Section 7.05, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of "Permitted Investments," the Borrower Representative may divide and classify such Investment or Restricted Payment (or a portion thereof) in any manner that complies with this Section 7.05 and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification; provided that any Restricted Payments made in reliance on clause (24) above shall not be permitted to be reclassified as made pursuant to any other provision described above and shall be deemed at all times to have been made in reliance on clause (24).

Section 7.06 Burdensome Agreements. Permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

(a) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;

(c) require that the U.S. Borrower to Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and/or

(d) exercise on behalf of itself, the L/C Issuers and the Lenders all rights and remedies available to it, the L/C Issuers and the Lenders under the Loan Documents, under any document evidencing Indebtedness in respect of which the Facilities have been designated as "Designated Senior Debt" (or any comparable term) and/or under applicable Law;

provided, however, that upon the occurrence of any Event of Default under Section 8.01(f) or (g) with respect to any Borrower or any other Loan Party, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the U.S. Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, in the event that the U.S. Borrower fails to comply with the requirements of the Financial Covenant at any time when the U.S. Borrower is required to comply with such Financial Covenant pursuant to the terms thereof, then from the end of the most recently ended fiscal quarter of the U.S. Borrower until the expiration of the fifteenth Business Day subsequent to the date the relevant Compliance Certificate is required to be delivered pursuant to Section 6.02(a) (the last day of such period being the "Anticipated Cure Deadline"), Holdings shall have the right (the "Cure Right") to issue common Capital Stock (or preferred equity or convertible preferred equity reasonably acceptable to the Administrative Agent) for cash and contribute the proceeds therefrom in the form of common Capital Stock (or preferred equity or convertible preferred equity reasonably acceptable to the Administrative Agent) to the U.S. Borrower or obtain a contribution to its equity (which shall be in the form of common equity or otherwise in a form reasonably acceptable to the Administrative Agent) ("Cure Equity"), and upon the receipt by the U.S.

Borrower of such cash (the "Cure Amount"), pursuant to the exercise by the Borrower Representative of such Cure Right, the calculation of Consolidated EBITDA as used in the Financial Covenant shall be recalculated giving effect to the following pro forma adjustments:

(i) Consolidated EBITDA for such fiscal quarter (and for any subsequent period that includes such fiscal quarter) shall be increased, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs (including the determination of amounts available under Section 7.05) or determining the Applicable Facility Fee or Applicable Rate, provided that, in determining the Applicable Facility Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing), by an amount equal to the Cure Amount; provided that (1) the receipt by the U.S. Borrower of the Cure Amount pursuant to the Cure Right shall be deemed to have no other effect on a consolidated basis under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs or determining the Applicable Facility Fee or Applicable Rate, provided that, in determining the Applicable Facility Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing) and (2) no Cure Amount shall reduce Indebtedness on a Pro Forma Basis for the fiscal quarter for which the Cure Right was exercised for purposes of calculating the Financial Covenant (whether as a result of a prepayment of the Loans or via netting of such Cure Amount); and

(ii) if, after giving effect to the foregoing recalculations, the U.S. Borrower shall then be in compliance with the requirements of the Financial Covenant, the U.S. Borrower shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred (and any other Default as a result thereof, including the failure to meet any condition requiring no Default or Event of Default based solely on the basis of any actual or purported Event of Default under the Financial Covenant) shall be deemed cured for the purposes of this Agreement; and

(iii) upon receipt by the Administrative Agent of written notice, on or prior to the Anticipated Cure Deadline, that the Borrower Representative intends to exercise the Cure Right in respect of a fiscal quarter, the Lenders (i) shall not be permitted to accelerate Loans held by them, to terminate the Revolving Credit Commitments held by them or to exercise remedies against the Collateral on the basis of a failure to comply with the requirements of the Financial Covenant, unless such failure is not cured pursuant to the exercise of the Cure Right on or prior to the Anticipated Cure Deadline and (ii) shall not be obligated to make any Credit Extension under the Revolving Credit Facility until such Cure Amount has been received by the U.S. Borrower.

(b) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in respect of which the Cure Right is not exercised, (ii) there can be no more than five fiscal quarters in respect of which the Cure Right is exercised during the term of the Facilities and (iii) for purposes of this Section 8.03, the Cure Amount utilized shall be no greater than the minimum amount required to remedy the applicable failure to comply with the Financial Covenant.

Section 8.04 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after an actual or deemed entry of an order for relief with respect to any Borrower under any Debtor Relief Law), any amounts received on account of the Obligations shall, subject to the provisions of Sections 2.16 and 2.17, be applied by the Administrative Agent in the following order:

(a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 10.04, Section 10.05 and amounts payable under Article III and amounts owing in respect of (x) the preservation of Collateral or the Collateral Agent's security interest in the Collateral or (y) with respect to enforcing the rights of the Secured Parties under the Loan Documents) payable to the Administrative Agent and the Collateral Agent in their respective capacity as such;

(b) second, to payment in full of Unfunded Advances/Participations (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent and the L/C Issuers pro rata in accordance with the amounts of Unfunded Advances/Participations owed to them on the date of any such distribution);

(c) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and Letter of Credit fees) payable to the Lenders and the L/C Issuers (including fees, disbursements and other charges of counsel payable under Sections 10.04 and 10.05) arising under the Loan Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause (c) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit fees and interest on the Loans and L/C Borrowings, ratably among the Lenders and the L/C Issuers in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, (i) to payment of that portion of the Obligations constituting unpaid principal of the Loans and the L/C Borrowings, that portion of the Obligations of the Loan Parties then owing in respect of regularly scheduled payments or termination payments (whether as a result of the occurrence of any event of default or other termination event) under the Secured Hedge Agreements and that portion of the Obligations of the Loan Parties then owing under the Secured Cash Management Agreements and (ii) to Cash Collateralize that portion of L/C Obligations comprising the aggregate undrawn amount of Letters of Credit to the extent not otherwise Cash Collateralized by the U.S. Borrower pursuant to Sections 2.03 and 2.16, ratably among the Lenders, the L/C Issuers, the Hedge Banks party to such Secured Hedge Agreements and the Cash Management Banks party to such Secured Cash Management Agreements in proportion to the respective amounts described in this clause (e) held by them; provided that (x) any such amounts applied pursuant to the foregoing clause (ii) shall be paid to the Administrative Agent for the ratable account of the applicable L/C Issuers to Cash Collateralize such L/C Obligations, (y) subject to Sections 2.03(d) and 2.16, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to this clause (e) shall be applied to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit without any pending drawing, the pro rata share of Cash Collateral attributable to such expired Letter of Credit shall be applied by the Administrative Agent in accordance with the priority of payments set forth in this Section 8.04;

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents or under Secured Hedge Agreements and the Secured Cash Management Agreements that are then due and payable to the Administrative Agent and the other Secured Parties, and not otherwise paid pursuant to clause (e) above, ratably based upon the respective aggregate amounts of all such Obligations and/or the Canadian Obligations then owing to the Administrative Agent and the other Secured Parties; and

(g) last, after all of the Obligations have been paid in full (other than contingent indemnification obligations not yet due and owing), to the applicable Borrower or as otherwise required by Law or the ABL Intercreditor Agreement;

provided that no amounts received from any Guarantor shall be applied to Excluded Swap Obligations of such Guarantor.

For the avoidance of doubt and notwithstanding anything to the contrary contained in this Agreement or any other Loan Document (including all Collateral Documents), no payments made by or amounts received or recovered from any Canadian Loan Party that constitutes an Excluded Subsidiary with respect to the U.S. Obligations shall be applied, directly or indirectly, to any obligation other than a Canadian Obligation.

If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired without any pending drawing, such remaining amount shall be applied to the other Obligations, if any, in accordance with the priority of payments set forth above. Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application of payments described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX for itself and its Affiliates as if a "Lender" party hereto.

It is understood and agreed by each Loan Party and each Secured Party that the Administrative Agent and Collateral Agent shall have no liability for any determinations made by it in this Section 8.04, in each case except to the extent resulting from the gross negligence, bad faith or willful misconduct of, or material breach of the Loan Documents by, the Administrative Agent or the Collateral Agent, as applicable (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Loan Party and each Secured Party also agrees that the Administrative Agent and the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

ARTICLE IX Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender and L/C Issuer hereby irrevocably appoints Credit Suisse and its successors and permitted assigns to act on its behalf as Administrative Agent hereunder and under the other Loan Documents (subject to the provisions in Section 9.09), and designates and authorizes the Administrative Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto. The Administrative Agent may perform any of its duties through its officers, directors, agents, employees, or affiliates. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions. Notwithstanding any provision to the

contrary contained elsewhere herein or in any other Loan Document, no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties; additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby. The Administrative Agent is authorized by the Lenders and other Secured Parties to enter into any Collateral Allocation Agreement (including the Closing Date Collateral Allocation Agreement), the provisions of this Article IX shall apply to the Administrative Agent under each Collateral Allocation Agreement (including the Closing Date Collateral Allocation Agreement) and each Collateral Allocation Agreement (including the Closing Date Collateral Allocation Agreement) will be binding upon the Lenders and the other Secured Parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article IX and in the definition of “Agent-Related Person” included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) and Section 10.04 as if set forth in full herein with respect thereto and all references to Administrative Agent in this Article IX shall, where applicable, be read as including a reference to the Collateral Agent. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize (i) the Administrative Agent and Collateral Agent, as applicable, to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party and (ii) the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver, and to perform its obligations under, any and all documents (including releases, payoff letters and similar documents) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any intercreditor agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents

and acknowledge and agree that any such action by any Agent shall bind the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement).

(d) Without limiting the provisions of this Section 9.01, each Lender, acting for itself and on behalf of all other present and future Secured Parties, hereby irrevocably appoints and authorizes the Collateral Agent (and any successor acting as Collateral Agent) to act as the hypothecary representative (within the meaning of Article 2692 of the Civil Code of Québec) in order to hold, for the benefit of all present and future Secured Parties, any hypothec granted under the laws of the Province of Québec as security for the Canadian Obligations, and to exercise such rights and duties as are conferred upon the hypothecary representative under any such deed of hypothec and applicable laws (with the power to delegate any such rights or duties on such terms and conditions as it may determine from time to time). The Collateral Agent, in its capacity as hypothecary representative as aforesaid, shall benefit from and be subject to all provisions hereof with respect to the Collateral Agent, including, without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lenders. Any person who becomes a Secured Party shall be deemed to have consented to and confirmed the Collateral Agent as the Person acting as hypothecary representative as aforesaid and to have ratified, as of the date it becomes a Secured Party, all actions taken by the Collateral Agent in such capacity. The substitution of the Collateral Agent pursuant to the provisions of this Article IX shall also constitute the substitution of such Collateral Agent as hypothecary representative.

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by the Administrative Agent, as determined by a final non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.03 Liability of Agents.

(a) No Agent-Related Person shall be (i) liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence, bad faith, willful misconduct or material breach of the Loan Documents in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction), (ii) liable for any action taken or not taken by it (A) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (B) in the absence of its own gross negligence, bad faith, willful misconduct or material breach of the Loan Documents as determined by the final, non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein, (iii) responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or

any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, (iv) responsible for or have any duty to ascertain or inquire into the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder, (v) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral or (vi) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into monitor or enforce, compliance with the provisions relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information, to, or the restriction on any exercise of rights or remedies of, any Disqualified Institution.

(b) As to any matters not expressly provided for herein and in the other Loan Documents (including enforcement or collection), neither the Administrative Agent nor the Collateral Agent, as applicable, shall be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, pursuant to the terms in the Loan Documents), and, unless and until revoked in writing, such instructions shall be binding upon each Lender and each L/C Issuer; provided, however, that neither the Administrative Agent nor the Collateral Agent, as applicable, shall be required to take any action that (i) the Administrative Agent or the Collateral Agent, as applicable, in good faith believes exposes it to liability unless the Administrative Agent or the Collateral Agent, as applicable, receives an indemnification satisfactory to it from the Lenders and the L/C Issuers with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of Law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of Law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent or the Collateral Agent, as applicable, may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Neither the Administrative Agent nor the Collateral Agent, as applicable, shall have any duty to disclose, except as expressly set forth herein and in the other Loan Documents, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent or the Collateral Agent, as applicable, to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution.

Section 9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, Internet or intranet website posting or other distribution statement or other document or conversation reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons. Each Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with, and rely upon (and be fully protected in relying upon), advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Sections 4.01 and 4.02, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date, specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower Representative referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders or the Required Revolving Lenders, as applicable, in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any loss, cost or expense suffered by any Borrower, any Subsidiary, any Lender or any L/C Issuer as a result of any determination of the outstanding Revolving Credit Commitments, any of the component amounts thereof or any portion thereof attributable to each Lender

or L/C Issuer, or any Exchange Rate or Dollar-equivalent in the absence of its own gross negligence, bad faith, willful misconduct or material breach of the Loan Documents in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person. Each Lender, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall, on a ratable basis based on such Lender's Pro Rata Share of all the Facilities, indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), and hold harmless each Agent-Related Person in each case from and against any and all Indemnified Liabilities incurred by such Agent-Related Person (including, for the avoidance of doubt, any such Agent-Related Person in its capacity as L/C Issuer); provided, however, that no Lender shall be liable for any Indemnified Liabilities incurred by an Agent-Related Person to the extent such Indemnified Liabilities are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence, bad faith or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence, bad faith or willful misconduct for purposes of this Section 9.07; provided, further, that to the extent any L/C Issuer is entitled to indemnification under this Section 9.07 solely in its capacity and role as a L/C Issuer, only the Revolving Credit Lenders shall be required to indemnify such L/C Issuer under this Section 9.07 (which indemnity shall be provided by such Lenders based upon their respective Pro Rata Share of the Revolving Credit Facility). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 shall apply whether or not any

such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrowers; provided that such reimbursement by the Lenders shall not affect the Borrowers' continuing reimbursement obligations with respect thereto; provided further, that failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation or removal of the Administrative Agent.

Section 9.08 Agents in Their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent or a L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent or a L/C Issuer, and the terms "Lender" and "Lenders" include such Agent in its individual capacity (unless otherwise expressly indicated or unless the context otherwise requires).

Section 9.09 Successor Agents.

(a) The Administrative Agent or Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to Borrower Representative and the Lenders; provided that, if at the time of such resignation, there is a successor Administrative Agent or Collateral Agent, as applicable, satisfactory to each of the resigning Agent, the incoming Agent and the Borrower Representative, each, in its sole discretion, then the resigning Agent, the incoming Agent and the Borrower Representative may agree to waive or shorten the 30 day notice period. If the Administrative Agent or Collateral Agent or a controlling Affiliate of the Administrative Agent or the Collateral Agent is subject to an Agent-Related Distress Event, the Borrower Representative may remove such Agent from such role upon ten (10) days' written notice to the Lenders. Upon receipt of any such notice of resignation or removal, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be subject to the consent of the Borrower Representative at all times other than during the existence of an Event of Default under Section 8.01(a), (f), or (g) (which consent of the Borrower Representative shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation or removal, as applicable, of the Administrative Agent or Collateral Agent, as applicable, the Administrative Agent or Collateral Agent (other than to the extent subject to an Agent-Related Distress Event or if the Administrative Agent is being removed as a result of it being a Disqualified Institution), as applicable, may appoint, after consulting with the Lenders and the Borrower Representative, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor administrative agent or such successor collateral agent, as

applicable, and the retiring Administrative Agent's or Collateral Agent's appointment, powers and duties as the Administrative Agent or Collateral Agent, as applicable, shall be terminated. After the retiring Administrative Agent's or Collateral Agent's resignation or removal hereunder as the Administrative Agent or Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or Collateral Agent by the date which is 30 days following the retiring Administrative Agent's or Collateral Agent's notice of resignation or removal, the retiring Administrative Agent's or Collateral Agent's resignation or removal shall nevertheless thereupon become effective and (i) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed, for the avoidance of doubt any agency fees for the account of the retiring agent shall cease to accrue from (and shall be payable on) the date that a successor Agent is appointed), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.09 and (iii) the Lenders shall perform all of the duties of the Administrative Agent or Collateral Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent or Collateral Agent, as applicable, shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Collateral Agent. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor or upon the expiration of the 30-day period following the retiring Administrative Agent's or Collateral Agent's notice of resignation or removal without a successor agent having been appointed, the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents other than as specifically set forth in clause (i) above of this Section 9.09(a) but the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable. At any time the Administrative Agent or Collateral Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Administrative Agent or Collateral Agent may be removed as the Administrative Agent or Collateral Agent hereunder at the request of the Borrower Representative and the Required Lenders.

(b) Any resignation by or removal of Credit Suisse as Administrative Agent and/or Collateral Agent pursuant to this Section 9.09 shall also constitute its resignation or removal as a L/C Issuer, in which case the resigning or removed L/C Issuer (x) shall not be required to issue any further Letters of Credit and (y) shall maintain all of its rights as L/C Issuer with respect to any Letters of Credit issued by it, prior to the date of such resignation or removal. Upon the acceptance of a successor's appointment as Administrative Agent and/or Collateral Agent hereunder or upon the expiration of the 30-day period following the retiring Administrative Agent's and/or Collateral Agent's notice of resignation or removal without a successor agent having been appointed, (i) such successor (if any) shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C

Issuer, (ii) the retiring L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents and (iii) the successor L/C Issuer (if any) shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make (or the U.S. Borrower shall enter into) other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, administrative receivership, judicial management, insolvency, liquidation, bankruptcy, reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel to the extent provided for herein and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(h) and (i), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any administrator, administrative receiver, custodian, receiver, assignee, trustee, judicial manager, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts, in each case, due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. Except with respect to the exercise of setoff rights in accordance with Section 10.09 or with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, on behalf of the Secured Parties in accordance with the terms thereof. Each of the Lenders (including in their capacities as potential or actual Hedge Banks party to a Secured Hedge Agreement and potential or actual Cash Management Banks party to a Secured Cash Management Agreement) and each L/C Issuer irrevocably authorize the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent shall to the extent requested by the Borrower Representative or, solely in the case of clause (d) below, to the extent provided for under this Agreement:

(a) release any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations and/or, in the case of any Lien on any Canadian Collateral, all Canadian Obligations, as applicable (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration without any pending drawing or termination of all Letters of Credit (other than Letters of Credit that have been, in each case, Cash Collateralized or as to which arrangements satisfactory to the L/C Issuer that issued such Letters of Credit have been made), (ii) that is sold, disposed of or distributed or to be sold, disposed of or distributed as part of or in connection with any transaction permitted hereunder or under any other Loan Document, in each case to a Person that is not a Loan Party, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders, (iv) that constitutes Excluded Property as a result of an occurrence not prohibited hereunder or (v) owned by a Subsidiary Guarantor or Co-Borrower upon release of such Subsidiary Guarantor or Co-Borrower from its obligations under its Guaranty or hereunder, as applicable, pursuant to clause (c) below;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document to the holder of any Permitted Lien on such property that is permitted by clauses (1), (4), (5), (6) (only with regard to Section 7.01(d)), (9), (11) (solely with respect to cash deposits), (16), (17) (other than with respect to self-insurance arrangements), (18) (solely to the extent constituting Excluded Property), (19), (21), (23) (solely to the extent relating to a lien of the type allowed pursuant to clauses (9) and (11) (solely with respect to cash deposits) of the definition thereof), (25) (solely to the extent relating to a lien of the type allowed pursuant to clause (6) of the definition of "Permitted Liens" and securing obligations under Indebtedness of the type allowed pursuant to Section 7.01(d)), (26) (solely to the extent the Lien of the Collateral Agent on such property is not, pursuant to such agreements, permitted to be senior to or *pari passu* with such Liens), (29) (solely with respect to cash deposits), (34), (39) (only for so long as required to be secured for such letter of intent or investment), (45), (46) and (47) of the definition thereof;

(c) release any Guarantor or any Co-Borrower from its obligations under the applicable Guaranty or hereunder, as applicable, if in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary or otherwise becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; provided that no such release shall occur if such Guarantor or Co-Borrower continues to be a guarantor or co-borrower, as applicable, in respect of any Specified Refinancing Debt, any Refinancing Notes, the Senior Notes, the ABL Facility, any Incremental Equivalent Debt or, to the extent incurred by a Loan Party (other than Holdings), any other Indebtedness, in each case, with an aggregate outstanding principal amount in excess of \$150,000,000; and

(d) establish intercreditor arrangements as expressly contemplated by this Agreement (including, for the avoidance of doubt, the ABL Intercreditor Agreement).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral

Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11. Additionally, upon reasonable request of the Borrower Representative, the Collateral Agent will return possessory Collateral held by it that is released from the security interests created by the Collateral Documents pursuant to this Section 9.11; provided that in each case of this Section 9.11, upon the Collateral Agent's reasonable request, the Borrower Representative shall have delivered to the Administrative Agent and Collateral Agent a certificate of a Responsible Officer of the Borrower Representative certifying that any such transaction has been consummated in compliance with the Credit Agreement and the other Loan Documents and that such release is permitted hereby; provided, that in the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by any Borrower, upon reasonable request of Borrower Representative, the Collateral Agent shall provide a loss affidavit to Borrower Representative, in the form customarily provided by the Collateral Agent in such circumstances.

Section 9.12 Other Agents; Arranger and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "documentation agent," "joint lead arranger," or "joint bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such; provided that each Arranger shall be entitled to any express rights given to that Arranger under any Loan Document. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Secured Cash Management Agreements or Secured Hedge Agreement, as applicable, shall be deemed to have appointed the Administrative Agent to serve as administrative agent under the Loan Documents, and shall be deemed to have appointed the Collateral Agent to serve as collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and the Collateral Agent are hereby authorized to appoint an additional individual or institution selected by them in their sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent, as applicable (any such additional individual or institution being referred to herein individually as a "Supplemental Agent" and collectively as "Supplemental Agents").

(b) In the event that the Administrative Agent or the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent or the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Administrative Agent and the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Supplemental Agent, as the context may require.

(c) Should any instrument in writing from any Borrower, Holdings or any other Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrowers or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Agent.

(d) In the event that any Borrower appoints or designates any Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent pursuant to Sections 2.14, 2.15 and 2.18, as applicable, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an agent or arranger with respect to New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, as applicable, shall be exercisable by and vest in such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to the extent, and only to the extent, necessary to enable such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent to exercise such rights, powers and privileges with respect to the New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, as applicable, and to perform such duties with respect to such New Loan Commitments, Incremental Equivalent Debt or Specified Refinancing Debt, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent shall run to and be enforceable by either the Administrative Agent or such Incremental Arranger, Incremental Equivalent Debt Arranger or Specified Refinancing Agent, and
